PROJECT TITLE: HORSELESS HORSE
Description:

This project allows for 4-H members to share knowledge of horses without owning their own horse or pony.

State Fair Entries:
No state fair entries for this project – Parke County Only Project

Exhibit Guidelines:

Choose a new topic each year. Suggested resources available include Horses and Horsemanship, Horse Science. Exhibit consists of an educational poster. Poster topics can cover anything related to the horse topic. Topics could include but are not limited to the following: Horse Parts, Horse Breeds, Horse Colors, Horse Gaits, Horse Tack, Grooming, Horse Training, Hoof Care, Horse Safety, Horse Anatomy and Horse Health.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension staff.

Exhibit Class Guidelines:

Beginners (Grades 3-5 suggested)

Intermediate (Grades 6-8 suggested)

Advanced (Grades 9-12 suggested)
