If you cannot attend the Tagging Day, please reach out to the superintendent to make other arrangements so that the tag is in the animal's ear by the deadline listed above. We are required to send premise ID information to the Indiana Board of Animal Health. If you do not have a premise ID, see the next page for instructions to obtain one. County tags are recommended for market goat does to help with identification but is not required. **Please let your superintendent know if you plan to attend tagging day so we can prepare accordingly.**
