SMART GOALS |

Turn your dreams into goals!

INITIAL GOAL

Think of a goal that you would like to meet!

Example: I want to read more!

S *Specific*

Who? What? When? Where? Give details!

Example: I want to read one chapter book each month until the end of the school year.

M *Measurable*

How will I track my progress toward my goal?

Something tangible!

Example: I can keep a list of books that I have read.

A *Achievable*

What skills are needed to achieve this goal?

Do I have the skills needed?

Example: I can calculate the number of pages I need to read each day to stay on track. Definitely achievable!

R *Relevant*

Why am I setting this goal?

What purpose does this goal serve in my life?

Example: I enjoy reading and my class visits the library 1x a month.

T *Time-bound*

By what date do I want to complete this goal?

Try to be as specific as possible!

Example: I want to continue this goal until the end of the current school year.

SMART GOAL

What does your goal look like now that you have applied the principles of a SMART goal?

Example: I want to read 1 chapter book each month until the end of the current school year and will track my progress by keeping a list.

STEBEN COUNTY 4-H FAIR**

2025 Steuben County Friend of 4-H

Joanna Claudy

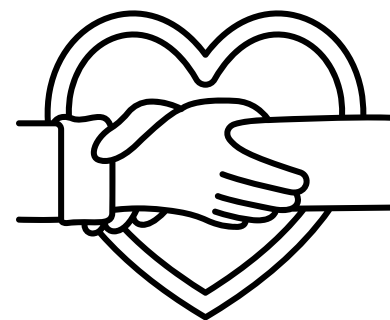

Joanna has been a volunteer in the 4-H Program for 10 years now. Her main passion is being superintendent of the Poultry project, but she is also superintendent of the Cat, Animal Education and Creative Arts projects! Joanna serves on the 4-H Fair Board and maintains the treasurer's position for the board. She also serves on multiple 4-H committees throughout the year.

This past year she worked part-time in the Extension Office to help out and did an excellent job with all the social media before, during, and after the 4-H Fair. Thank you so much to Joanna for all that she does for Steuben County 4-H!

Congratulations!

Volunteers Rock!*

Help Needed!

While many volunteers stay with us for years, when a volunteer signs on, they are only making a one year commitment that can be renewed or declined each year. Some volunteers don't even volunteer for a year...they volunteer in an "episodic" role where they help with a one-time project or a few weeks max. The volunteer year aligns with the youth program year, so each fall/winter, we ask volunteers to re-enroll in 4-H. If you haven't given

4-H volunteerism a try, consider these opportunities below. If after a year (or your episodic experience), you decide the role isn't for you, that's okay!
