

## **VOLUNTEER COMMUNITY SUPPORT**

Tippecanoe County Extension Homemakers Council, Inc.

\*The County VCS chair compiles all the information that the members turn in and the Club President reports at the end of the year in the Annual Report.

\*This then goes to the State President. Those numbers are then reported to the National Volunteer Outreach Network.

\*Those numbers are reported to the United Nations.

\*The United Nations turns those hours into money to pay for work around the world. Each hour is worth \$23.10 and the money is used to fund projects around the world.

**How to record the service hours and donations given as Extension Homemakers**  
**The following County Projects do not go on the Club Reporting Forms.**

**March/April -ABC's of Agriculture**, the County Chair of this project will record your service hours and the donations from the sign in forms provided at the event. Sign in and record all hours and donations.

\*On the Volunteer Community Support **Club** Record form (white)– Record all service hours for club projects and donations to the State, County and all activities and donations in which your Club has chosen to participate in for Local projects. This information is collected by the Club VCS chair.

\*The **blue Quarterly Club Volunteer Community Support Report Form** is for the Club VCS Chair to record the service hours and donations of their Club members **and turn into the County VCS Chair as follows.**
