Wabash County Fairgrounds Severe Weather Information

In the event of severe weather during 4-H events on the Wabash County Fairgrounds Property, Wabash County Fair Association in cooperation with Wabash County 4-H Council, Purdue Extension Wabash County, and Wabash County Emergency Personnel may opt to evacuate the fairgrounds.

Fair attendees will be advised to seek shelter at a safe location off of the Wabash County Fairgrounds property.

In order to keep 4-H families and fair attendees as safe as possible, please do not leave children/4-H members unattended at the fairgrounds. If you must leave children/4-H members on the fairground's property, please identify a responsible adult to care for them in your absence.

The Wabash County Fair Association, 4-H Council, and Purdue Extension are not responsible for persons or property on the Wabash County Fairgrounds.

4-H Clubs/Meetings Weather Cancellation Policy

IT IS THE POLICY OF THE PURDUE EXTENSION WABASH COUNTY OFFICE THAT IF ANY SCHOOLS IN THE COUNTY ARE CLOSED AND/OR EVENING EVENTS ARE CANCELLED DUE TO WEATHER, EXTENSION AND 4-H MEETINGS SCHEDULED FOR THAT DAY/EVENING ARE CANCELLED AS WELL.

Indiana 4-H Program: Statement of Policy: The Indiana 4-H program serves the youth of Indiana by providing a strong educational youth development program. This program delivers educational experiences in a variety of settings. Caring, capable and contributing adults assist in the 4-H program as models for youth. The rich heritage of the 4-H Program is one to be valued and passed along to future generations. County 4-H policy is guided by the county 4-H policy making or governing board (i.e., 4-H Council) as provided by the County Extension Board. Legal authority for the 4-H Program rests with the Director of the Cooperative Extension Service at Purdue University. No county 4-H policy may conflict with state 4-H policy or with federal guidelines and requirements. It is the policy of 4-H to be an inclusive organization. No county policy or practice should be used to arbitrarily exclude youth from either membership or participation. Youth should participate in 4-H Youth Development opportunities at levels and times that best suit the youth's development and support family involvement.

4-H Mission: The Indiana 4-H Youth Development mission is to provide real-life educational opportunities that develop young people who positively impact their community and world.

4-H Symbols:

4-H Emblem: A green four-leaf clover with a white "H" on each clover leaf. The four H's stand for Head, Heart, Hands, and Health.

4-H Colors: Green & white are the 4-H colors. Green in the 4-H clover represents life, springtime, and youth. White represents purity.

4-H Slogan: The slogan "Learn by Doing" is a constant incentive to motivate 4-H'ers to strive toward acquiring new skills and knowledge. The results can mean a very productive and interesting life.

4-H Motto: "To Make the Best Better" The motto gives motivation not to be content with the present but always strive to make things better.

4-H Program Year: The Indiana 4-H Youth Development program year is October 1 to September 30 annually attained by completing individual 4-H enrollment at in.4honline.com between October 1 and January 15.

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity & access to its educational programs, services, activities, & facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. Purdue University is an Affirmative Action institution. This material may be available in alternative formats.

GENERAL 4-H INFORMATION

Membership

Youth may become 4-H members when they enter the third grade and may continue their membership through the completion of grade 12. Each individual may continue membership for a maximum of ten (10) consecutive years. NOTE: 10 years of membership in the 4-H Youth Development is an opportunity; not an entitlement. Exceptions:

- (1) Youth who enroll in grade 3 and graduate early may continue for a total of 10 years ONLY if enrollment occurs in consecutive years.
- (2) Those youth who are academically advanced and "skip" 3rd grade, may begin the program as a 4th grader and may continue for a total of 10 years ONLY if the enrollment occurs in consecutive years.
- (3) Those youth who enroll in grade three and are retained a grade in public school may continue to progress through the 4-H Program by adding subsequent years of participation, but MAY NOT exceed 10 years of participation. For example, if a member is retained one year in public school, their final year of 4-H membership would conclude the summer following their junior year of high school.
- (4) Those youth who entered the program in 3rd grade and for one reason or another leave formal education prior to the completion of 12th grade may continue for a total of 10 years ONLY if the enrollment occurs in consecutive years.

Those youth who do not enroll as 3rd grade students or meet the exceptions above, conclude their involvement with the program during the summer immediately following the completion of their senior year in high school. An individual's 4-H grade is determined by the school grade in which he or she is classified regardless of the time of year he or she enrolls in 4-H. A member does not advance in 4-H grade until he or she enrolls in 4-H for the subsequent school year. Each member should enroll in the division of a project that would best suit his/her interest and potential for personal growth and would enhance their family involvement.

Opportunities in the 4-H program are available to all Indiana youth as defined regardless of race, religion, color, sex, national origin, marital status, parental status, sexual orientation or disability. Married young men and women of 4-H age may participate in any of the 4-H projects and activities. However, married persons must participate by the same terms and conditions and/or guidelines as unmarried participants. Membership in 4-H is gained by annually enrolling through a Purdue University Cooperative Extension Service Office located in each of Indiana's 92 counties.

Residence

Indiana youth typically enroll in 4-H Youth Development programs in the county or state in which they reside. However, individuals living in one county **may** join 4-H in another county. There may be educational or social reasons for an individual joining 4-H in a different county than that of their primary residence. During a single calendar year, a 4-H member enrolled in a given project is expected to enroll & exhibit that project only in one county of enrollment. In the event that a project is not offered in the county of primary 4-H enrollment, a 4-H member may enroll in that specific project in a different county. Approval of this special exception rests with the 4-H Extension Educator. Participation in 4-H related activities/events (i.e., judging, share-the-fun, auction) must be in the county of primary 4-H enrollment. The above policy is not intended to provide an escape mechanism for 4-H members/families who are unwilling to follow the terms and/or conditions in their current county of 4-H membership. Decisions regarding 4-H membership in a non-resident county (a county you do not live in), rest with the 4-H Extension Educator in the receiving county.

Behavioral Criteria

To 4-H members, volunteers, parents & the public: When attending, participating or acting on behalf of the 4-H program, all persons are expected to conduct themselves in accordance with accepted standards of social behavior, to respect rights of others, and to refrain from any conduct which may be injurious to the 4-H program. The following actions constitute misconduct for which persons may be subject to disciplinary penalties and/or dismissal from the program:

- (a) Dishonesty in connection with any 4-H activity by cheating or knowingly furnishing false information.
- (b) Alteration or unauthorized use of 4-H records.
- (c) Obstruction or disruption of any 4-H activity or aiding and encouraging other persons to engage in such conduct.
- (d) Failure to comply or aiding/encouraging other persons not to comply with specific terms and conditions of a given project, contest, or activity.
- (e) Failure to comply with directions of 4-H officials acting in the proper performance of their duties.
- (f) Inhumane treatment of 4-H animal projects.

Exhibition

Exhibition of 4-H projects in local, county, or state exhibits/fairs is voluntary on the part of the exhibitor. The exhibition of 4-H projects provides 4-H members an opportunity to display their 4-H projects, enter into competition and participate in an educational/social environment with peers. With exhibition also comes the responsibility for abiding by all the terms and conditions pertaining to the respective 4-H project.

Completion

The completion of a 4-H experience may include a variety of options and must not be misinterpreted solely as exhibition of a project at the county or state fair. There are a number of ways a young person may participate in the 4-H Youth Development Program in addition to 4-H clubs. Participating in these 4-H opportunities enable youth to build skills that will serve them well throughout their adult lives. Some of these options' don't include preparation of a specific exhibit for display at fair. In some cases, the youths' actual participation may be the final product resulting in completion of a year of 4-H. Some examples of this participation include 4-H Robotics Club; Spark Clubs; State 4-H Band or Chorus; science training/experiment participation; afterschool 4-H experiences; etc. 4-H members are considered complete in their 4-H educational experience for the year when they have (1) completed the 4-H member enrollment process by January 15; and (2) had an officially recognized 4-H volunteer or Extension Educator verify the existence of the completed project/subject or the member's participation in a 4-H educational experience. Additionally, 4-H members who participate in a club or fair-based 4-H project/subject will submit a completed 4-H record sheet based on printed or web-based educational materials (used by Indiana 4-H Youth Development) prior to the established and published date. Though exhibiting in county and state fairs is not required for project completion, as it does not necessarily relate directly to content and skills learned in the development of the 4-H project, project exhibition is encouraged as a continuation of the educational experience. Extension employees/volunteers are obligated to eliminate (and should not create) any practices that limit, deprive, or tend to deprive any youth of opportunities for membership and/or participation in the Indiana 4-H program.

Project Record Sheets and Manuals

Most projects have a record sheet which the 4-Her uses to record the project expenses, income, work completed and progress made in project development. Most record sheets are simple, while others require the help of parents or club leader. Project record sheets may be found in the project manual or on a separate piece of paperwork. Keeping up-to-date records is important to tell your project story. A 4-H project manual contains help, information, activities and directions needed to complete the project. Some projects have a manual for each division of the project. Others have one manual that the member uses through his/her 4-H career.

WABASH COUNTY 4-H PROGRAM RULES AND POLICIES

General Wabash County 4-H Rules and Policies

1. Wabash County 4-H Policy is determined by the Wabash County 4-H Council Inc.
2. Each 4-H member will pay a \$15 state program fee and a \$15 county program (maximum of \$90 per family) yearly at enrollment time.
3. All members are encouraged to attend 50% of the meetings for each club to which they belong.
4. 4-H members should give an educational demonstration yearly to display knowledge, practice communication skills, develop self-esteem, etc.
5. A 4-H member must do his or her own project with only teaching assistance from parents and/or others.
6. To exhibit a 4-H project, a 4-H member will:
 - (A) Complete official 4-H club member enrollment at v2.4honline.com from **October 1 - January 15**.
 - (B) ALL 4-H'ers showing/exhibiting at the Wabash 4-H Fair must register EACH project at wabashcounty.fairentry.com by **Friday, June 23**.
 - (C) NON-LIVESTOCK – Turn in a completed 4-H project record sheet/manual at project check-in at pre-fair judging on **Tuesday, July 11**.
If you fail to turn in a record sheet/manual at check-in, your project will NOT be judged.
 - (D) LIVESTOCK – May 15 Deadline: Submit Animal Location Forms for any livestock not housed at 4-H member's primary address.
 - **June 23 Deadline:** Submit 4-H livestock worksheet to the Extension Office.
 - **June 23 Deadline:** Complete YQCA (Youth for the Quality Care of Animals) Certification Program.
7. To complete but not compete in a given 4-H project – A 4-H member will do one of the following.
 - (A) 4-H members unable to complete, compete or exhibit his/her own project must log into in.4honline.com and drop the project by **May 15**
 - (B) 4-H members who did not drop a project by **May 15** and do not intend to compete/exhibit at the fair may still complete by submitting necessary worksheets, record sheets, and/or project manuals by the specified date for that project.
 - (C) In an emergency (i.e., bodily injury, loss in the family) occurring after **May 15**, a 4-Her must submit a written request to the 4-H Educator if he/she is unable to be present at fair & would like another 4-Her to show his/her animal. The 4-H Council will vote on the request prior to the Wabash County 4-H Fair.
8. A 4-H member will receive one completion pin per year to be given on basis of years of 4-H work completed.

