Why Belong to an Extension Homemakers Club?

EDUCATION ADVANTAGE:

Education is a character builder. It is a lifelong process that is never finished. Homemaker Club members keep up to date in these rapidly changing times through lessons on all phases of homemaking, family living and special interest topics that are presented by speakers, educators, and other club members.

LEADERSHIP:

The Homemaker Club provides training for leadership as one enjoys membership, becomes a club officer, project leader and by sharing in lessons. This helps each member to become a leader in their community by strengthening leadership skills. Today's leaders help to strengthen our communities. Small things accomplished by many can make a difference in the lives of others.

CITIZENSHIP:

A member becomes a better citizen by living up to the principles of the Homemaker club creed, by taking part in club projects and by volunteering in community activities.

SOCIAL AND FELLOWSHIP ADVANTAGES:

The Homemaker Club offers social and fellowship opportunities with other members and other clubs. It gives the feeling of belonging, a feeling that a person is part of the community and a feeling of being useful and needed. It gives a member a sense of safety, security, and status.

All these factors come together to strengthen individuals and communities, passing on knowledge and leadership that has benefited us.
