4-H Project Spotlight!

CAT SHOW

Who has a pet cat?! Did you know that 4-H has a CAT project? You show your inside or outside cat or kitten. Cats are judged according to condition of eyes, ears, coat, nails and body-build. Proper handling will also be considered. Cats come to the show in carriers and get out when being judged. The show is at the Saddle Club Building during the fair. This year it is set for Monday, June 23rd at 3 pm in the saddle club building.

Cat and kittens will have to have a signed vaccination form from their vet that will be turned in at the show.

You have until May 15th to add the cat project to your list of projects! See you at the fair.

2024 Volunteer Enrollment- A Three Step Process

Starting this year, New 4-H volunteers will go to 4honline.com and fill out a new volunteer application through the website. Once you have completed the application, the Extension Office will check your references and complete your background checks. When those are done, the 4-H Youth Educator will contact you to explain the final step of the process.

Any questions, reach out to Megan Stone at mmcneel1@purdue.edu

If you are not currently a volunteer but have an interest in being one, start the enrollment process and send Megan an email mmcneel1@purdue.edu and let her know. We always need approved volunteers.
