

4-H Weather and Climate Science

Project Record Sheet

4-H-1023b-W

Name: _____

Years in 4-H: _____
(include this year)

Years in the Weather and Climate Science project: _____
(include this year)

Activities you completed this year (includes 4-H manual activities, field trips, site visits, magazine articles read, etc.):

What did you learn about weather and/or climate science this year?

How could you use the things you have learned in this project?

What careers did you learn more about that are related to soil and/or water science?

Did you make an educational poster, notebook, or science experiment? ____ yes ____ no.
If yes, what was the theme?

Facilitator Signature: _____ Date: _____

4-H Member Signature: _____ Date: _____

Independent Study: Advanced Topic Natural Resource Projects

Project: beekeeping entomology forestry geology shooting sports
 soil & water conservation sport fishing weather wildlife

Name: _____ Grade: _____ Year: _____

Name of Club: _____ Year in Club Work _____ Township: _____

County: _____ Date Record Sheet Started: __/ __/ __ Date Record Sheet Completed: __/ __/ __

What was the topic that you studied?

How much did you know about this topic before you started your research?

None	A Little	Some	Quite a Bit	A Lot
------	----------	------	-------------	-------

How much did you learn about this topic through your research?

None	A Little	Some	Quite a Bit	A Lot
------	----------	------	-------------	-------

Why did you choose to do the independent study activity?

Briefly describe what you learned when you did your independent study. This can include subject matter information, what you learned about doing research, what you learned about presenting information, etc.

What did you learn through your independent study that you expect to be able to use in the future?

Did this independent study activity provide a community service? If so, please explain the impact that your work had on your community.

Did your independent study have any influence on your college and/or career plans? If so, please explain.

Did your independent study have any influence on your personal goals? If so, please explain.

Attach your manuscript, references, and a picture (photo or drawing) of your exhibit.