Wabash County 4-H Fair Rules

1. The 4-H Council will use every precaution to prevent accident or loss of property but will not be otherwise held responsible.
2. The 4-H Council reserves the right to make further rules and regulations concerning display of exhibits on the fairgrounds should occasion occur.
3. While on the fairgrounds, the superintendent &/or committee members and/or 4-H Council, and/or **4-H Extension Educator** reserve the right to interpret and enforce any rules violation and determine penalties for any rules infraction, in accordance with the Wabash County Rules and Policy Enforcement Section below.
4. No unauthorized person's will be allowed on the fairgrounds from 11:00 p.m. - 5 a.m. Sheriff department will enforce!

New 2023 Auction Rules

As a **4-H member (livestock or non-livestock)**, you have **the ability** to participate in the 4-H Auction. These will be determined by you in Fair Entry. Auction opportunities CANNOT be changed or adjusted after the Fair Entry deadline of June 23rd.

Option 1: LIVE AUCTION (**Livestock exhibitors only**)

Choosing Live Auction will hold a position for ONE animal (One Lot) in the Live Auction being held at 1:00 pm on Friday, July 21st.

In order to participate in the Live Auction, your ONE animal (one lot) MUST be declared within 1 HOUR following the conclusion of your species Show on the form located at the Barn Office. *Neglecting to declare your animal at the fair (see Wabash County General Livestock Requirements) will result in losing your spot in the live auction and you will not be able to be added to the online auction.*

Option 2: ONLINE AUCTION (**Livestock or non-livestock**)

By choosing the online auction the 4-Her will have a lot online. The 4-Her will provide the information via 4-H online. The 4-Her will not be selling any animals or projects.

If Auction checks are lost or not cashed within three months following receipt of the check, there will be a fee to cancel and rewrite the check.

Declaration Options:

At the conclusion of your species show, you will have three options available to declare where your animal goes following the fair. When declaring, if your animal is not a meat market appropriate type, such as a Lightweight or older Dairy female, please make a notation on the declaration paper located at the Barn Office. **Declarations must be made** within 1 hour following the conclusion of your species show. **Neglecting to declare your animal means the animal must go home. If the 4-Her chose to participate in the live auction they lose their auction lot.**

Option 1: To Take Your Animal HOME

Option 2: Market TRUCK (Available for Beef, Goats, Sheep, and/or Swine) You will receive market weight price for that animal.

Option 3: LIVE AUCTION (One Animal)

Notes:

- You may participate with ONE Animal in the Live Auction and also send other animal/s home and/or to the Market Truck.
- Swine weighing less than 209 pounds can NOT go through the Auction nor on the Market Truck and must go home.

Wabash County 4-H Rules and Policy Enforcement

1. The Wabash County 4-H Handbook exists to create an informed, organized, and fair 4-H program in Wabash County. If, in the opinion of the Wabash County 4-H Council, evidence of alteration and/or excessive outside help and/or unethical preparation and/or misconduct is noted the following penalties may be invoked:
 - a. The exhibit and/or 4-H'er may be disqualified.
 - b. All premiums and/or awards forfeited.
 - c. The 4-H'er may be subject to up to a three-year ban from participation in that project and/or other related 4-H projects, events, and/or activities
 - d. The person(s) involved are subject to removal from the grounds.
 - e. Enforcement of the above consequences does not waive the 4-H Council's right to enforce further consequences collectively at a future date.
2. When infractions in regulations and/or policies take place in animal projects, special penalties will be enacted. In addition to above stated penalties, animals unethically fitted or altered for entry, show, or sale at 4-H auctions are subject to the following penalties.
 - a. All premium money paid to the 4-H'er, above market price for the animal, will be forfeited by the 4-H'er and returned to the auction buyer of said animal.
 - b. The animal sale price provided the 4-H'er will be determined by the packer after notice of alterations are made known to the packer.
 - c. 4-H'ers deemed in violation of rule regarding properly bedding animals or cleaning out stalls as determined by the Wabash County 4-H Council or Project Superintendent will be assessed a \$50 fee per pen. If fee is not paid in full to the Extension Office by August 1 of the current year, the fee will be \$100 per pen to be paid by September 1 of the current year. If the fee is not paid by September 1 of current year, then the 4-H'er will not be allowed to exhibit any projects the following year. If the 4-H'er has any item going through auction, the fee will be taken out of the auction check.
3. Any 4-H situation not covered by these policies shall be handled by the Wabash County 4-H Council as appropriate.
4. The penalized 4-H family who disagrees with penalties must file a grievance with grievance committee within 24 hours of said violation.

Grievance/Appeal Guidelines for County 4-H Program Issues: (Activities, Programs, and Projects)

The Extension Educator has the obligation to inform all parties of the grievance procedure if there are disagreements with policies.

1. Disagreements concerning a specific project or policy should first be discussed with the superintendent/project leader. If the issue is unresolved, continue to the next step.
2. A \$100 grievance may be lodged with the president of the 4-H Council or the 4-H Extension Educator. The burden of proof shall reside with the party filing the grievance (Note: concerns regarding staff or volunteers are not issues for which a grievance may be filed. 4-H Volunteers are assigned by the 4-H Extension Educator. Concerns regarding volunteers or other individuals should be addressed directly with the 4-H Extension Educator.)
3. The person filing a grievance must complete the Grievance/Appeal Form.
4. A grievance shall be filed within 24 hours of the incident. The 24-hour guideline pertains to fair related issues where timing is an issue. In all other grievances. There will be a 14-day limit in which the grievance must be filed.
5. A grievance will be reviewed by the Policy and Procedure Committee, a committee of the Wabash County 4-H Council. The committee will review the grievance, conduct the initial investigation, and render a decision. The committee will be called together to act within 24 hours of a grievance pertaining to fair related issues or within a reasonable time frame for programmatic related grievances.
6. The person filing the grievance may appeal the decision to 4-H Council, which will review the facts in evidence and render a decision.
7. The person filing a grievance may appeal a decision to the [Indiana 4-H state office](#). The Extension Board will review the facts in evidence and render a decision. This is the final level in the appeal process.

In the event that a ruling of the grievance committee finds a 4-H member in violation of Wabash County 4-H Policy, the Wabash County 4-H Council reserves the right to invoke penalties as outlined in the Wabash County 4-H Rules and Policy Enforcement section below.

General 4-H Rules for Non-livestock Projects

1. Turn in a completed 4-H project record sheet/manual at project check-in at pre-fair judging on **Tuesday, July 11, 2022**. If you fail to turn in a record sheet/manual at check-in, your project will NOT be judged.
2. Exhibits must comply with project requirements as listed in 4-H Record Manuals and/or this 4-H Handbook. Questions regarding projects should be directed to the project leader and/or Extension Office.
3. RIBBONS-Non-Livestock 4-H exhibits will be judged in blue, red or white ribbon groups.
4. Any 4-H member who exhibits the wrong exhibit, has a project exhibited incorrectly, or checks in late or at the wrong judging time will be docked one placing, ex: blue star to blue, blue to red, etc.
5. An article may be entered in only one project.
6. Any article that has been exhibited at a previous Wabash County Fair is ineligible to compete again, unless otherwise stated.
7. See the Judging Schedule on page 4 for specific judging times and places.
8. Exhibits in the Bob Elrod Building will be released to 4-H members, parents, or 4-H Leader with prior permission. **The only release times will be Friday, July 21 from 5:00-7:00 pm.** Please be sure to pick up ALL projects during this time from the Farm Bureau Building.
9. The Extension Office, 4-H Council, & Fair Board will NOT be responsible for articles or exhibits left at the 4-H Fair.
10. Exhibits with reference to alcohol, profanity, tobacco, drugs, &/or nudity will not be displayed & are not eligible for state fair or county champion.
11. Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Notebook/Poster/Educational Display Requirements

1. All posters must be made horizontal on 22" x 28" poster board &/or foam core board (Diagram). It may be of any color. (Drawing not to scale)
2. All posters must be stiff-backed. To make a poster stiff-backed, glue your poster board onto cardboard, lightweight wood or foam-core board. You may put your project directly onto the Foam-Core if you wish. Foam core board is available for purchase at the Extension Office.
3. All posters must be covered with clear plastic. Purchase plastic at department, hardware, or fabric/craft stores OR the Extension Office.
4. Posters must leave a space 3 inches wide and 5.5 inches tall for a project label in the lower right-hand corner to be placed on top of plastic. Labels are furnished and will be distributed at judging.

All posters, notebooks, & display boards MUST include a reference list indicating where information was obtained, giving credit to the original author. This reference list should include web site links, people & professionals interviewed, books, magazines, etc. It is recommended that the reference list be attached to the back of a poster or display board, be the last page of a notebook, or be included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

AEROSPACE (MODEL ROCKETS)

Division and Record Book	Record Sheet

The 4-H aerospace program provides youth with educational information and experiences about aerodynamics, flight and rocketry.

State Fair Entries: 3 rockets, drones, remote control aircraft, posters, notebooks or display boards per county; one per level.

Exhibit Guidelines: "Ready to Fly" and E2X rockets are not permitted. Rockets may be exhibited with a base, but launch pads are not permitted. All rockets must weigh less than 3.3 pounds and considered an amateur rocket according to FAA regulations. Remote control aircraft or drones may be constructed from a kit or purchased ready-to-fly. The power source (rocket engine, battery pack, etc.) is to be removed before being placed in public exhibition. Rockets will not be launched and remote-control aircraft or drones will not be flown at state fair. Launching rockets and flying aircraft or drones at the county level is optional based on adult supervision experience.

Exhibit Class Guidelines:

Beginner (Grades 3-5): Construct a rocket of your choice designed for a new model rocket enthusiast with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine D or above are not permitted in this level. Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.

Intermediate (Grades 6-8): Construct a rocket of your choice designed for a model rocket enthusiast with some experience and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine E or above are not permitted in this level. Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.

Advanced (Grades 9-12): Construct a rocket of your choice designed for an experienced model rocket enthusiast and with a difficulty level that is appropriate for the suggested grade level, or a poster or display board on any topic in the manual. Similar topics not included in the manual are permissible. Rockets cannot be ready-to-fly (RTF) or have plastic fins. Cluster engine rockets and rockets that take an engine G or above are not permitted in this level. Remote control aircraft or drone of your choice that is age/grade appropriate and compliant with FAA regulations, federal and state laws, and local ordinances. This exhibit choice is to include a notebook or poster including how the aircraft/drone was used and aerospace skills learned. Displaying the aircraft or drone is optional.

Youth can learn about livestock and companion animals through a variety of experiences.

State Fair Entries: 3 Dog entries per county; one per level, 3 Poultry entries per county; one per level, & 3 Rabbit entries per county; one per level.

Exhibit Guidelines: Owning or showing an animal is not required. Members enrolled in any 4-H animal or livestock project can exhibit in this project and are to contact their county 4-H educator to learn if they are to also be enrolled in animal education.

Exhibit Class Guidelines:

Beginner (Grades 3-5): Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

Intermediate (Grades 6-8): Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

Advanced (Grades 9-12): Create an educational poster, notebook or display about any manual activity or on any specie related topic of choice that is age/grade appropriate. Check with the Purdue Extension office in your county to determine if enrollment is required in the species project you want to learn about. Owning or possessing an animal is not required.

AQUATIC SCIENCE County Only Project

Project Leader: Brad Rody 765-716-0081

Division and Project Manual – Aquatic Science BREEDING or TANK DIVISION – Select one skill and age-appropriate option under your division that interests you.	Record Sheet Complete yearly.
<ul style="list-style-type: none"> • You may exhibit in the breeding divisions OR tank divisions. • Fish must have been cared for at least 4 weeks by the 4-Her. 	<ul style="list-style-type: none"> • 4-Hrs may exhibit live fish OR a poster related to the aquatic science manual. • If exhibiting poster, see requirements on page 8.

