

Kira Tillet

Kira is a 7 year member of the Scott County Jr. Leader 4-H club. She is the daughter of Ethan Tillet & Lindsay Wachsmann.

The major projects that she has taken in 4-H include swine, cattle, photography & breads.

Kira's future schooling/job plans include attending UIndy to major in nursing.

The greatest contribution 4-H has made in Kira's life is "4-H has not only brought me closer to more people and family members, but also gave me an even greater appreciation for the Ag industry."

Kira describes the most important thing she learned from her participation in the 4-H program "is that the more work you put in, the more you get out of the experience. With animals especially, you have to prepare the animal and yourself as much as you can to be the best in the show ring. The work doesn't get done on its own."
