

From the Educator

Hello 4-H Families!

Happy May!

As we get closer to the fair our newsletter is packed full of important dates and information, so be sure to read the whole thing so you don't miss anything! Also, please be sure to keep checking your email as fair gets closer for important announcements!

Notably, we have the sheep, goat, and swine ID day On Friday May 8th. If you are enrolled in one of these projects, you will have received information about it in the mail. If you didn't, please call or email the extension office asap.

Small animal ID day is also coming up on June 6th!

Please remember that May 15th is the deadline to have all of your animal information in 4-H Online. This is a **hard deadline**.

June 1st is the deadline for when all project information needs to be entered in fair entry.

With any questions please do not hesitate to call the office!

Animal ID & project Drop/Add Deadline **May 15, 2026**

Please make any changes to the projects you want to complete in 2026 and make sure all animal ID (except rabbit and poultry) is entered into 4-H online to be eligible to show!

All Horses and Alpacas need photos uploaded by this date...make sure this is completed!

Any questions, call 812-752-8450
Monday - Friday 8:30 -4:30

ALL projects need to be entered
into fairentry.com

FairEntry opens May 15 and
closes June 1st!

This includes **ALL** 4-H projects-- both
static and livestock!

This is the website where you tell us what you are planning to exhibit in the building and what livestock classes you will be showing in. If entering Bred & Owned livestock - make sure you choose both the original class they are entering as well as the Bred & Owned class.

Reminder - once you hit submit, you will have to wait until our office approves your entries before you can add anymore entries or enter another exhibitor.

Any Questions: call 812-752-8450 Monday - Friday
or email scottces@purdue.edu

Attention: All Livestock Youth wanting to participate in the 4-H Livestock Auction

- **If you are going to auction any animal you must attend one educational/learning event. This educational event does not have to be geared towards the species of animal you show (For example you can show goats but attend a pig workshop). We encourage all of our youth to attend more than one learning event; but one is the minimum.**
- **The Hare and Feathers Club meetings qualify for this educational portion.**
- **The Scott County Livestock workshop on April 11 qualified for this education portion.**
- **if you attend a surrounding county's educational workshop, make sure that county informs our office of your attendance.**

- **To be clear: If you show and sell you are required to attend two different meetings! The IQLC class or YQCA does not count as an educational/learning event.**

Attention: All Livestock 4-H'ers

Youth have the option to complete an in-person Indiana 4-H Quality Livestock Care Course (IQLC) OR an online Youth for the Quality Care of Animals (YQCA) Course. County and State Fair will accept both of these options.

This requirement is set for youth exhibiting, Swine, Beef Cattle, Dairy Cattle, Sheep, Goats, Rabbits, and Poultry.

If you have or plan to attend another county's IQLC training, make sure to have them inform our office of your attendance.

For those who cannot attend an in-person training, YQCA is available to complete the training online (<http://yqcaprogram.org/>) at a cost of \$12.

Online YQCA certifications are accepted in lieu of the in-person Indiana 4-H Quality Livestock Care program but youth must e-mail the Scott County Extension Office (scottces@purdue.edu) a copy of their YQCA certificate to prove completion. Visit www.yqcaprogram.org to complete the online YQCA training.
