Dear 4-H Rabbit Exhibitor:

As you prepare your rabbit project, please read over this letter carefully to ensure that you're meeting all the requirements for the project. Also, be sure to read the Livestock section of the handbook for all terms and conditions. As always, if you have any questions, don't hesitate to contact superintendent, Lisa McEuen at 812-484-8516, or the Purdue Extension Office at (812) 867-4935.

Animal Identification:

New for 2026 – Rabbits will be identified in 4-H Online (not a paper copy). Enclosed you will find the animal ID instructions to identify your animals in 4-HOnline. Ensure that your animals have met the animal ID requirements listed below.

Rabbits	Permanent Left Ear Tattoo
---------	---------------------------

Animals not enrolled by May 15 cannot be exhibited at the county or state fair.

Tattooing:

The goal is to have the animal ID tattoo in the rabbit's ear by May 15; however, we understand that is not always possible due to the animal's age. A rabbit tattooing date will be scheduled for this summer if you need help with tattooing. If the animal is not able to be tattooed by May 15, please list the tattoo number you plan to use and include the specific breed color on the animal ID form. If you have questions about tattooing, please reach out to the superintendent or Assistant Superintendent, Cassy Gobin at 812-306-8137.

Lease Agreements:

If you are leasing your animal, 4-H members are required to submit a copy of their Animal Lease Agreement to the Purdue Extension Office by **May 15**. A sample lease agreement is available online <https://tinyurl.com/leaseagreementanimal> OR at the Purdue Extension Office.

Indiana 4-H Quality Livestock Care Training:

To exhibit beef cattle, dairy cattle, dairy goats, meat goats, poultry, pygmy goats, rabbits, sheep, and swine, 4-H members must be certified through the Indiana 4-H Quality Livestock Care training OR the online Youth for the Quality Care of Animals program (YQCA) by **July 1**. You can find details on trainings on the enclosed flyer.

State Fair Information:

Information about State Fair entries and the electronic entry forms can be found online at <http://www.indianastatefair.com/state-fair/competitionscontests/4-h-competitions/>. Be sure to carefully read the State Fair requirements to ensure that your animal meets the requirements and you understand the fee schedules.

Check out the back of this letter for an upcoming Rabbit Workshop. If you know of someone who is taking Rabbits for the first year, please let us know so we can send them this information.

Sincerely,

Megan Hoffherr

Family Enrollment of Animals

Animals are automatically co-enrolled within the same family (Siblings and step-siblings). The animals may be identified under a single 4-H member in 4-H Online and be exhibited by a different sibling listed in the same family profile. **With this capability in 4-H Online, animals do not need to be entered under each 4-H member in the family.** The exhibit management program will allow a member to select to exhibit any animal identified by the family in 4-H Online. It is suggested that at least 1 animal be identified by each member enrolled in the project.