BREEDING DIVISIONS GUIDELINES: All fish exhibited in classes other than tank classes are to be displayed in a bowl with at least one flat side with no colored rock, marbles or plants. Extra objects distort the fish, making judging more difficult.

In the breeding classes, the 4-H member must check out their fish immediately after judging, or they will be required to stay the entire fair.

DIVISION 1B - Exhibit a specimen or pair of fish. If using livebearers, 3 fish (2 females & 1 male) are needed (all fish must be the same type and variety of fish which means that if one is a sunshine platy, then the other fish must also be sunshine platy).

DIVISION 2B - Exhibit a pair of fish which are not livebearers.

DIVISION 3B - Exhibit a pair of livebearers with at least two offspring. Breeding grass is permissible in order to protect offspring.

DIVISION 4B - Exhibit Salt water coral propagation – try to show before and after propagation by using a drawing or picture.

TANK DIVISIONS GUIDELINES: 4-Hers in tank divisions must leave their aquarium & fish for display the entire fair unless otherwise approved by project leader. All tank divisions will use a rectangle tank except Division 3 (odd tank setup). For each division, 4-Her will design the described tank.

DIVISION 1: TANK BEAUTIFUL – Beautiful by your own standards. Three-dimensional flat backgrounds accepted. Exhibit appropriate number of fish for tank size. Keep in mind the type of fish to be in the tank when creating the exhibit.

DIVISION 2: THEME TANK – Choose a theme of choice (i.e. songs, poems, stories, etc.) Consider the type of fish being used when creating the exhibit. Three-dimensional backgrounds accepted. Tank will be 5 gallons minimum and 10 gallons maximum. Exhibit appropriate number of fish for tank size.

DIVISION 3: NOVELTY SET-UP TANK – Design a tank that is not standard rectangle or drum tank shape. Backgrounds should be a light, plain color if used. 10-gallon tank maximum. Exhibit appropriate number of fish for tank size. Keep in mind the type of fish being used when creating the exhibit.

DIVISION 4: NATURAL TANK – Use all natural plants – artificial is not acceptable. If a background is used, it should be a light, plain color. Keep in mind the type of fish in relation to the plants in the tank. Exhibit the fish with the tank. Use a rectangle tank of 5-gallon minimum or 10gallon maximum.

DIVISION 5: COMPATIBLE TANK – Use fish & plants from the same geographical area (i.e., use South American plants with South American fish.) If a background is used, it should be a light, plain color. Exhibit the fish with the tank. Tank will be 5 gallons minimum and 10 gallons maximum.

DIVISION 6: SALT WATER TANK – Tank is a salt water habitat. Use only salt-water items and fish. Keep set up in mind. 12-gallon tank maximum

DIVISION 7: EXPERIMENTS – Select 1 of the examples of advanced programs on pages 3 & 4 of the Aquatic Science Manual or devise an experiment of your own. Set a definite goal & keep a step-by-step record (log) of how the results are achieved. Exhibit record (log) & fish. **DIVISION 8 - Same as Division 7 but conducted over approximately a one-year time period. Exhibit the record (log) and fish.**

ARTS AND CRAFTS

Project Leader: – Valerie Trail 260-563-8283

Division *** - NO Project Manual for Arts & Crafts Beginner: Grades 3-5 Intermediate: Grade 6-8 Advanced: Grades 9-12	Record Sheet An Arts and Crafts Record Sheet must be completed for each entry.
County judging does not require <u>4-H Craft Information Card, 4-H 618A</u> . <u>State Fair:</u> All arts and craft exhibits advancing to State Fair must include a <u>4-H Craft Information Card, 4-H 618A</u> . This information card is to describe work completed so the judge can more accurately evaluate the exhibit. Craft information cards are for judging purposes only and will not be returned to the exhibitor.	

ALL DIVISIONS:

- If the article is to be hung, it must come prepared for hanging. Prepared for hanging is defined as wire or a single toothed hook on the back of the frame. Triangular shaped metal pieces on the back of purchased frames are not suitable for proper/safe artwork hanging. Projects without appropriate hardware for hanging will be docked one ribbon placing. The absence of a frame on fine arts does not mean a project should be entered in General Crafts. Canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger as described above.
- If multiple pieces make up the exhibit, a photograph of the complete exhibit should be attached to the exhibit so the total exhibit can properly be displayed. For safety purposes any craft exhibit that resembles a sword, knife, or look-a-like weapon will be judged but will not be displayed.

ARTS AND CRAFTS, GENERAL

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity in a variety of mediums.

State Fair Entries: 5 entries per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines: Youth may exhibit any art or craft that does not meet exhibit requirements in Fine Arts, Needle Craft, Model Craft or Construction and Architectural Replica. Exhibitors should be considerate of space. Exhibits too large to safely move or requiring lots of space should be exhibited using photographs and a description of work in a notebook.

Exhibit Class Guidelines: Create and exhibit one age/grade appropriate artwork.

FINE ARTS

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity through painting and drawing.

State Fair Entries: 2 entries per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines: Oil, charcoal, pastels, pencil, ink, acrylic, watercolor or similar artistic work can be displayed on canvas, canvas board, or paper. All work must be framed as a picture and prepared for hanging. Canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.

Exhibit Class Guidelines: Create and exhibit one age/grade appropriate artwork.

MODEL CRAFT

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity when building a model.

State Fair Entries: 2 entries per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines: Exhibits must be a small scale replica made of injected styrene plastics with approximately 25% of the surface painted. Wood, paper, clay die-cast, or snap together models are not permitted. Screws and pre-painted or pre-decaled factory models are not permitted. Exhibits made from building blocks (Lego) are not permitted. If the model is being built from a kit, include a copy of the instructions with the information card. Original instructions should be kept by the exhibitor in a safe location at home.

Exhibit Class Guidelines: Create and exhibit one age/grade appropriate model.

NEEDLE CRAFT

Description: Allows youth to learn life skills and grow in project knowledge while expressing creativity in needle crafts.

State Fair Entries: 2 entries per county as determined by the county 4-H educator and fair officials.

Exhibit Guidelines: Hand crafted knitting, embroidery, crocheting, needlepoint, crewel, candle wicking, chicken scratching, hand quilting, tatting, huck embroidery, and hemstitching are suggested exhibits. Entries may also include pulled, drawn and counted thread work and punch needle work. Needle craft exhibits do not include latch hook, plastic canvas, machine knitting, machine quilting, or arm knitting/crocheting.

Exhibit Class Guidelines: Create and exhibit one age/grade appropriate needle craft.

ARTS AND CRAFTS: FARM OR CONSTRUCTION TOY SCENE *County only project*

Division and Project Manual – No Manual Beginner: Grades 3-5 Intermediate: Grades 6-8 Advanced: Grades 9-12	Record Sheet Complete yearly.
--	---

The 4-H'er will create a realistic setting around manufactured or custom-built farm or construction toys. Modeling is very personal and involves much imagination; members are encouraged to display their many artistic abilities in this project.

GENERAL EXHIBIT GUIDELINES:

1. Exhibits will be judged on the following criteria: artistic arrangement of exhibit; detail of exhibit; and realistic setting around toys.
2. Farm & Construction Toy Scenes will be judged in two separate classes. 4-H'ers may exhibit in both the Farm & Construction Toy Scene classes.
3. Farm and Construction Toy displays can be modeled in 1/64, or 1/16, or any other scale desired.
4. Farm or Construction Toys can be obtained at farm equipment dealers, department stores, farm stores, and farm toy shows.
5. Landscape supplies can be obtained at hobby shops, craft supply stores, and items can be found in your back yard.
6. While every effort is made to keep projects secure, Wabash County 4-H Council is not responsible for lost or damaged items.
7. Members must display a new exhibit each year. You are not allowed to bring a previous exhibit.
8. Points will be deducted for each item included in the exhibit that is not listed as items acceptable for the 4-H member's division as outlined below.
9. Whether exhibiting in the Farm or Construction Toy Scene category, projects display must be constructed as follows:
 - a. Your project may be covered for transportation purposes. The cover must be off during judging. The cover may be put on after judging is complete and may remain on for the duration of the fair.
 - b. Displays for all divisions must be built on rigid wood (plywood)
 - c. Displays must be **no larger than** the following: Beginner Display 20" x 20", Intermediate Display 24" x 36", Advanced Display 36" x 36".

Beg. Farm Toy Scene: This division is limited to field tilling/planting equipment (toy plows, disc/tiller, planter, tractor, and cultivator). Scenery items may be chosen from the following list: roads, lanes, trees, light poles with wires, fencerows, & a backdrop may be used to set off field(s).

Beg. Construction Toy Scene: This division is limited to site preparation equipment (bulldozer, road grader, excavator, industrial tractor & disc, & back hoe). Roads, lanes, trees, people, light poles with wires, fencerows, & a backdrop may be used. In the display at least portion of the scene will be under site preparation (the whole site does not need to be prepared), including moving and piling dirt in preparation for construction.

Int. Farm Toy Scene: This division is limited to any type of fieldwork (tilling, planting or crop harvesting). Equipment may include: disc/tiller, plow (any type), planter, tractor, cultivator, combine, sprayers, grain wagon/cart, truck, hay baling equipment, hay wagon. Scenery items may be chosen from the following list: roads, lanes, trees, fields, fencerows, light poles, backdrop, signs & animals may be used.

Int. Construction Toy Scene: This division is limited to work done after site preparation & before building construction. No Buildings will be exhibited. Display examples may include road building (streets, cul-de-sacs), beginning landscaping, pond building, erosion control procedures (terracing, sodding, stone waterways), park building, tiling, culverts, & utilities (water, gas, electric, sewer). Equipment may include: bulldozer, road grader, excavator, industrial tractor & disc, back hoe, skid loader, wheel loader, pan scraper, log skidder, dump trucks, pick-up trucks, equipment haulers, semis appropriate to construction sites, cement mixer, & trailers. Roads, lanes, trees, people, light poles, fencerows, a backdrop, signs, & gas tanks.

Adv. Farm Toy Scene: This division is open to create any type of farm. Example: Farmstead (buildings, grain-handling equipment, field work, harvesting) or Farm Equipment Stores.

Adv. Construction Toy Scene: This division is open to create any type of construction scene. Examples include buildings (at least part of which are under construction), dealerships, construction site offices and buildings or equipment naturally found at a construction site, housing development, demolition sites, or construction equipment stores.

ARTS AND CRAFTS: SCRAPBOOK *County only project*

Division and Project Manual (<i>4-H Scrapbook</i> manual is distributed the 1 st year in the project and used each year in project.) <u>Beginner:</u> Grades 3-5 <u>Intermediate:</u> Grades 6-8 <u>Advanced:</u> Grades 9-12	Record Sheet Complete yearly.
<ul style="list-style-type: none"> • A cover sheet must be submitted with the scrapbook. • A 4-H Member may compete in both the traditional and digital categories. 	

1. Required cover sheet must be submitted with the scrapbook, indicating which pages are to be judged. A brief description of the page or title of the page will be listed on this cover sheet. Scrapbook page numbers may be marked with removable stickers or sticky tabs. Scrapbooks without cover page or pages not indicated before judging will have the first 5 pages judged.
2. Exhibit 5 new pages each year to be added to your scrapbook exhibited in previous years. If you start a new scrapbook, bring the previous scrapbook to show the judge. New pages must be tagged/flagged to be judged. A page is considered one side of each page. The scrapbook project is the art of preserving memories. Photos & memorabilia must be included each year in the scrapbook, but do not need to be on each page. Remember to include a variety of photos, journaling & memorabilia. Page sleeves are recommended, but not required.
3. Use a variety of cropping techniques and page layouts. This will add interest and creativity to your album. Let your pictures, memorabilia and journaling be the main focus of your project. Make sure to list dates, people and places.
4. Having a logical order to your scrapbook is important. For example: you may construct your scrapbook by theme or in chronological order.
5. One county champion and one county reserve champion will be selected in each division.

