Bonus Bits from Brian

The 4-H Fair is approaching fast! Please look through this newsletter VERY CAREFULLY. There is A LOT of important information that you will need as you prepare for the fair and exhibiting your projects. It is **your responsibility** to be aware of the information in this newsletter and how it applies to your family.

Please save this newsletter, highlight it, mark on it, copy it, post it on your refrigerator, keep a copy in the vehicle, slip it into record sheet folders, and save the link to your phone.

If you have questions please contact your club leader, project superintendent, or the Purdue Extension Office at the number above. When I was in college and was involved in the National Jr. Angus Association some of the best friends I made were from North West Arkansas and Belle Point Ranch. This text is from their ranch ad in the 2007 National Junior Angus Show program. This message can be applied to both kids and parents who might be involved in any 4-H event. Let's have a fun, safe, meaningful, and transformative 4-H Fair!

“And if all you really do is the best you can...”

“Something To Be Proud Of,” written by Jeffrey Steele and Chris Wallin, recorded by Montgomery Gentry

You learn pretty fast at these things that not everybody is going to win, even some who deserve it most. But what often escapes all of us in the 100 degree heat, under the stress of a jam-packed schedule and the pressures presented by the unexpected, is that there can be glory in the details of everyday. That there's victory in accepting a challenge when you may not even have a chance. And that lasting achievement will find you when you learn to focus on the things you did right... when how you have improved matters more than how you placed. If you can start the day and end it believing, rather than worrying or wishing for what you want. If you can show up and do your part without squabbling or whining or skipping out before the job is done. If you can forget yourself for just a moment and realize that everyone has a right to their ideas and their space. If you can put the best of you- tired body, jumbled mind, and spent spirit- into every task that comes your way. If you can put aside past experiences and “old business” and open your mind to the flip side of the pancake. If you can be cheerful in the face of disappointment, hopeful for your next attempt and thankful for both. If you can accept another's differences with a smile because you know you can be pretty weird yourself. If you can find a way to say “Good Luck,” or “Congratulations,” to a longtime rival... and truly mean it. If you can slow down to help a stranger without being asked, or needing to be thanked. If you can spare feelings by keeping what you think, or what you've heard, to yourself. If you can learn one new thing, give one more try, and invite one extra person to be part of your group. If you can walk out with your head held high, satisfied that you've done what you've said you'd do. If you can grow up just a little, no matter your age, because of this day and how you've lived it...

That's the

Triumph

and it's something to be proud of.

4-H Project Pre-Entry- Please do by

Thursday, June 30! Building and Livestock

All 4-H projects that you plan to bring to the 4-H Fair need to be pre-entered by Thursday, June 30. This includes building and livestock projects.

Go to <https://fairentry.com/Fair/SignIn/16489>

Detailed instructions are available on our county website at

<https://extension.purdue.edu/county/tipton/tipton-county-4-h.html>

under "Important Information" or on the next page of this newsletter.

Although it looks a little overwhelming at first sight, it is a relatively simple process. Follow the instructions very carefully, especially the one about not hitting submit until you have all of the youth in your household entered. By completing the pre-enrollment steps you will help the check-in and judging of your projects go so much smoother and less stressful for you, check-in volunteers, judging helpers, judges, and the Extension Office staff. Please pre-enroll your building projects by 11:59 pm on Thursday, June 30. If you do not pre-enroll before check-in you will have to do so once you come to check-in. Projects MUST be entered this year; it will be easier and cause less headaches to do so beforehand.

*****Livestock Exhibitors***** You will be required to enter your animals through FairEntry. You must have first entered your animals in 4-H Online by May 16. You will be asked several important questions- please answer them honestly. The superintendents will use this information to plan stall assignments and work on setting up classes prior to the fair.

Mini 4-H Poultry Show- Saturday, July 16, 2:00 pm

Swine ID

Make sure the ear notches of your pigs match what was entered in 4-H Online. You can log into your 4-H Online profile at any time to check what you entered. If you plan to enter or exhibit at the Indiana State Fair, you **must** have your 840 RFID tags applied in the ears BEFORE coming to the fair- Tipton county volunteers will NOT apply tags into State Fair entered animals. Make sure the tag and ear notches match with your ISF entries.

