Tippecanoe County Extension Homemakers

Volume 25, Issue 3

May-June 2025

Writing to you all this last time as your county president, was more difficult than I expected. (Just as well I switched majors from journalism to horticulture.) Deleting and rewriting a page on Word is not as fulfilling as wadding up a paper copy and throwing it!

My end of term is a little bitter-sweet, with ups and downs, positives and negatives. Way back when I accepted the vice presidency, there was no foreseeing my huge lifestyle changes that would interfere with time dedicated to Extension Homemakers.

I had hoped to visit all the different clubs to get better acquainted in their 'natural environment', but only managed to join in at a Quilt club meeting, a trip to Whitestown with Lamplighters, and Randolph at Monicals.

Council meetings via zoom

didn't work as well as hoped, but could prove to be a way to stay connected. My health didn't cooperate, but in the big picture my problems are small. Excitement from the IEHA state conference for starting specialty clubs fizzled, but I'm excited to go again! Great ideas for IEHA week activities and publicity were not all fulfilled, but we did complete the State project. We've had some clubs grow amazingly, while others shrank. I have had outstanding fellow officers and committee chairs, (THANK-YOU!) but we're struggling to re-fill those positions. I am not able to do so at this time, but perhaps the county officers would be more effective with 2 instead of 1 year terms.

The saddest connection to Extension Homemakers is the loss of Kathy Delaney. Getting to know Kathy, even a little, was one of the most positive experiences of my moving back to Lafayette. Kathy exemplified Extension Homemakers' core values: mentor, recruiter, club leader, county leader, district leader, committee leader; always taking that extra step, encouraging, comforting, advising. I can see her 'up there' with my Mom, getting

the ladies organized and making sure the job is done right!

Homemakers have a busy next few weeks! Please watch for upcoming deadlines, nomination needs, Garden Expo, District Day, Spring Ed Day, and Achievement Luncheon!

Thank you for your patience with me! Beatrix will need all your support as well.

## ABC Day (formerly Ag Day)

This year TCEH helped at the ABC Day on March 7, 2025. Dee Nicely told us that this was the largest group of students that she has ever had. We ordered 600 cookies and the morning was extremely busy with all the students rotating every 8 minutes. At the end, we had 9 dozen cookies left. The remainder cookies were donated to the LUM Shelter.

The Children did get to see Llamas, Cow, little piglets, chicken, and a goat. State Farm showed corn products and how they are used within the food industry. There were two tables of Drones that are used by the farmers for pesticides, herbicides and to water their farms.

**Brock Turner**, our Educator did a presentation on Sugar cookies. He discussed the ingredients and how they are incorporated in making sugar cookies. The children enjoyed their cookie and milk.

**I want to Thank my great helpers:** Wanda Overpeck,  
Nan Dobbins, Jan Wallace, and Cathy Binz.

## Membership Outreach

At our May 20th, 2025 Achievement Event, we will be excited to recognize:

- new members to our Tippecanoe County Extension Homemakers Clubs;
- current members with anniversary years of membership;
- clubs with anniversary years of membership;
- club (s) with the greatest membership growth;
- outgoing-incoming officers and focus chairs.

And, discover what great things your clubs have been doing throughout this year!

Many thanks to all of you that have volunteered your time and talented efforts to help with the Garden Expo booths, Indiana Extension Homemakers Week, recruitment and Open Show tables at the county 4-H fair, and the continually best word-of-mouth advertising you do for the promotion of IEHA within our community. Please let us know of any events or festivals throughout the upcoming Spring & Summer months that TCEH Outreach/Membership could be a participant in. We have again been allotted table space in the dining court at the 2025 Tippecanoe County 4-H Fair, July 18th-26th.

## Purdue Extension – Health & Human Science Educator Update

Hello Spring and March Madness! Last year we were in the Championship, this year we had our Sweet 16 Appearance. On a personal note, I was able to coach my youngest son, Leo, at the Indiana State Wrestling Tournament where he won 1<sup>st</sup> place this March! He is the 6-year-old, 50 pound Indiana State Champion!

In regards to education, we just finished up another offering of the *Be Heart Smart* program in February. This was a great turnout. We had financial support from our local health department and the Health First Indiana funding. If you missed February, be on the lookout for our fall offering of the class. Email me or call and I can add you to the VIP list to be one of the first with an opportunity to register.

We are in the middle of our latest *Matter of Balance* class that started on March 31<sup>st</sup>. This was another full class that was supported by the local health department and Health First Indiana funding. If you were not able to attend this program, reach out to be added to next fall's offering of the program. We will also be offering this program in Fountain County starting on the 29<sup>th</sup> of April. If you have friends or family in that area, encourage them to attend!

I just returned from a trip to Ireland where I was a program leader for a College of Ag Spring Break Study Abroad class. This was a fantastic opportunity for me to learn and lead the Purdue College of Ag students. My initial plan was to learn about the physical spaces that would promote well-being within their regions. I was able to take in so many perspectives that I will be sharing in my class at the Holman Library downtown on April 8<sup>th</sup> at 6:30pm on *Creating Spaces that Promote Well-being*. I was also influenced by the need to create personal sustainability based on the farms we attended as well as the history of the Great Famine.

If you are interested in these or educational content on other health related topics, please do not hesitate to reach out.

I hope you stay happy and healthy!

We are seeking individuals to provide demonstrations in various areas. Suggested topics include hobbies and crafts, food preparation, and food preservation. For instance, last year Krystal Sigman demonstrated techniques such as Diamond Painting, Knitting, and Crocheting.

If you are interested in volunteering or giving demonstrations, please email us at [tippecanoeopenshow1980@gmail.com](mailto:tippecanoeopenshow1980@gmail.com).

Feel free to contact us at [tippecanoeopenshow1980@gmail.com](mailto:tippecanoeopenshow1980@gmail.com) with any questions.

Thank you in advance for your support and willingness to volunteer. We look forward to seeing you at the Home & Family Arts Open Show!