TRADITIONAL SCRAPBOOKS: May be in a scrapbook or 3 ring binder of any size.

Beginner: Label photos with names of people, dates, and places. Include at least 1 piece of memorabilia.

BEEKEEPING

Division <u>Division 1:</u> <i>Learning About Beekeeping</i> ; Grades 3-5 <u>Division 2:</u> <i>Working with Honey Bees</i> ; Grades 6-8 <u>Division 3:</u> <i>Advanced Beekeeping Methods</i> ; Grades 9-12	The New Starting Right with Bees - 21st Edition is distributed the 1st year in the project	Record Sheet Complete yearly
<ul style="list-style-type: none"> • Complete 2 activities from the manual each year. • If exhibiting poster/educational display, see requirements on page 8. 		<ul style="list-style-type: none"> • <u>Beekeeping is not by grade. If the 4-Her is taking beekeeping for the first time, regardless of grade, they start out in Division 1</u>

Description: This project will help youth learn beekeeping, the types of bees, the honey and wax they produce, the plants that attract bees, and the equipment a beekeeper needs.

State Fair Entries: 1 educational exhibit per county & 1 honey exhibits per member, unlimited number of county entries.

Exhibit Guidelines: There are no age/grade specifications for beekeeping exhibits. No bee hives may be brought to the fair. Honey water content will be measured. Fill level: the honey should be filled to the jar shoulder, not over, nor under. Chunk honey should go in a wide-mouth jar, preferably one specially made for chunk honey (see beekeeping catalogs). Be careful to distinguish "chunk honey"(comb in jar) from "cut comb" (comb only in box). Honey (including chunk, cut comb and comb) must be collected since the previous county fair.

Exhibit Class Guidelines:

Educational Poster or Display (Grades 3-12): Create an educational poster, notebook or display about any manual activity or on any beekeeping topic of choice that is age/grade appropriate. Youth can also design and complete an independent study activity.

Single Honey Product (Grades 3-12): Exhibit one of the following:

1. Extracted honey - 2 one-pound jars, shown in glass or clear plastic, screw-top jars holding 1 pound of honey each.
2. Chunk honey (comb in jar) - 2 one-pound jars (wide-mouth glass or clear plastic).
3. Cut-comb honey - 2 one- pound boxes (These are usually 4 1/2" x 4 1/2" in size).

Two Honey Products (Grades 3-12): Exhibit two of the four kinds of honey listed below.

1. Extracted Honey - 2 one-pound jars (glass or clear plastic).
2. Chunk Honey (comb in jar) - 2 one-pound jars (wide-mouth - glass or clear plastic).
3. Cut-comb Honey - 2 one-pound boxes. Boxes are usually 4 1/2" x 4 1/2"

4. Comb Honey - 2 sections (honey built by bees in frames of wood commonly called "sections." Boxes are usually 4 1/2" x 4 1/2" in size).

CAKE DECORATING

Project Leader: - Sherry Sarll 260-568-2226

Division and Project Manual – Wilton Method of Cake Decorating – New Manual in 2018			Record Sheet
Beginner: Course 1; Grades 3-5	Intermediate: Course 2; Grades 6-8	Advanced: Course 3; Grades 9-12	Complete yearly.
<ul style="list-style-type: none"> • Skill card must accompany exhibit for the county and state fair. <u>Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A</u> 			

Description: The cake decorating project allows youth to utilize their artistic ability and expressions as they learn decorating techniques and skills. Anyone wanting to learn baking skills should refer to the 4-H foods project.

State Fair Entries: 3 entries per county; one per level.

Exhibit Guidelines: The cake decorating project provides skills-based educational experiences that provide an opportunity for mastery before building on that experience to develop more advanced skills. This subject area is divided into three levels: Beginner (Grades 3-5), Intermediate (Grades 6-8), and Advanced (Grades 9-12). While the defined grades are intended to be a guide, older youth enrolled in this subject for the first time may start in a lower grade skill level with permission by the county extension educator, followed by an appropriate level the following year. Skills and techniques demonstrated should be age/grade appropriate. While it is not to say a beginner level member cannot master an advanced level skill, it would be rare and unique. Therefore, exhibited cakes must demonstrate the minimum five techniques from their given level outlined in Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A, but may also include higher/lower level techniques that have been mastered. Any higher/lower-level techniques will not be counted as part of the minimum five, but nevertheless will be evaluated for quality. All exhibited cakes must be created using a Styrofoam, foam, or other solid dummy. Unless otherwise stated, cakes are to be iced using royal icing or buttercream. Buttercream icing will not withstand environmental conditions and may become soft, melt, not withhold its shape, and colors may bleed when being displayed an extended period of time. When displaying a cut-up cake or tiered cake, the exhibitor must include a diagram and description indicating how the cake was assembled. This diagram and description can be attached to or written on the skills sheet

Exhibit Class Guidelines:

Beginner (Grades 3-5): A minimum of five beginner level skills are to be demonstrated, found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet. Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 8" in diameter, then the cake board must be 10-12" in diameter. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the beginner level are to be a single tier/layer, no more than 5" tall, and may be round, square, or rectangular and the cake board is to be no more 12"x12".

Intermediate (Grades 6-8): A minimum of five intermediate level skills are to be demonstrated and the cake may include additional skills from the beginner level. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet. Cakes must be on a cake board strong enough to support the cake (approximately 3/8" thick) and 2-4" larger than the cake. For example, if the cake is 9"x13" rectangular, then the cake board must be 11"x15" to 13"x17" rectangular. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the intermediate level are to be a single or double tier/layer, no more than 12" tall and may be any shape. Youth may choose to decorate an inverted (upside down) character pan or create a 3-dimensional cake. It is also permissible to cut-up pieces of Styrofoam, foam, or other solid material to create a new shape, like a butterfly or castle for example. The cake board is to be no more than 24"x24".

Advanced (Grades 9-12): A minimum of five advanced level skills are to be demonstrated and the cake may include additional skills from the beginner and intermediate levels. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet. Cakes must be on a cake board strong enough to support the cake (approximately 1/2" thick) and 4" larger than the base cake. For example, if the cake is 26" in diameter, then the cake board must be 30" in diameter. The cake board must be neatly covered and well taped or otherwise attached underneath. Cakes exhibited in the advanced level may be multiple layers and/or tiered and may include multiple cakes, like a wedding cake. Youth may choose to create a character or 3-dimensional cake by cutting-up pieces of Styrofoam, foam, or other solid material to create a new shape. Dowel rods, plates, etc. should be used to support multiple layers and tiers. Fondant icing, gum, and sugar paste is permissible. Cakes may be any shape, no more than 36" tall and the cake board is to be no more than 36"x36". A minimum of five advanced level skills are to be demonstrated and the cake may include additional skills from the beginner and intermediate levels. A list of skills to choose from can be found on the Indiana 4-H Cake Decorating Skills and Techniques, 4-H 710A sheet.

COMMUNICATIONS

Division (No project manual) <u>Refer to each category outlined below for grade levels specific to each project.</u>	Record Sheet Complete a verbal communication record sheet.
--	--

Description: The communications project teaches verbal and non-verbal communication and presentation skills.

State Fair Entries: *Demonstration – 3 junior individuals, 3 senior individuals, 3 junior teams and 3 senior teams per county. Informative 4-H Presentation – 3 junior individuals, 3 senior individuals. Professional Persuasive Presentation – 3 junior, 3 senior, 3 junior teams and 3 senior teams per county per county. Public Speaking – 3 junior and 3 senior per county.*

Exhibit Guidelines: Effective communications drives all aspects of day-to-day life. Youth are to learn about the process of communication, to learn about different modes of communication and to strengthen their own communication skills. As you explore the world of communication and the manuals, you will enjoy learning more about yourself and others. Youth completing this project are expected to participate in a variety of experiences allowing them to develop communication skills rather than create an exhibit to be displayed at the county or state fair.

Exhibit Class Guidelines:

Verbal Communication Events: The following verbal communication events and activities are offered to 4-H members as a way to teach presentation and public speaking skill development. They are often used in 4-H meetings, and a county 4-H youth development program may choose to offer these as competitive events. The demonstration, informative presentation, professional persuasive presentation and public speaking are competitive events at Indiana State Fair.

Demonstration: All 4-H members are encouraged to present a demonstration at their club or county level. This contest allows the 4-H member to show the audience step-by-step procedures how-to-do something related to any 4-H project. Examples of a demonstration include how to take a prize-winning photograph, how to give an intramuscular antibiotic injection or shot, how to design a mini-barn blueprint, how to construct a garment, how to develop a wildlife rehabilitation plan, how to treat a cat for fleas, etc. Junior members (grades 3-8) have 5-7 minutes to present their demonstration, while senior members (grades 9-12) will present their demonstration in 5-10 minutes. Categories will be Junior Individual, Senior Individual, Junior Team, and Senior Team.

Informative 4-H Presentation: This contest allows the 4-H member to present a topic of their choice related to a 4-H event, project, or activity to the audience. Examples of an informative 4-H presentation include the benefits of attending 4-H Round-Up, State 4-H Junior Leader Conference, 4-H Academy, or Citizenship Washington Focus; the impact of a community service project on the 4-H members involved and their community; why a family should enroll their children in 4-H; how 4-H prepares a young person for the workforce or college, etc. Junior members (grades 3-8) have 5-7 minutes to present their informative presentation, while senior members (grades 9-12) will present their informative presentation in 5-10 minutes. Categories will be Junior Individual and Senior Individual.

Professional Persuasive Presentation: Contestants will be required to research a public issue in their community, collect data showing how this issue is or could affect their community, formulate a plan to address this issue, and present it in a professional manner using electronic digital media such as PowerPoint, Prezi, etc. Contestants are to submit two (2) sets of accompanying handouts at registration. These handouts will be provided to the judges. It is suggested that youth practice by presenting their professional presentation to service clubs, 4-H council or fair board, government officials, or other boards. Examples of public issues could be the lack of accessibility to trails or public parks, congested traffic locations, public health issues, impoverished neighborhoods, school dropout rates, the size of farm machinery outgrowing the size of roads, etc. Junior members (grades 3-8) will present in 5-7 minutes and senior members (grades 9-12) will present their professional presentation in 5-10 minutes. Categories will be Junior Individual, Senior Individual, Junior Team and Senior Team.

Public Speaking: This contest allows the 4-H member to give their prepared speech to an audience from a stage or stage-like setting. Props, signs, and PowerPoint presentations are not permitted. The topic can be of the 4-H member's choice. Junior members (grades 3-8) have 3-5 minutes to give their speech while senior members (grades 9-12) will give their speech in 5-7 minutes.

COMMUNICATIONS: CREATIVE WRITING *County only project*

Division and Project Manual – <i>Creative Writing Manual</i> (Distributed first year in project only.) Beginner: Grades 3-5 Intermediate: Grades 6-8 Advanced: Grades 9-12	Record Sheet Complete yearly.
<u>ALL CREATIVE WRITING MUST BE SUBMITTED TO THE EXTENSION OFFICE BY 4:00PM ON FRIDAY, JUNE 24. CREATIVE WRITING JUDGING WILL NOT BE OPEN JUDGING DUE TO THE AMOUNT OF TIME NECESSARY TO READ AND JUDGE EXHIBITS.</u>	

Description: This exhibit allows youth to express creativity while developing writing skills. Examples include a story, autobiography, biography, essay, journal entry, poetry, children’s story, and more. Writing must be authored by the 4-H member and can be fiction or non-fiction.

