

Project Title: Dairy

The educational 4-H dairy program and related activities (such as workshops and tours) provide youth a fun and hands-on learning experience. This project develops both dairy subject skills (such as nutrition, housing, and health care) and life skills (such as responsibility, decision-making, nurturing, and communications).

Superintendent: Dan Collom

Assistant Superintendent: Britni Hoover

Secretary: JJ Hobson

State Fair Entries: Check with the IN State Fair for sign up deadlines without penalties, usually June 1st. (web: www.indianastatefair.com)

General Rules, Terms and Conditions for Livestock Projects

In the interest of all breeders of livestock, all exhibitors, the Parke County 4-H Council, the 4-H Fair Board, Inc. the 4-H program, and the agriculture industry, the following general rules, regulations and listing of prohibited activities are presented to maintain, insure and present a wholesome, high quality educational program. As the showcase of Parke County, it is imperative to promote and allow only ethical behavior by exhibitors at the Parke County 4-H Fair.

The Parke County 4-H Council and/or 4-H Youth Extension Educator or designee reserves the final and absolute right to interpret any and all terms, conditions, rules and regulations contained in any and all parts of the premium book and to arbitrarily settle and determine all matters, questions or differences in regard there to, or otherwise arising out of, connected with, or incidental to the Parke County 4-H Fair. They further reserve the right to determine unforeseen matters not covered by general or department rules published in the handbook, to amend or add to these rules as in its judgment it may determine should any emergency exist and circumstances demand.

Fraud, deception, any prohibited activities, violations of general or departmental rules, or any activity determined to be improper or unethical by the 4-H Council, a Fair Board or a 4-H Youth Extension Educator shall not be allowed. Any exhibitor found in violation is subject to sanction and/or disqualification.

1. TAMPERING, ALTERING, AND/OR MISREPRESENTATION relative to any exhibit is prohibited.

This prohibited activity includes but is not limited to breeding, age, ownership, and/or method of preparation or completion. (For example, with animal exhibits this includes, but is not limited to, coloring that alters or misrepresents breed characteristics, pumping, drenching, attaching hair/hair substitutes, or filling).

2. PROHIBITED FITTING OF ANIMAL EXHIBITS is defined as the administration of any substance (to include, but not limited to, drugs, blood, oils, air, steroids, chemical substances) or performance of any surgical procedure altering the animal's configuration or natural conformation of any part of the animal's body, or rendering its tissues unfit for human consumption is prohibited. Exceptions that are allowed to 1 and 2 above include hoof trimming, dehorning removal of hair, manipulation of normally attached hair, castration, branding, tattooing, ear notching, docking of tails on sheep and swine and coloring that does not alter or misrepresent breed characteristics. Exception: Paint is not allowed in the sheep project.

3. NO EXHIBITOR MAY TAKE EXCEPTION TO THE DECISIONS of an official and/or judge in an unprofessional and/or publicmanner nor shall any exhibitor or person representing the exhibitor interfere with or show disrespect to any judge or show official.

4. PLACINGS OF EXHIBITS WILL NOT BE ADJUSTED after the placing becomes official.

5. COMPETITION PLACINGS DO NOT BECOME OFFICIAL UNTIL the completion of the following, but not limited to, all postjudging re-weighing, animal identification and evaluation.

6. ADDITIVES, SUPPLEMENTS, AND PASTES may be administered according to label use or veterinarian directive. Questions can be directed to Parke County 4-H Council, 4-H Youth Extension Educator, or Livestock Superintendent.

