## ARTS

## AND

## CRAFTS

## THE EXHIBIT

Exhibit one craft item in its finished form that you have made.

Arts & Crafts can be very fun and rewarding and should be an activity you can work on and enjoy. Crafts are anything you make yourself for decorations, gifts or just plain fun.

This project should be something you like to do and you can use your imagination in creating your exhibit. Here are a few common types of crafts, but don't let this list limit your creativity!

Rughooking

Tie-Dying

Macrame

Drawing

Embroidery

Woodcraft

Ceramics

Painting