State Fair Entries: *Creative Writing – 3 exhibits per county, one per level.*

Exhibit Guidelines: Exhibits are to be displayed in a notebook or binder appropriately labeled on the front with the title, 4-H member’s name, grade in school, club and county. The notebook or binder is to include a title page and authored work. A bibliography giving credit to sources is to be included with any research article. Work can be handwritten or typewritten. Illustrations or photos may be included to enhance the writing. Writing should not include excessive blood, gore, violence or sexual themes and must be appropriate for all ages to read.

Exhibit Class Guidelines:

Beginner (Grades 3-5): Create and exhibit one age/grade appropriate item. While length or word count is not required, one-page or 250 words is appropriate for most beginners.

Intermediate (Grades 6-8): Create and exhibit one age/grade appropriate item. While length or word count is not required, two-page or 500 words is appropriate for most intermediate members.

Advanced (Grades 9-12): Create and exhibit one age/grade appropriate item. While length or word count is not required, more than three pages or more than 750 words is appropriate for most advanced members.

COUNTY: COLLECTIONS *County Only Project*

Division and Project Manual (Manual Distributed the 1st year in the project.) Level 1: Grades 3-5 Level 2: Grades 6-8 Level 3: Grades 9-12	Record Sheet Complete record, inventory, & story sheets yearly. Include in exhibit.
--	--

Notebook: (required for all levels) Each collection needs to be accompanied by a notebook containing the following information: Inventory Sheet, Story Sheet, at least one photo of your complete collection as it is displayed in your home. If you are exhibiting a collection for more than one year then you will need to have all previous year material included in your notebook. Your notebook can be a binder, scrapbook and or report cover. Inventory sheets & story sheets can be hand written or typed. Please find electronic copies of these forms at: www.ag.purdue.edu/counties/wabash.

Fair Displaying Options:

- The following items cannot be left at the fairgrounds for display: Collections of weapons or items that could be considered dangerous, knives, coins, stamps, pieces of guns. Please choose a notebook exhibit for these items.
- You may not exhibit items that are used in conjunction with drugs or alcohol.
- Items in your display must be numbered to correspond with the number on the inventory list. It is recommended that valuable objects be protected in a display case, fastened to a display board or taken home after judging. Your project should be covered with glass, Plexiglas or plastic.
- If the collection is too large or valuable to leave for the exhibit at the Fair, your notebook can be exhibited with, or in place of, your collection. If you are displaying a notebook you still need to bring a minimum of seven items to judging. Your items may be taken home after judging. If you choose this option, your items do not have to be in a display case. A parent or guardian of each exhibitor will sign a form releasing the Fair Association, 4-H Council, and Purdue Extension from loss or damage if THEY CHOOSE to leave an exhibit that the Extension Educator has requested to be taken home due to concern of loss or damage. You may also be asked to narrow down your exhibit for space issues.

Level 1 - Exhibit a portion or example of the collection, minimum of 7 items. Use an attractive display not to exceed 2’x3’x3’. Completed story and inventory lists must also accompany exhibit.

Level 2 - Exhibit a new collection or a continuation of the Beginner Collection, minimum of 7 items, with a completed story and inventory lists. Exhibit not to exceed 2’x3’x3’.

Level 3 - Exhibit a continuation of previous division or a new collection, minimum of 7 items, with a completed story and inventory lists. Exhibit not exceed 3’x3’x4’. When repeating this division with a collection from the previous year, the member must add to the previous year’s collection.

COUNTY: PERFORMING ARTS COMPETITION

Group Acts (Five or More Performers): Performance time limit: 5-8 minutes. Types of Acts: skits or sketches, choral number, dance routines, lip sync.

Curtain Acts: Non-Musical (one to four performers): Performance time limit 3-5 minutes. Types of acts: skits/sketches, magic, clowning, rhythmic gymnastics, reading, 4-H cheer leading routines, choral speaking, dance, lip sync, juggling, acrobatic feats, ballads, puppetry.

Curtain Act: Musical (one to four performers): Performance time limit 3-5 minutes. Types of acts: instrumental, vocal, bands.

County Contest will be announced in January. All entertainers must be 4-H members. Narrators are considered part of the act and must be a 4-H member. Please note: A person whose only contribution to the act is that of being piano or other accompanist is not considered part of the act and does not have to be a 4-H member. This is because this provides music in a similar capacity as a tape provides music.

Acts will be divided into Jr. & Sr. Divisions. Grades 3-7 will compete in the Jr. Division with Grades 8-12 competing in the Sr. Division. The division an act is placed into is determined by the oldest 4-H member in the act. For example, if a 6th grader and an 8th grade perform a duet together, the act will compete in the senior division.

1st, 2nd, and 3rd place will be awarded for both Jr. and Sr. Divisions of group, non-musical, and musical acts. The judges will then select Champion and Reserve Champion for each type of act (Group, Non-musical, Musical). Champion and Reserve Champion Acts will be given the opportunity to perform at the area performing arts competition.

COMPUTERS

Division and Project Manual:	Level 1: Computer Science & Programming with Scratch-Grades 3-5 Level 2: Computer Science & Programming with Scratch, Grades 6-8 Level 3: Computer Science & Programming with Scratch Grades 9-12	General Worksheet- Yearly
-------------------------------------	--	---------------------------------

Description: The 4-H computer science project is designed for youth to engage in an interactive project to learn all levels of familiarity with computers.

State Fair Entries: 3 per county; one per level.

Exhibit Guidelines: There are three exhibit grade level divisions; Grades 3-5, Beginner; Grades 6-8, Intermediate; and Grades 9-12, Advanced. Exhibits are to be skill appropriate for the member's grade level. Youth enrolled in the computer project will select one of the below subject categories to study, regardless of grade. Youth may choose to create an exhibit demonstrating skills learned during the year. Check with your county Purdue Extension Office to determine if a computer will be available during judging and if there will be an opportunity to explain your exhibit to the judge. Exhibits qualifying for state fair are to be submitted on a thumb drive securely attached to a notebook/portfolio describing accomplishments, skills learned, design ideas, budget, a summary of what was done, screenshots showing the development and final project, etc. as the exhibitor will not be able to discuss their work with a judge. Poster and display board exhibits are permissible. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff. Youth may continue in the same subject category in subsequent years expand on the previous year's topic, or choose a new topic. Subject categories are: Block Based Programming, Text Based Programming, Web Design and Computer Entrepreneurship, Computer Forensics, Hardware and Networking Design/Install/Repair, Graphic Design and Computer Art, and Robotics. Software submitted to be reviewed by a judge must be compatible on both PC and Mac platform. If additional software other than Microsoft Office Suite is required to view the member's work, that software must be provided by the member and comply with all manufacturer copyright laws. Apps can be Android or IOS compatible. All notebooks/portfolios must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc.

Exhibit Class Guidelines:

Block-Based Programming:

Beginner – Grades 3-5 – Create a block-based program using Scratch, Code Studio, Alice, or another graphic programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are: Sequence, Iteration, Conditionals, Variables, Loops, User input, or any other similar skill.

Intermediate - Grades 6-8 – Create a block-based program using Scratch, Code Studio, Alice, or another graphic programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are: more robust demonstration of beginner skills, modularization, lists, or any other similar skill.

Advanced - Grades 9-12 – Create a block-based program using Scratch, Code Studio, Alice, or another graphic programming language of your choice. You should comment your work and it must include at least ten different commands. Skills this program could use are: more robust demonstration of Intermediate Skills, Parameters, Recursion, or any other similar skill.

Text Based Programming

Beginner - Grades 3-5 – This option is not available.

Intermediate -Grades 6-8 - Create a text-based program of your choosing using any text-based language you are comfortable in. The code should demonstrate an understanding of at least 4 of these skills: Commenting, Correct syntax, Variables, Loops, Conditionals, User Input, Lists, Functions, Algorithms, or Any other similar skill.

Advanced - Grades 9-12 - Create a text-based program of your choosing using any text-based language you are comfortable in. The code should demonstrate an understanding of at least 8 of these skills: A more robust understanding of the intermediate skills, interact with databases, Classes, Objects, Methods, Inheritance, Integrate multiple languages into one program, Any other similar skill

Web Design and Computer Entrepreneurship

Beginner – Grades 3-5 - Build a website demonstrating a knowledge of: Use a website builder to create your website, insert non-stock image into your site, use a template to achieve a unified look, Explain CSS in your documentation, what CSS is and why it's important, and must have at least two pages and include all items listed above

Intermediate – Grades 6-8 - Build a website demonstrating a knowledge of: Create your own site or use a website builder, modify existing HTML, Use HTML5, modify existing CSS, have a unified theme throughout, use a photo editing software to create custom images, and Must have at least five pages and include all items listed above.

Advanced – Grades 9-12 - Build a website demonstrating a knowledge of: Create a custom site using appropriate industry tools, have a responsive website, add useful and appropriate plugins, Test for and eliminate bugs, include links for social media, include custom audio/video, and must have at least ten pages and include all items listed above.

Computer Forensics (id theft, online bullying, ethical use of technology, responsible social media use)

Beginner – Grades 3-5 – Research and create a 3–5-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software. Topics include: Media Balance and Well Being, Privacy and Security, Digital Footprint and Identity, Relationships and Communication, Cyberbullying, Digital Drama and Hate Speech, News and Media Literacy, or Any other similar topic.

Intermediate – Grades 6-8 – Research and create a 6–8-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Digital Citizenship: Media Balance and Well Being, Privacy and Security, Digital Footprint and Identity, Relationships and Communication, Cyberbullying, Digital Drama and Hate Speech, and News and Media Literacy.
- Cyber Security: Ethics and Society, Security Principles, Classic Cryptography, Malicious Software, Physical Security, Web Security
- Any other similar topic

Advanced - Grades 9-12 – Research and create a 10–12-minute presentation on one of the following topics. Present to a group of peers and have an adult leader verify, create a YouTube or MP4 instructional video, or printed slides and notes using PowerPoint or similar presentation software.

- Digital Citizenship: Media Balance and Well Being, Privacy and Security, Digital Footprint and Identity, Relationships and Communication, Cyberbullying, Digital Drama and Hate Speech, and News and Media Literacy.
- Cyber Security: Ethics and Society, Security Principles, Classic Cryptography, Malicious Software, Physical Security, and Web Security.
- Any other similar topic

Hardware and Networking Design/Install/Repair

Beginner – Grades 3-5 – Choose 1-2 items from the list and create a report/presentation (including images) of what you did.

Pick two: Deconstruct and reconstruct a computer, Learn and report how binary works and how computers use numbers, troubleshoot hardware problems, Explore operating systems, Investigate open source resources, Install/upgrade operating systems, Design a dream machine (give reasons), or Any other similar design/install/repair.

Intermediate – Grades 6-8 – Choose 1-2 items from the list and create a report/presentation (including images) of what you did.

Pick one-two: Identify network hardware, design a computer network, Explain Internet Protocol, Explain different types of servers. Use different protocols to communicate. Add peripherals to a network, secure a networked computer, Share applications simultaneously, Setup a Raspberry Pi or other micro-controller, or any other similar design/install/repair.

Advanced – Grades 9-12 - Choose one or two items from the list and create a report/presentation (including images) of what you did.

