

Dear Pulaski County 4-H Supporter,

The Pulaski County 4-H Council is beginning its 2026 sponsorship drive. We want to thank our past sponsors for their generous support and give an opportunity for new sponsors to get involved.

Here is a brief description of the 4-H program :

What it is:

A non-formal, hands-on educational program for youth that connects them to the wider world and helps them develop life skills.

Activities:

Projects are diverse and include agriculture, STEM, robotics, cooking, fashion, public speaking, and more.

Structure:

Programs are delivered through local clubs and are often led by adult volunteers and mentors from the community.

Reach:

4-H operates in every county in the U.S. and in over 80 countries worldwide.

Mission:

To provide positive youth development opportunities that help young people build leadership, citizenship, and life skills.

We would like to offer you a few options to support the youth for all their accomplishments and to further their learning throughout the 4-H program. With your monetary donation we can help encourage our youth to be involved in many 4-H related activities. In this letter, you will find information on two different ways your sponsorship may be used. Please select the option that best suits where you would like your donation to be used.

Booster Club:

The booster club supports funding for many different areas of the program such as 4-H Camp, 4-H Round-Up, 4-H Academy, Scholarships, 4-H Achievement Royalty, and more! By choosing this option for your donation, you can ensure that your generous gift will go towards helping to fund these many different areas of our program and the youth involved!

Please fill out the information below if you would like for your donation to go to our Booster Club.

Awards Program:

The Pulaski Co. 4-H Council provides awards to all 4-H members. All youth deserve to be recognized for their hard work, whether they earn a blue ribbon or grand champion! The members spend more than just the weeks leading up to fair working on their projects, often times they are planning next year's projects shortly after they recover from the long fair week! If you choose to sponsor awards, your donation may be used for a wide variety of projects including non-livestock projects and livestock projects. If you are interested in supporting the 4-H program by sponsoring awards, please fill out the form below. You may select a specific species or 4-H building project awards. If you do not have a preference, then you may select for the donation to be used where needed for awards.
