

Emily Foster

Emily is the daughter of Bill & Bobbie Foster and a sister to Andrew, Lyndie and Becky. She is a 10 year member of the 4-H Impact club.

Projects that Emily has completed include shooting sports, foods, sewing, consumer economics, arts and crafts, fine arts, models, photography, gift wrapping, livestock poster and robotics. Her favorite project is painting with sewing and photography close seconds because these projects allow her to show off her creativity and abilities to the community and to inspire younger youth.

Emily created positive message posters to hang around the fairgrounds. She is active with EMPOWER and has learned about drug abuse prevention. She has helped facilitate community based events to inform about the side effects of drug and alcohol abuse. Emily volunteers with her church youth group and EMPOWER and she was selected to travel to D.C to attend CADCA and speak about prevention in Scott County.

Emily has received the Golden Clover award through 4-H. She has earned several awards at Scottsburg High School for academics and is an active member in the National Honor Society. She has broken 2 swimming records at SHS and placed 4th and 6th in two swimming relays during USA Swimming Divisional and received medals in honor of her accomplishments.

Emily has been awarded an academic merit scholarship from Ball State University where she plans to attend this fall. She will be majoring in Graphic Design and looks to pursue a career as an art director.
