

Clover Monthly February 2026

Sullivan County 4-H monthly communication for 4-H members, families, leaders, fair board, and council.

Ride bus to Academy and Round-Up 2026!

New! Sullivan County 4-H members attending Academy and Round-Up this year have the opportunity to ride a coach bus from Sullivan County to Purdue University for free! (Thank you Sullivan County 4-H Council for paying the \$100 per person fee.)

4-H RoundUp and Academy are June 10-12, 2026. This is the first year both events take place the same week. Register before May 9. Both events are at Purdue University and give youth the experience of living in a residence hall and navigating a Big Ten campus. Cost is \$125 because 4-H Council pays half.

RoundUp is for grades 7-9. About 500 youth and adult participants gather at Purdue University for an introductory leadership development and career awareness.

Academy, for grades 9-12, includes hands-on educational workshops designed to teach technical and workforce preparation skills. Youth choose tracks such as artificial intelligence, creative arts, animal health, digital ag, food science, EMS, finances, flight, weather, plant science, and civic engagement.

If you have questions, please contact Extension Educator Cheryl Casselman at ccassel@purdue.edu or 812-286-4332.

YES grants

Money available for youth-led community service projects

YES (Youth Engaged Service) grants provide up to \$1,000 for youth in grades 7–12 across Indiana to plan and complete a service project in their community. Youth will identify a local need, then create and carry out a youth-led service project—and you can even invite your friends to join you!

Each youth lead will be supported by an adult supervisor, but the goal of these grants is to give 4-H youth hands-on leadership and project management experience.

- Applications are now open!
- Deadline to apply: March 15
- Grant notifications: April 15

Adults may advise, but youth need to take ownership of their project by completing their application, filling out their budget sheet, and compiling their final report with minimal adult intervention.

Group participation is encouraged in the service projects, including younger children who may want to lead their own project one day! Clubs with members of all ages are encouraged to apply as long as the YOUTH LEAD is in grade 7-12.

Past \$1,000 funded projects to get the ideas flowing:

- “Baby Basic Bundles” to support needy families by providing essential infant care items
- “Paw Pals” care kits to help 4-H Rabbit members get started with the items they need for basic grooming.
- Fair entrance beautification makeover
- “Seasonal Sensations for Seniors” provided decorations to elderly residents in local nursing homes for holidays and seasons
- “Birthday in a Bag” donated to a local food pantry has everything for a birthday party: cake mix, candles, banner, etc.

Funds for this initiative were made available from Rural 1st by Farm Credit and Corteva Agriscience.
