

January 2025

Dear Livestock Exhibitor,

If you plan to exhibit livestock at the 2025 Pulaski County 4-H & Community Fair and/or the Indiana State Fair, you must complete **EITHER** an online Youth for the Quality Care of Animals Training **OR** an in-person Indiana 4-H Quality Livestock Care Program by **JUNE 1st**.

The following in-person Indiana 4-H Quality Livestock Care Programs will be held at **6:30PM EST**:

February 24th at Bethel Bible Church
March 19th at Pulaski County Highway Garage
April 29th at Bethel Bible Church

You can sign-up for one of these in-person trainings here: <https://PulaskiQLC2025.4honline.com> or through your 4-H Online account. Once logged in, register for the “2025 Pulaski County Quality Livestock Care Training” event. Then select which date you will be attending. The cost of the training will be \$3 in the form of cash or check made payable to Purdue University and given to the Extension Office or paid at your training. If you will be exhibiting livestock at the Indiana State Fair and need a copy of your completion certificate, please let me know.

If you choose to complete the online Youth for the Quality Care of Animals Training, you can access the training at www.yqcaprogram.org. Once the training is complete, you will need to provide proof of completion to the Extension Office. Proof can be a copy of the certificate, screenshot, etc.

If you are NOT exhibiting livestock in 2025, please let us know so we can remove you from the list. If you have any questions about this process, feel free to contact the Extension Office at
(574) 946-3412.

Sincerely,

Samantha Williams
4-H Youth Educator
County Extension Director