Pick one-two: Design and implement a computer network, secure your network, understand technology needs in your community, help to solve these needs by organizing a committee or team to work on identified issues, teach a computer science class to younger 4-Hers, Build your dream computer, Network multiple micro-controllers, Research careers in technology, or any other similar design/install/repair.

CONSUMER CLOTHING

Project Leader: Julie Echard

Division and Project Manual			Record Sheet
<u>Level 1: Beginner</u> ; Grades 3-5	<u>Level 2: Intermediate</u> ; Grades 6-8	<u>Level 3: Advanced</u> ; Grades 9-12	Complete yearly.
<ul style="list-style-type: none"> • Complete 1 activity from each group in the manual. • Modeling of your outfit for judging is at the Honeywell Center. *Consumer Clothing Description Sheets due June 23 to Extension Office. 			

4-H'er must participate in Fashion Revue to be eligible for State Fair or Alternate State Fair entry. (Exceptions in cases of extreme emergency.)

ALL consumer clothing exhibits will remain after judging, **Monday, July 10**, in order to be displayed at the fairgrounds. Each piece of clothing and notebook must be tagged with exhibitor's name before leaving the Honeywell Center.

Description: This project is designed to teach clothing selection, wardrobe planning, care of clothing and personal grooming.

State Fair Entries:

3 Notebooks per county, no clothing; one per level.

1 advanced level per county to model in state fair fashion revue.

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

The front of the notebook is to include the 4-H member's name, county, club, and level. Personal information such as phone number, mailing address, etc. should not be included in any notebook documentation.

Youth will be expected to model their purchased outfit and accessories at the county level. Modeling at state fair is limited to only the advanced level and will be judged separate from the notebook.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Beginner (grades 3-5 suggested)

Complete one activity from each group in the manual and share your results or answers in a notebook, labeling each activity. With help from a parent or mentor, purchase an item of clothing that you'll wear with other clothes in your wardrobe. Examples might be slacks, blouse, jeans, shirt, sweater, or sweatshirt. Choose an accessory to go with your purchase. Accessories could be shoes, sweatband, belt, jewelry, socks or similar item.

Intermediate (grades 6-8 suggested)

Complete one activity from each group in the manual and share your results or answers in a notebook, labeling each activity. Purchase and accessorize a casual or school outfit. Accessories may be purchased or selected from what you currently have.

Advanced (grades 9-12 suggested)

Complete one activity from each group in the manual, or similar activity of choice and share your results or answers in a notebook, labeling each activity. If completing an activity not included in the manual, be sure to include in your notebook an explanation describing how the activity was developed and intended objectives. Purchase and accessorize an outfit of your choice. Accessories may be purchased or selected from what you currently have.

Special note regarding Indiana State Fair – In addition to the advanced consumer clothing state fair entry submitting their notebook for evaluation, the exhibitor will also be invited to model their purchased outfit in fashion revue. The notebook and modeling will be judged independently and one will not have any consideration for the other at state fair

CONSUMER EDUCATION: CONSUMER MEATS - County Only Project

Project Leader: Chrissy Chamberlain - 260-568-3559

Division and Project Manual (Manual is distributed the 1 st year in the project. The same manual is used for all meat categories.)				Record Sheet: Complete yearly.
Division 1: Grade 3	Division 2: Grades 4-5	Division 3: Grades 6-8	Division 4: Grades 9-12	
<ul style="list-style-type: none"> Each category is considered 1 project. If 4-H member takes 2 categories, 2 record sheets must be completed & 2 exhibits must be shown. Must add 5 new recipes to your collection each year. 		<ul style="list-style-type: none"> A covered, 5"x8" recipe card is required for ALL food exhibits. If exhibiting notebook/poster/educational display, see requirements on page 8. 		

In the Consumer Meats project, you will learn the cuts of meat and how to prepare the meat cuts for a meal.

- Sign up 1 or more of the meat categories (beef, lamb, pork & poultry) each year. Exhibit 1 serving of the recipe for each category enrolled.
- Bring recipes to the fair in an index or recipe card box. The size of the card is of your choosing. Judging will be on neatness of the collection.

EXHIBIT REQUIREMENTS:

Division 1: *Grade 3* - Steer/Lamb/Hog - Poster with standing picture or sketch identifying major cuts. Poultry Poster with sketch or pictures of all kinds of poultry (duck/turkey/chicken) identifying major cuts.

Division 2: *Grade 4* - Burger for each category enrolled. Include bun & condiment items for the burger. Place these items on the side of the plate.

Grade 5 - Beef – steak; Pork/Lamb -chop; Poultry – recipe with eggs as the main ingredient.

Division 3: *Grade 6* - Beef/Pork/Lamb – ribs; Poultry - chicken breast with bone.

Grade 7 - Beef/Pork/Lamb – roast; Poultry - Cornish hen.

Grade 8 - Beef – brisket; Pork – ham; Lamb – a serving of leg of lamb; Poultry – duck recipe using any cut of meat

Division 4: *Grade 9* - Soup and recipe of choice using any type of cut of meat for each category enrolled.

Grade 10 - Appetizer and recipe of choice using any type of cut of meat for each category enrolled.

Grade 11 - Side dish and recipe of choice using any type of cut of meat for each category enrolled.

Grade 12 - Main dish and recipe of choice using any type of cut of meat for each category enrolled.

CONSUMER EDUCATION: DOLLAR DESIGNS - County Only Project

Project Leader: Mindy Mayes - 260-563-0661 X 1408

Division and Project Manual – No Project Manual			Record Sheet Complete yearly.
Division 1: Grade 3-5	Division 2: Grades 6-8	Division 3: Grades 9-12	

In the Dollar Designs project, 4-H Members will learn to create an artistic project on a budget.

- All items used in the project must be purchased from a store such as Dollar Tree, Dollar General, Family Dollar, Walmart.
- The budget for the Dollar Design is \$10.
 - Items used to assemble the project such as glue, tape, scissors, needle, thread, screws etc. are not included in the \$10 budget.
 - Receipts for all items used in the display must be attached to the project record sheet.
 - The judge will review the record sheet for this project. Be prepared to discuss your receipt, budget, and supplies used in assembly with the judge.
- Each dollar design will be judged on its own merit, taking into consideration creativity, neatness, and construction.
- The project for display must be no larger than 36" X 36" X 36"

CROPS County only Project

Division and Project Manual (No Manual for this Project)			Record Sheet Complete record sheet yearly for each crop exhibited.

<ul style="list-style-type: none"> A crop information card is provided with record sheets and must be submitted at project judging. 			

HAY: Exhibit one-quarter bale. Must have been harvested since the last 4-H Fair.

Legume Class – Forage must be a Legume; Examples - Alfalfa, Clover, Birds foot, etc.

Mixed Class – Anything less than 100% Legume (Contains Grass); Examples - Orchard Grass, Timothy, Bluegrass, etc.

CORN: Exhibit 1 stalk with roots in original soil (unwashed) plus 1 stalk with roots washed completely & cut approximately 18" - 24" above the roots.

OATS: Members will exhibit 1 gallon of oats, if grown, harvested since the last 4-H fair

SOYBEANS: Exhibit 6 stalks (including roots) of soybeans.

WHEAT: Exhibit 1-gallon soft, red winter wheat harvested since the last 4-H fair

ELECTRIC

Project Leaders: Rachel Olsen

Division-By Grade Level Complete 2 activities in manual per year Div. 1-4	Electric Kits distributed at Extension Office except for Advanced Level-See handbook.	Record Sheet & Exhibit Skills & Knowledge Sheet per project Requirements listed in Handbook.
<ul style="list-style-type: none"> If exhibiting notebook/poster/educational display, see requirements on page 8. Exhibit must comply with exhibit divisions listed in 4-H Handbook 		

Description: The 4-H electricity and electronics program provides youth with educational information about electricity and how it can be used to benefit the human race.

State Fair Entries: 5 electric exhibits per county, one per level & 1 electronic exhibit per county, level 5

Exhibit Class Guidelines:

Electric Level 1 (1st year in Electric): Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of "Skills to be Attained" items as outlined in the "4-H Electric and Electronic Skills & Knowledge Chart". A completed copy of the "Exhibit Skills & Knowledge Sheet" must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor. **Exhibit Suggestions:** Circuit board – 6" by 6" of Series/Parallel Circuit, Electromagnet, Galvanometer, Poster board (22" by 28"), Display (appropriately sized for displayed equipment), or Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 1 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.

Electric Level 2 (2nd year in Electric): Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor. **Exhibit Suggestions:** Magnetic Powered Shake Flashlight – with display, Circuit board – 6” by 6” of Series/Parallel Circuit (with modifications if exhibited in Level 1), Electromagnet, Galvanometer, Electric Motor, Poster board (22” by 28”), Display (appropriately sized for displayed equipment), or Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Electricity Excitement Book 1 or Investigating Electricity Book 2, Purdue Extension website Level 2 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.

Electric Level 3 (3rd year in Electric): Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor. **Exhibit Suggestions:** Wiring Project – (i.e. extension cord, trouble light, wire sizes and uses, plug configurations, test equipment, etc.), Electrical tool and supply kit, Poster board (22” by 28”), Display (appropriately sized for displayed equipment), or Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 3 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.

Electric Level 4 (4th year in Electric): Exhibit one article of choice displaying proper wiring techniques, made during the current 4-H program year. It must demonstrate a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor. **Exhibit Suggestions:** Wiring – Wire a lamp. The lamp can be a re-wired lamp or one that is built new, Electrical tool and supply kit, Poster board (22” by 28”), Display (appropriately sized for displayed equipment), or Notebook/Report that covers any topic that is in the National 4-H Electric Curriculum Wired for Power Book 3, Purdue Extension website Level 4 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart.

Requirements Electric Level 5 (5th year or more in Electric): Exhibit one article of choice, displaying proper wiring techniques, made during the current 4-H program year that demonstrates a minimum of five (5) or more of the appropriate level of “Skills to be Attained” items as outlined in the “4-H Electric and Electronic Skills & Knowledge Chart”. A completed copy of the “Exhibit Skills & Knowledge Sheet” must accompany the project. Skills sheets are for judging purposes only and will not be returned to the exhibitor. **Exhibit Suggestions:** Equipment Wiring (including but not limited to: parts identification, appliance repair, lamps and other lighting, equipment wiring, control system, security system, topic that covers safety, motors/generators, electric heating, heat pumps, AC, water heaters, and other electric equipment), Home Wiring (included by not limited to any circuits found in the wiring of a house or “barn”, service entrance, switching, receptacles, generator transfer circuit, safety, electrical math, and others), Electronic Equipment (Any project or kit containing transistors or integrated circuits or vacuum tubes such as radio, TV, computer, robot, cell phone, and others), Poster board (22” by 28”), Display (appropriately sized for displayed equipment), Notebook/Report (may cover any topic that is in the National 4-H Electric Curriculum Entering Electronics, Purdue Extension website Level 5 activities/project sheets, or from the appropriate level of the Skills & Knowledge Chart), Video Presentation Create (a video showing the work accomplished and skills learned. This video should include the same type of information as required in written notebook listed above. This video is to be no more than ten minutes in length and formatted as MP4 and submitted on a thumb drive. This video can also be uploaded to a YouTube account with the video being made public and the link submitted for evaluation).

ENTOMOLOGY

Project Leader: Brad Rody 765-716-0081

Division and Project Manual (The resource <i>How to Collect, Preserve and Identify Insects</i> will be distributed 1 st year in the project.)		Record Sheet
<u>Level 1: Creepy Crawlies</u> ; Grades 3-5	<u>Level 2: What’s Bugging You?</u> Grades 6-8	Complete yearly.
<u>Level 3: Dragons, Houses & Other Flies</u> ; Grades 9-12		
<ul style="list-style-type: none"> • Complete 2 activities from the manual each year. • Vials and pins are available for sale at the Extension Office. 	<ul style="list-style-type: none"> • A poster and a bug box for each level may be selected for State Fair Exhibition • If exhibiting a poster/notebook/educational display, see requirements on page 8. 	

