Family Enrollment of Animals

Animals are automatically co-enrolled within the same family (Siblings and step-siblings). The animals may be identified under a single 4-H member in 4-H Online and be exhibited by a different sibling listed in the same family profile. **With this capability in 4-H Online, animals do not need to be entered under each 4-H member in the family.** The exhibit management program will allow a member to select to exhibit any animal identified by the family in 4-H Online. It is suggested that at least 1 animal be identified by each member enrolled in the project.

2026 Sullivan County 10 Year 4-H Members

Caden Bays

Curry Nomads 4-H Club

-What is the most unexpected thing you've learned in 4-H?

How much I've learned from other members and many opportunities to make new friends.

-What is your favorite 4-H tradition?

Having the opportunities to be a 4-H camper and later a camp counselor, also. It was lots of fun while learning skills.

-What is one thing you would tell a first year 4-Her?

Try as many projects that you can. It's fun to try new things and meet new 4-Hers.

-What is your favorite thing to eat during Fair week? Curry Nomads' pork burgers. Of course, I have to have daily milkshakes.

-What is your go-to stress reliever after a busy project season?

Talking with my friends and family and going to the pool.

-Who is a person you will always remember from 4-H and why?

Kailee Cloutier. She makes 4-H work and learning fun and expects you to do your best. She's a good listener and helper.

-What is a funny memory from fair or camp that will always make you laugh?

One of my funniest memories from fair is when my brother's goat got loose and ran to the road by the entrance to the 4-H grounds while we were chasing it.

-Can you lead your 4-H club in the 4-H pledge with all of the correct hand motions?
