

Shelby County 4-H Shaving Cream Fight

Where: Horse Arena

Event Date & Time: Saturday, June 20th from 4:00-5:00pm

Participants: All 4-H Members

Overview

The 4-H Shaving Cream Fight is a fun, supervised recreational activity for 4-H members designed to promote camaraderie and positive social interaction in a controlled environment. Participant safety, respect for others and care of facilities are the top priorities.

Event Rules

1. Eligibility

- This activity is open to current Shelby County 4-H members only.
- Participation is voluntary.

2. Event Area & Boundaries

- The shaving cream fight must take place entirely within the horse arena fencing.
- Shaving cream may not be thrown outside the arena or toward spectators.
- Anyone leaving the arena during the event may not re-enter.

3. Supplies

- Participants must bring their own shaving cream.
- Only foam shaving cream is permitted.
- No gels, colored creams, glitter products, slime or pressurized novelty products are allowed.
- Containers may not be altered or used as projectiles.
- No other items may be thrown (no water balloons, bottles, lids or equipment).

4. Safety

- No contact with the face. Shaving cream may not be intentionally aimed at eyes, nose, mouth or ears.
- No pushing, tackling, grabbing or rough physical contact.
- Closed-toe shoes are required.
- Participants should wear clothes they do not mind getting messy.
- Anyone acting in an unsafe or irresponsible manner will be removed from the activity.

5. Conduct & Sportsmanship

- Good sportsmanship and respectful behavior are expected at all times.
- No foul language, bullying or intentional targeting of individuals who ask to stop.
- Participants must follow all instructions from 4-H staff and volunteers immediately.

6. Liability & Assumption of Risk

- Participation in the shaving cream fight is at the participant's own risk.
- 4-H, Extension and the event facility are not responsible for lost, damaged or ruined personal items.

7. Cleanup

- Participants may be required to assist with basic cleanup following the event.
- Shaving cream containers must be disposed of properly in designated trash receptacles.