Description: This project will help you study insects and their relationship with people. You can also learn how to collect, preserve, and identify insects.

State Fair Entries: 3 collection exhibits per county, one per level & 3 educational exhibits per county, one per level

Educational Exhibit Guidelines: Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Collection Exhibit Guidelines: Judges evaluating collection exhibits should judge based on educational content, scientific accuracy, eye appeal and creativity. Collections are to include the following:

Title as Insect Collection year in Entomology & Order – refer to ID-401, page 57.

Display – mounted insects are to have been legally and personally collected in the United States and displayed in an 18”x24” collection box displayed horizontally. Collections including multiple boxes are to be numbered 1 of 3, etc. ID 401 A-F cards (for grades 3-8) and 401-I cards (for grades 9 - 12) are to be placed inside the display box in an attractive manner.

Identification – Collection display boxes are expected to contain the specified number of insects, families, and orders specified (see chart below). All insects must be in the adult stage and be properly mounted on insect pins or be contained in vials as directed.

Pin Labels - Each pin or vial must contain two labels:

1. Top label is to include collection date, location, and collector name.
2. Bottom label is to include common name and other optional identification data.

Box Labels – Box labels (computer generated or neatly printed) are used for orders and families as required (see chart below) and are to be placed flat against the bottom of the box. Insects must be properly grouped directly under the correct order and family box label. For example, all insects belonging to a particular order must be placed under that order label. Orders to be used are listed in the reference book ID- 401. If family level identification is required, the insects should be further grouped together under the correct family label.

Educational Box – One additional box, based on the specific theme (see chart below), is required for grades 9-12, in addition to the insect collection boxes. This box can be created in any manner chosen (without mounting, pinning or identifying restrictions specified above).

Order Labels: <https://extension.entm.purdue.edu/401book/PDF/Orderlabels.pdf>

Exhibit Class Guidelines:

Beginner (1st-3rd Year in Entomology): Create a collection based on the year in Entomology or an educational exhibit.

Year in Entomology	Collection Information	Total Boxes
1 st year	10 insects, identified and pinned on cards (ID 401A)	1
2 nd year	20 insects, mounted (pins or vials). Identify all insects by common name and identify five (5) to order. Include card ID 401B.	1
3 rd year	30 insects, mounted (pins or vials). Identify all insects by common name and identify 15 to order. Include ID 401C.	1

Intermediate (4th-6th Year in Entomology): Create a collection based on the year in Entomology or an educational exhibit.

Year in Entomology	Collection Information	Total Boxes
4 th year	40 insects, exhibit a minimum of 6 orders, mounted (pins or vials). Identify all insects by common name and order. Include ID 401D.	2
5 th year	50 insects, exhibit a minimum of 8 orders, mounted (pins or vials). Identify all insects by common name and order. Identify ten (10) to family. Include card ID 401E.	2
6 th year	60 insects, exhibit a minimum of 10 orders, mounted (pins or vials). Identify all insects by common name and order. Identify 30 to family. Include card ID 401F.	2

Advanced (7th-10th Year in Entomology): Create a collection based on the year in Entomology or an educational exhibit. Advanced level insect collections are to also include an education box, for a total of four boxes. Advanced level youth may instead create an independent study topic of choice.

Year in Entomology	Collection Information	Total Boxes
7 th year	70 insects, exhibit a minimum of 12 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect behavior. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
8 th year	80 insects, exhibit a minimum of 14 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insect pest management. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
9 th year	90 insects, exhibit a minimum of 16 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: insects in the environment. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3
10 th year	100 insects, exhibit a minimum of 18 orders, mounted (pins or vials). Identify all insects by common name, order, and family. One educational box, theme: benefits of insects. Include card ID 401I. (1-3 collection boxes plus 1 educational box*). Place ID 401I in first collection box only. Card ID 401I download	3

FLORICULTURE

Project Leader: Josi Cripe, 260-578-8872

Divisions and Project Manual	Record Sheet – In Manual
Level A: Floriculture: Level A; Grades 3-4 Level B: Floriculture: Level B; Grades 5-6 Level C: Floriculture: Level C; Grades 7-9 Level D: Floriculture: Level D; Grades 10-12	Complete yearly.
<ul style="list-style-type: none"> Complete 2 activities from the manual each year. 	<ul style="list-style-type: none"> See page 8 for poster, educational display, and notebook guidelines.

Description: Youth will learn basic information and skills needed to grow healthy plants and flowers as well as floral design techniques.

State Fair Entries: 8 floral exhibits per county, 2 per level & 4 educational exhibits per county, 1 per level

Exhibit Guidelines: Floral arrangements can be constructed using fresh flowers and greenery grown yourself or purchased, flowers and greenery dried yourself or purchased, or artificial flowers or greenery.

Exhibit Class Guidelines:

Level A (Grades 3-4):

Floral Option - Create a simple bud vase (1-3 stems of main flower plus appropriate filler and/or greenery) or simple round arrangement (small, compact round cluster of flowers plus appropriate filler and/or greenery).

Educational Display Option – Create a poster, notebook or display about one of the following:

Chronicle your work in your flower garden (planning, planting, care, harvest, arrangement made with your flowers)

Describe how you planned or designed your garden, including how you chose the kinds of flowers.

Explain how you harvested your flowers, cared for them, and used them in an arrangement.

Explore and explain: pollination - what it is, why important, different ways it occurs or transplanting - what, how, things to watch out for; or role of insects with flowers (good, bad or both).

Explore and explain seed germination.

Explore and explain how to care for a 'sick' plant.

Continued

Report on interview with a floriculture professional (what do they do, types of jobs, type of training, hours worked, etc.)
Describe an experiment you did and the results.
Describe a community service project you did related to your flowers project.
Another similar activity.

Level B (Grades 5-6):

Floral Option – Create a mixed planter that includes 3 or more kinds of plants, make an item from dried plants, or display a house plant (flowering or non-flowering) you've grown.

Educational Display Option – Create a poster, notebook or display about one of the following:

Report how you harvested your flowers and/or herbs, cared for them, dried them, and used them.
Explore and explain: insects and your flowers and/or herbs.
Explore and explain: starting seeds indoors -- the process and pros and cons.
Explore and explain: perennials -- what are they, how are they used, benefits or drawbacks.
Investigate and describe a butterfly garden -- what types of plants, benefits to insects and butterflies, etc.
Describe how you planned or designed your garden, including how you chose the kinds of plants, any problems, successes.
Describe your houseplant - how you cared for, transplanted to larger pot, any problems, or successes.
Explore and explain: plant biology -- form and function, growth, photosynthesis, etc.
Explore and explain: how to grow plants indoors -- things to consider, common problems and solutions.
Explore and explain: environmental effects related to plants (such as light, water, soil, or temperature).
Describe an experiment you did and the results.
Explore and explain "Imagine That" - plants around the world, different cultural uses of plants, ways you used your plants/herbs/flowers.
Another similar activity.

Level C (Grades 7-9):

Floral Option – Create a terrarium, combination or European planter (3 or more kinds of plants), corsage, boutonniere, or specialty arrangement in a container (using dried flowers, roses, or lilies as the primary content).

Educational Display Option – Create a poster, notebook or display about one of the following:

Explore and explain: vegetative propagation -- how to, different types, problems and solutions, different uses of.
Plant nutrients- what are they, why does the plant need them, what happens if there is too much/too little, planters/containers vs. garden.
Investigate the design of multiple plant containers -- how to, things to consider, selecting plant materials, uses of.
Describe how you created your corsage or boutonnieres; or dried arrangement. Be sure to include appropriate information on design principles and how they are used to create your arrangement.
Explore and explain: floral tools and materials (how to use, what they are, care of tools, different uses of a tool or material).
Explore and explain: preserving cut flowers -- how, problems, uses of and/or diseases related to cut flowers.

Purdue Extension Food Safety Policy (revised 10/2020):

*For Food Competitions: Fillings, frostings, glazes, and meringues are not permitted to contain cream cheese, sour cream, heavy cream, or whipped cream if they are not fully cooked/baked. These items are allowed as ingredients in food products IF the final product is cooked/baked. Additionally, raw milk, raw milk products or uncooked eggs/egg whites are not permitted. Eggs/egg whites that have been cooked to 160° F (i.e. pasteurized or included as part of a batter and baked) are acceptable. No home-canned fruits, vegetables, or meats are permitted as ingredients in food products. Fresh-cut, uncooked, fruits and/or vegetables are not permitted to be used in food products or used as garnishes for the product. Foods should be transported to the competition in a way that minimizes contamination and maintains the quality of the food (i.e. foods that are judged as frozen should remain frozen at all times). Recipes must be provided that identifies all ingredients that were used in each part of the product. Any ingredient that could be a potential allergen must be clearly identified. Potential food allergens include, but are not limited to, milk, eggs, peanuts, tree nuts, fish, crustacean shellfish, wheat, soy and sesame. Each food product must be labeled with the following information: Name, Address (4-H member information can be taken from enrollment if needed), Contact information (phone and/or email address; 4-H member information can be taken from enrollment if needed), & Date the food product was made. Contestants should carefully wash their hands and make sure that their hands do not have any open cuts before preparing foods. If cuts are present, the wound should be bandaged and a single use food service glove worn on the hand during all stages of food production. Contestants should not be preparing food exhibits for competition within 48 hours of recovering from any illness. People experiencing symptoms of vomiting, diarrhea, fever, and/or jaundice should not be allowed to prepare food. Judges and individuals who will consume products from county and/or state competitions should be informed that they are at risk for foodborne illness since the established policy cannot guarantee that an entry has been properly prepared or handled before, during or following the competition. The food products for competitions are home produced and processed and the production area is not inspected by the Indiana State Department of Health. Tasting of a food product is solely at the discretion of the judge and consumers. Judges are **NOT** to taste any home preserved foods such as low-acid or acidified foods like green beans, tomatoes or tomato products, jams/jellies/fruit preserves or fermented products produced in the home. A completed recipe card is to be submitted with each exhibit. Recipe cards are for judging purposes only and will not be returned to the exhibitor. Laminating, wrapping the recipe card in plastic, or placing it in a clear plastic bag is optional. Since it is illegal in the State of Indiana for youth under the age of 21 to purchase or consume alcoholic beverages, 4-H members are to use recipes that do not include an alcoholic beverage as an ingredient. A suitable non-alcoholic or imitation product may be substituted*

Exhibit Class Guidelines:

Beginner (Grades 3-5): Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

Intermediate (Grades 6-8): *Create* an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate.

Advanced (Grades 9-12): Create an educational poster, notebook or display about any manual activity or on any forestry topic of choice that is age/grade appropriate, prepare a herbarium collection that contains at least 25 native Indiana forest leaves, or prepare a herbarium collection that contains at least 25 native Indiana forest shrubs. Youth can also design and complete an independent study activity.

Herbarium Collections - Collect 25 terminal twigs and at least two leaves, if space allows (only one compound leaf is required), from native forest trees. Mount the specimens on 11 ½" x 16 ½" paper. One leaf on the twig must be mounted to show the back side of the leaf. Label each sheet with the following: common name, scientific name, where collected, county where collected, date collected, name of collector, and specimen number. Cover each specimen. There are no specific references given for these exhibits. Youth are encouraged to use Extension publications, the Internet, books, and forest specialists when collecting and identifying specimens. The herbarium collection must be accessible to the judges. Do not cover it under the plastic that covers your poster. Youth may want to attach a folder or other holder over your poster to hold the mounted, covered specimens.

