

Kadin Richardson

Kadin is the son of Kalea Richardson & Matthew Holliday and a brother to Madilyn and Hudson Holliday. He has been a member of Finley Fantastics and Scott County Jr. Leaders clubs. Projects that Kadin has completed include swine and beef. His favorite project was swine because it was his first and taught him a lot about responsibility, showmanship and dedication.

Kadin has volunteered in the community through Jr. Leaders by helping with petting zoos at the nursing home, care packages for soldiers and Kids First Auction.

Kadin has received several awards for his livestock projects over the years, but he says nothing compares to the friendships he has made.

Kadin was at the top of his welding class and he received his welding certificate. He plans to use that certificate and go to the Union and be a welder. He plans to have a ranch of his own and own horses and cattle.
