

Sophia Kirkman

Sophia is a 10 year member of the Finley Fantastics 4-H club. She is the daughter of Sarah & John Edrington and Josh & Nicole Kirkman.

The major projects that she has taken in 4-H include photography, goats and arts & crafts.

Sophia's future schooling/job plans include attending Ball State to obtain her Bachelors in Nursing.

The greatest contribution 4-H has made in Sophia's life is that it "has allowed me to meet tons of people and make great friends."

Sophia describes the most important thing she learned from her participation in the 4-H program "I've learned multiple things over my years of 4-H but one of the most important would be accountability. Showing up even when you think it's not important. I'm thankful to have been able to do this club for the 10 years. It has been an honor."
