

Captain Cash:

An interactive educational program designed to teach basic financial management skills to your students. "Captain Cash" includes four classroom enrichment sessions of approximately 45 minutes each that focus on earning, saving, spending, and borrowing money. Each session introduces vocabulary words and one or more basic economic concepts. Each session also includes a game or activity and a take-home handout. (third grade only)

Contact Megan Broughton to schedule this program for your 3rd grade students. mcbrough@purdue.edu
