4-H ONLINE ENROLLMENT: BICYCLE  
FAIR ENTRY: EXHIBIT HALL>BICYCLE POSTER

---

## *DESCRIPTION:*

The 4-H bicycle project teaches safe riding habits.

## *STATE FAIR ENTRIES:*

No state fair entries.

## *EXHIBIT GUIDELINES:*

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.