7. 4-H Exhibitors are expected to follow the federally approved label when using drugs and feed additives. 4-H Market animals shall not contain any foreign substance both on day of show and at harvest. This includes drugs, steroids, or chemicals greater than standards established by the United States Department of Agriculture (USDA) or the Food and Drug Administration (FDA) as permissible for sale for consumption as human food. Administration of these compounds must follow these guidelines:

- a). Feed additives may be used according to the label. Administration in excess of the label is prohibited. It is the exhibitor's responsibility to adhere to prescribed withdrawal times prior to harvest. If the withdrawal time is not met by the time the animal would normally be harvested by the packer, the exhibitor is to make other arrangements for harvest.
- b). Exhibitors are expected to use federally approved drugs to treat sick animals. It is the exhibitor's responsibility to adhere to prescribed withdrawal times prior to harvest. If the withdrawal time is not met by the time the animal would normally be harvested by the packer, the exhibitor is expected to make other arrangements for harvest. Drugs may not be administered to 4-H animal exhibits at the Parke County Fair, except those administered or given by a certified veterinarian.
- c). Administration of drugs to enhance gait or reduce lameness disqualifies the exhibit from participation in the Parke County Fair. Animals too lame to show will be withdrawn.

Youth for the Quality Care of Animals (YQCA) Requirement:

To exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry and rabbits, 4-H members must be certified through either the Indiana 4-H Quality Livestock Care program or the Youth for the Quality Care of Animals (YQCA) program. Indiana 4-H Quality Livestock Care is taught in person in Parke County. YQCA can be completed online at yqcaprogram.org. For more information about in-person trainings in your county, please contact your County Extension Office.

Project Requirements and Guidelines

1. Project books (1/3 per year) or record sheets may be completed for the project in place of exhibiting at the Parke County 4-H Fair for completion.

2. Refer to the Parke County 4-H Policies, Entry & Exhibit Requirements, State Health Requirements and the Livestock Section General Rules.

3. All 4-H dairy cows and heifers entered in the Parke County 4-H Fair dairy cattle show must have been enrolled in 4HOnline by May 15.

4. Each 4-H member shall own (or lease) his/her own exhibit. The ownership or lease agreement must be in effect on or before the county enrollment deadline and continue through the State Fair 4-H Dairy show. 4-H Lease forms must be brought into the Extension Office prior to May 15th. 4-H animals purchased, sold or offered for sale after the enrollment deadline and prior to the Indiana State Fair shall not be eligible to show at the State Fair. 4-H animals exhibited after the animal enrollment deadline (May 15 for all animals) at any show by anyone other than the person listed on the Indiana 4-H animal enrollment form will not be eligible to be shown in the 4-H show at the county or Indiana State Fair. The term/condition does not apply to siblings and parents, who may show each other's animals at any show during the year without jeopardizing state fair eligibility. This policy applies to all 4-H animal projects. For animal projects without enrollment options, the person who enters them in the county or Indiana State Fair 4-H show is the equivalent of the enroller of the animals. Family corporations and/or partnerships of the 4-H club member with a parent or unrelated persons are accepted for breeding animals in 4-H dairy classes. Dairy cows and heifers owned in a partnership may not be exhibited by more than one person from May 15 until conclusion of the State Fair 4-H Dairy Show. This person must

be the exhibitor of the animal in the current Parke County 4-H Dairy Show or the animal will be ineligible for this show.

5. The Dairy lease program is only for 4-H members who do not own their own dairy heifers. Leasing a dairy heifer will be considered the equivalent of ownership. The 4-H member should be regularly involved in the care of the heifer regardless of where the heifer is kept, and the 4-H member should have exclusive show rights to the heifer during the 4-H lease period from May 15 through the 4-H dairy show at the Indiana State Fair. Leased 4-H dairy cow/heifers must be enrolled (although it is not necessary to have the registration paper transferred to the 4-H member's name) by May 15 with their registration number or tattoo number listed on the 4-H member's dairy enrollment. At check-in during the Parke County Fair, the 4-H member with a leased dairy cow/heifer must provide the lease agreement signed by them and the person they are leasing the heifer from.

There is a county lease form that can be submitted to the Extension Office if a Dairy member would like to lease a Dairy Feeder Steer. Dairy Feeder Steers ARE NOT Eligible to go to State Fair.

6. Refer to the Parke County 4-H Program Policies for 4-H Animal Grooming Guidelines.