LIVESTOCK RECORD SHEETS

All 4-H members in livestock projects are required to complete activities in their 4-H project manual. A completed record sheet, signed by your 4-H club leader, is due and to be turned in at pen set-up on Saturday, July 9th at 9:00 a.m. Those in 4-H Clubs that complete some activities during club meetings are responsible for completing enough activities on their own to meet the requirements. Project Manuals are available in the Purdue Extension Office. DO NOT wait until July 9th to pick up a record sheet.

Senior Showmanship Contest

Moving forward, there will not be a separate Senior Showmanship contest to determine Supreme Showmanship contestants; senior showmanship will take place during each species regular show. The Supreme Showmanship contest will take place on Saturday, July 16 at 7:00 pm.

Small Animal Supreme Showmanship

This year we are adding a Small Animal Supreme Showmanship event to the fair. Senior Showmanship winners in Dog, Cat, Rabbit, Poultry, and the Champion Level 3 Pocket Pet exhibitors will have a chance to show their skills. (The Pocket Pet portion will be a written test.) This event will take place on Sunday, July 17 at 1:00 pm.

Registration Papers

Livestock superintendents are encouraged to check papers on all registered animals. Please make sure you have current, accurate papers that are in the name of the 4-H member, family name, or a family farm or partnership (Joe Smith, John Smith and Children, Joe and Jane Smith, Smith Family Farm).

Enter Livestock in FairEntry by June 30

Exhibitors need to enter their animals and request pens/stalls in FairEntry by June 30. See pages 4 and 5 of this newsletter for more information.

Livestock Premium Auction Announcement

The Auction Committee has made the decision to continue to allow Auction animals to remain in the possession and ownership of the 4-Her if that is the preference of the 4-Her. Even if the animal declared in the auction is not harvested right away, this animal will be marked as ineligible for exhibition at the Indiana State Fair 4-H Show. An Out-Truck option will be available for swine and goats/sheep during the fair with a sign-up sheet to indicate that decision. Beef exhibitors should be in communication with Greg Sottong as soon as possible if they want to sell their animals for market price versus keeping them. As a reminder, any animal signed up for the auction will be ineligible for state fair. Dates and times for market livestock "out trucks" have not yet been determined. With the exception of non-sale swine (which will be released on Wednesday night) and cow-calf pairs (in and out on the day of the show), no non-sale animals will be released until the conclusion of Supreme Showmanship on Saturday evening without the formal approval of a written request submitted to 4-H Council prior to the 4-H Fair.

Livestock Release

Non-Sale Swine- Wednesday evening following the selection of Grand and Reserve Grand Gilt and Barrow. More details will be shared closer to the 4-H Fair.

All other Non-Sale Animals- at the conclusion of the Supreme Showmanship contest on Saturday, July 16. With the exception of non-sale swine and out truck animals, all livestock must stay on the grounds until Saturday evening unless an early release request letter is approved by the 4-H Council PRIOR to Friday, July 8.

NEW for 2022 – 4-H Animal Affidavit & Animal Husbandry Form

4-H Exhibitors in the Beef, Dairy, Swine, Sheep, Dairy Goat, Boer Goat, and Meat Goat Departments are required to complete the new 4-H Animal Affidavit & Animal Husbandry Form. Have this notarized BEFORE arriving at the State Fair.

HELPFUL TIPS:

- The Animal Husbandry Form must be maintained from the 4-H Animal Ownership Deadline (May 16, 2022) through check in at the Indiana State Fair.
- One form is required for each State Fair Animal.
- All medications, vaccinations, injections, medical treatments, and any foreign substances administered in any form or manner must be documented.
- Disclosing drugs and/or alterations on the Animal Affidavit and Animal Husbandry Form does not affect the imposition of penalties should there be a violation of the Code of Ethics or drug testing /examination principles outlined in the Entry Book. Attaching accompanying veterinary documentation to support any Animal Affidavit claims is recommended.

