Open Show Entry Form—center of Entry Book

Entry Book and Entry Form are also online at

WELCOME TO 2023!

Welcome to the 2023 Home and Family Arts Open Show! We are pleased that you have an interest in joining us for another fun and educational event. We are always tinkering with our divisions to add interest in participating in the Open Show, so be sure to read each division's information carefully.

There have been a few adjustments made to exhibit categories since the 2022 Open Show:

- Creative Recycling is now an Entry in the Basic Crafts class in the Hobbies and Crafts Division; it is no longer a stand-alone division
- All important Open Show dates and times have been consolidated on one page of the Entry Book! See pages 7 and 8 for everything you will need to know
- Many divisions have eliminated and/or combined classes and have revised rules; be sure to read the rules and descriptions carefully
- The 2023 Special Category is **Diamond Painting!** Please see page 29 for exhibit information
- The popular Old Time Favorite class in the Foods Division will use **ZUCCHINI** as the featured ingredient

Have a good summer and we will see you at the Fair!

HOME AND FAMILY ARTS OPEN SHOW

This nonprofit exhibit was organized in 1980 to provide a showcase for the creative talents of families in the community. This showcase also provides an added dimension to the Tippecanoe County 4-H Fair, encouraging quality home and family life.

Your entry fees pay for ribbons, judges, postage, handbook printing, and supplies. If you enter the Open Show in 2023, you will receive an Open Show Entry Book the following spring.

2023 SPECIAL CATEGORY—DIAMOND PAINTING

Described by some as a combination of cross stitch and paint-by-numbers, diamond painting is a form of art that is creatable by young and old alike. This craft originated in Asia approximately a decade ago, and has quickly and rapidly spread throughout the world in popularity.

SPECIAL CATEGORY SWEEPSTAKES—Rosette and \$25 cash award to exhibitor

RESERVE SWEEPSTAKES—Rosette and \$10 cash award to exhibitor

- Ribbons are awarded at the time of judging
- Class I (Kooking For Kids) will be the first class to be judged

ALL FOOD EXHIBITS MUST FOLLOW PURDUE UNIVERSITY FOOD SAFETY GUIDELINES:

- Filling, frosting, glazing, pie filling, and meringue (whether cooked or uncooked) are NOT PERMITTED to contain cream cheese, sour cream, heavy cream, or whipped cream, as the nature of these products increases the moisture content and water activity of the food
- Foods with a higher moisture content and water activity can be ideal growing conditions for food borne pathogens, even if the ingredient is part of a batter and baked
- Additionally, raw milk, raw milk products or uncooked eggs/egg whites are not permitted
 - Eggs/egg whites that have been cooked to 160 degrees Fahrenheit (i.e. pasteurized or included as part of a batter and baked) are acceptable

FOODS DIVISION continued

- No home-canned fruits, vegetables, or meats are permitted in products
- Exhibitors should carefully wash their hands and make sure their hands do not have any open cuts before preparing foods
 - Exhibitors should not prepare food exhibits for competition within 48 hours of recovery from any illness
- Whenever possible, baked products should be transported in chilled coolers (41 degrees Fahrenheit)
