

Tyler Stewart

Tyler is the son of Heather Combs and Michael Stewart and a brother to Tanner. He is a member of the Happy Humming Alpacas 4-H club.

Projects that Tyler has completed include alpacas and goats. His favorite project was alpacas because he really enjoyed learning new things about this unique animal and how to train them.

Tyler has volunteered in the community with several events for Scottsburg High School Bass fishing team, FFA and 4-H Council. He has also helped with improvements at the Scott County Fairgrounds and with events at the fair.

Tyler has won several Grand Champions in showmanship and obstacle with alpacas and has received District FFA awards, his Hoosier and Greenhand degrees and the Workhorse award through FFA as well. Tyler plans to use the knowledge he gained from Prosser and interning at Scott County Auto Collision to further his career in auto collision.