Indiana State Fair 4-H Approved Animal Grooming Assistance

If you plan to exhibit any livestock species at the Indiana State Fair and will need assistance from someone not in your family, or if you plan to assist anyone not in your family at the State Fair, please complete the State 4-H Approved Animal Grooming Assistance program by July 20. This program will allow you to assist a 4-H member from any county, with any species they are exhibiting. The following statement describes the purpose of the program:

It is the intent that the 4-H member take responsibility for caring for and grooming his/her own animals. However, it is recognized that all youth need assistance. The purpose of this program is to provide an avenue for equal access to qualified animal grooming assistance. Those enrolled in this program should not see this as a way to do the work for the 4-H member, but should provide hands-on learning opportunities that further the skills and abilities of the 4-H member.

Indiana State Fair Livestock Entries

The Indiana State Fair continues to use the **Exhibitor Corner** system for entries. The Purdue Extension- Tipton County Office has no access to this system, so if you have any questions please contact the Indiana State Fair Entry Department at entry@indianastatefair.com or call (317) 927-7515.

For beef, sheep, goats, and swine to be eligible for exhibition at the Indiana State Fair, you must have submitted a DNA hair sample by May 16 and checked in 4-H Online that you were interested in exhibiting that animal at the State Fair. Marking this DOES NOT automatically enter you for the State Fair, you must go through the Exhibitor Corner. Entries are now open; entry fees will increase the closer we get to the dates of the shows.

Need to cool off after the fair?!

There will be a pool and pizza party for 4-H members at the Tipton City Pool on Sunday, July 17 from 7-9 pm, weather permitting. All 4-H families are invited to cool off and relax after the fair after coming to clean up the fairgrounds at 3:30 and 5 pm on Sunday afternoon!

Congratulations to Youth Who Participated in Summer Workshops

After not being able to have in-person workshops for two years, the Indiana 4-H program was able to resume trips and workshops this summer. Several Tipton County youth took advantage of the opportunities made possible through Purdue University, the West Central 4-H Camp Association, and sponsored by the Tipton County 4-H Council.

4-H Academy @ Purdue- Conner Calloway (Animal Bio-Science); Kaitlyn Maruszewski (Plant Science); Owen Shuck (The Science of Flight); Lillian Stewart (Food Animal Science)

These 4-H members attended intensive subject based labs and sessions. Owen flew an airplane; Lilly dissected a lab animal; Conner extracted RNA; Kaitlyn learned a lot about agronomy. They all explored potential careers and experience life in a university lab and classroom!

4-H Camp at Shakamak State Park- Cameron Harns, Josie Hiatt, Jesse McKenzie, Clare Meyncke, Conor Meyncke, Brayden Rutledge, Ada Schulenberg, Shaelyn Simpson, Makenna Tolle, chaperone KC Hiatt

These 4-Hers and chaperone experienced the hot temperatures we had in mid-June but cooled off in the pool, boated, learned how to make fire, played several types of recreation, and met campers from three other counties.

4-H Round Up at Purdue- AAdyn Carter and Henry Longfellow

These boys heard dynamic speakers, listened to the 4-H Band and Chorus, and explored careers in Purdue University classrooms and labs.

4-H Band- Lydia Clouser

Lydia met with other 4-H Band members from across the state and learned an entire concert in three days.

The 4-H Band performs at Purdue Round Up.

Watch the newsletter this winter and next spring for details about these trips, and many other opportunities available to 4-H members.

Youth Talent Show

The Tipton County Youth Talent Contest will be Wednesday, July 13 at 8:00 pm. Interested youth need to fill out an entry form and return it to the Purdue Extension Office by Monday, July 11 at 4 pm. Because of State Fair deadlines, NO LATE FORMS WILL BE ACCEPTED!!! Rules and entry forms can found at the Purdue Extension Office. For more information contact Amanda Parton at 765-438-0848.

2022 Achievement and Celebration Night
