access/affirmative action
institution

4-H Project Spotlight!

DOG SHOW

Who has a dog?! Did you know that 4-H has a DOG project? You attend dog club meeting to teach your dog obedience & agility commands and proper training and then participate in the dog show closer to fair time. All dogs will have to have a signed vaccination form from their vet that will be turned in at one of the first meetings you attend with your dog.

To learn more about the dog project - attend the call out meeting on March 2nd at 3 pm at the Saddle Club

You have until May 15th to add the dog project to your list of projects! See you at the fair.

SMALL ANIMAL ID DAY

2024 Volunteer Enrollment- A Three Step Process

Starting this year, New 4-H volunteers will go to 4honline.com and fill out a new volunteer application through the website. Once you have completed the application, the Extension Office will check your references and complete your background checks. When those are done, the 4-H Youth Educator will contact you to explain the final step of the process.

If you are not currently a volunteer but have an interest in being one, start the enrollment process, Let the Extension Office know!!! We always need approved volunteers.