Description: This project helps young people know where their ancestors resided, traveled, and developed some family tradition.

State Fair Entries: 5 entries per county; one per division.

Exhibit Guidelines: Forms for this project are found on the Indiana 4-H Web site www.extension.purdue.edu/4h click on "projects" and then on Genealogy to reach downloadable forms. This project is organized into divisions and not grades for a youth cannot start in Division 3 without first completing Division 1 and Division 2. This is a project that builds on the previous division information in order to be successful in building your family tree. If you are using a genealogical commercial software program, you may need to type in or hand write in information required by the Indiana 4-H genealogy project. See 4-H forms on the 4-H website linked above. The exhibit will consist of no more than four (4) notebooks for Division 1-4- and first-year Advanced Division. (If a notebook requires additional space, label it as notebook x, continued.) Those notebooks are:

- Book #1 – Appropriate size notebook or binder, contains introduction sheet, pedigree charts and family group sheets
- Book #2 – Appropriate size notebook or binder, contains additional information worksheets and diary of work
- Book #3 – Appropriate size notebook or binder, contains supporting documents, pictures, etc.
- Book #4 – Appropriate size notebook or binder, contains Advanced Division options only (Begin using this notebook in first year of the advanced division or the fifth year of project enrollment.)

Another notebook should be maintained and kept in a secure place at home to keep original personal and legal documents as well as previously exhibited work.

Note – Youth may consolidate information in order to have fewer notebooks. In this case indicate on the cover the notebook numbers included and use dividers to separate information by notebook number as well as contents as indicated below.

Continued

Notebooks should be tabbed and in the following order: Book #1 - Introductory Page; Pedigree Charts; Family Group Sheets Book #2 - Additional Information Worksheets; Diary of Your Work Book #3 - Any Other Documents (label with ancestor numbers on tab) Book #4 - Advanced Division Options (label each tab separately with the specific option); Diary of Your Work (this will be a second diary describing work done for each advanced division option). Pedigree Charts, Family Group Sheets, Additional Information Worksheets, and Diary Sheets are to be placed in the notebook back-to-back in sheet protectors to save space, reduce the information being damaged, and reduce the number of sheet protectors required. So, the notebook exhibit can be displayed to the public and to minimize the potential of identity theft, original legal documents are **NOT** to be included in the exhibit notebook. Instead, a photocopy of any legal document is to be included in the notebook and all identifiable information (like social security numbers) except for names is to be completely marked out. Original legal documents are to be kept in a secure location by the 4-H member and his/her family. Reference notations are to be made in the "source" column of the Family Group Sheet and on each document. If information on a family member is unknown, an additional information worksheet for each required ancestor is still required. Write "unknown" or "NIA" (no information available) in PENCIL for each sheet of unknown ancestors or list several ancestors on a page and insert page in proper numerical order. After exhibiting the 1st year of the ADVANCED Division, only the Advanced Division notebook (Book #4) with ALL OPTIONS (no pedigree charts, no family group sheets, no additional information sheets, no documents from Divisions 1-5) needs to be exhibited each year the genealogy project continues.

Suggested Genealogy Supply List: Four 3" D-ring notebooks (Book #1, #3, #4 will be exhibited and the fourth 3" D-ring notebook to maintain documents at home and NOT exhibited.), One 2" D-ring notebook (Book #2), Computer or legible printing/handwriting (be consistent with method used), #2 lead pencil with soft eraser/black ink pen, Yellow highlighter, Notebook tabs AND acid free dividers (several tabs will be needed, be consistent with style used, should not appear past edge of notebook), Fine point permanent Black marker, Acid free and non-glare sheet protectors, Acid free paper, Acid free glue stick, Acid free satin Scotch tape Scissors, Correction tape, & Lots of creativity to make the exhibit your own while still following the exhibit guidelines.

Exhibit Class Guidelines:

Division 1 (1st year in project): Exhibit notebook that includes the following:

Book #1: An Introduction page with a recent photograph of yourself. Completed three-generation pedigree chart. This includes you, your parents, and your grandparents, ancestors #1 through #7. Put all surnames in capital letters and all dates in military form (12 July 1974). Give each person a number, as described in the "Recording the Information" section of the Indiana 4-H Genealogy Resource Guide 4-H 748. **You must use the pedigree charts listed at the** www.extension.purdue.edu/4h, **4-H 748Pc-W or 4-H 748Pbw-W** or the commercial software forms, but not the old "packet" pedigree charts. A Family Group Sheet for your parents and each pair of grandparents. Sources of information MUST be filled in on family group sheets (see section "Recording the Information").

Book #2 (Ancestors 1-7 information): Four (4) "Additional Information Worksheets": one (1) for you, the 4-H member one (1) for your parents one (1) for each set of grandparents (total = two worksheets). A diary of your work

Book #3 (Ancestors 1-7 information): Any documents or pictures pertaining to these three generations. Documents must be labeled with ancestor name and ancestor number. Pictures need to be labeled with ancestor name, plus names of all known people, place and date picture was taken, as well as ancestor numbers.

Division 2 (2nd year in project): Exhibit notebook that includes the following:

Book #1: Four-generation pedigree chart. This would include you, your parents, grandparents, and great-grandparents, ancestors #1 through #15. **You must use the pedigree charts listed at** www.extension.purdue.edu/4h, **4-H 748Pc-W or 4-H 748Pbw-W** or the commercial software forms, but not the old "packet" pedigree charts. A Family Group Sheet for each pair of great-grandparents. Sources of information filled in on family group sheets (see section "Recording the Information" in the Indiana 4-H Genealogy Resource Guide 4H 748).

Book #2 (Ancestors 8-15 information): An additional information worksheet for each set of great grandparents. A diary of your work

Book #3 (Ancestors 8-15 information): Any photographs taken of tombstones of your ancestors and their children. Please document location of tombstone(s) and label with ancestor name, ancestor number, and date photo was taken. Rubbings are acceptable in lieu of photographs. Any other documents or pictures pertaining to these generations, correctly labeled.

Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 2 ancestors 8-15 and related information.

Division 3 (3rd year in project): Exhibit notebook that includes the following:

Book #1: Five-generation pedigree chart, ancestors #1 through #31. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. If an ancestor is UNKNOWN, please indicate as UNKNOWN. **You must use the pedigree charts listed at** www.extension.purdue.edu/4h, **4-H 748Pc-W or 4-H 748Pbw-W**, or the commercial software forms, but not the old "packet" pedigree charts. Additional Family Group Sheets for generation five (5). Sources of information must be filled in on family group sheets (see section "Recording the Information" in Indiana 4-H Genealogy Resource Guide 4-H 748).

Book #2 (Ancestors 16-31 information): Additional information worksheets. A diary of your work.

Book #3 (Ancestors 16-31 information): Write an autobiography, the story of your life. Include pictures, relevant dates, and important events.

OR, write an essay about what your hopes and dreams are for the future, or about life goals you hope to attain. Any documents or pictures pertaining to these generations, correctly labeled.

Exhibit Book #1, Book #2, and Book #3. Books 2 and 3 should only include Division 3 ancestors 16- 31 and related information.

Division 4 (4th year in project): Exhibit a notebook(s) that includes the following:

Book #1: Six-generation pedigree charts, ancestors #1 through #63. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. **You must use the pedigree charts listed at** www.extension.purdue.edu/4h, **4-H 748Pc-W or 4-H 748Pbw-W**, or the commercial software forms, but not the old "packet" pedigree charts. Additional Family Group Sheets for generation six (6). Sources of information must be filled in on family group sheets (see section "Recording the Information").

Book #2 (Ancestors 32-63 information): Additional information worksheets. A diary of your work

Book #3 (Ancestors 32-63 information): A copy of a photograph or a story of a sixth-generation ancestor. Include information about the date when the photograph was taken, how or where you found it and what's happening in it or why it was taken. If this is unavailable, write a story about the historical period during which your sixth-generation ancestor was living. Any documents or pictures pertaining to these generations, correctly labeled.

Exhibit Book #1, Book #2, and book #3. Books 2 and 3 should only include Division 4 ancestors 32- 63 and related information.

Advanced (5th year and above in project): Exhibit notebook that includes the following:

Book #1: Seventh and eighth-generation pedigree charts, ancestors #64 through #255. If ancestry is unknown, please indicate as Unknown. Computer programs do not generally print chart numbers, so if you are using a computer program, make sure you have the correct number of ancestors. Your family group sheet for generations seven and eight. Sources of information filled in on family group sheets (see section "Recording the Information" in the Indiana 4-H Genealogy Resource Guide, 4-H 748).

Book #2 (Ancestors 64-255 information): Additional Information worksheets. Diary of your work

Book #3 (Ancestors 64-255 information): Any documents or pictures pertaining to these generations; correctly labeled.

Book #4: One new advanced level option (see below). Advanced division exhibitors must include ALL options submitted in prior years, with each option labeled with the year completed.

Pedigree charts are available on the Indiana 4-H Web site for your additional genealogy research. EACH YEAR FOLLOWING, continue to add ancestors to your pedigree charts. In addition, choose one of the following options that has not been completed previously. Please identify, by letter, the option that you are completing (for example: Advanced Division, Year 1, Option A; Advanced Division, Year 2, Option C; etc.)

Advanced Division Year 2 and beyond – Exhibit Book #4 that contains advanced division options and a second diary of work. If additional ancestry information was found in the seventh and eighth generation, exhibit Book 1 noting ancestors completed this year along with Books 2 and 3 demonstrating this year's work.

EXPLAIN the information received as to how it relates to you and your ancestors. Copies of documents obtained in previous divisions are acceptable and should be utilized in the option chosen if needed.

A migration map of your eight-generation ancestors. You should have at least one map per family line with charts or explanations of the migrations.

A timeline historical report of a family line. Show how this family fits into history. Document your report as well as possible with dates, records, places or maps, pictures, etc. Be sure to include proper labels and sources.

A census history of a family line. Census abstract forms can be found on several websites. Download forms to abstract the census. Your notebook should contain copies of the census and the completed abstract form for each census.

A history of your family's religious background for any family line or lines. Include a brief history of the denomination. Include baptism, confirmation or profession of faith and membership records. Also include information or history of the congregations involved. Be sure to include proper labels and sources.

A history of your family's military service for a family line. Include supporting documents when possible. These documents could include military records, (muster rolls, discharge papers, etc.), pension records, and bounty land records, as well as maps and pictures. Be sure to include proper labels and sources.

A research paper on a famous ancestor. Prove your relationship to this person with documentation. Try to include pictures and anecdotes to enhance your paper.

Complete a family line or lines back as many generations as possible beyond eight generations (ancestors 256 and beyond). Include pictures, maps and documents. Be sure to include proper labels and sources.

A timeline historical report of another family line not previously completed. Document as well as possible as in Option B. You need to state at the beginning that this is a second family historical report on such ancestor.

A history of your family's military service for a family line not previously completed. Include supporting documents as in Option E. You need to state at the beginning that this is a second family military history report on such ancestor.

Family DNA history. (This can be a very expensive option) Please include charts and explanations. i.e., use pie charts, ethnicity estimates, approximate percentage regionally, number of countries searched, genetic percentage, family tree, graphs, etc.

Any other genealogy related activity of choice.

GEOLOGY

Project Leader: Brad Rody 765-716-0081

Division and Project Manual (Reference book <i>Let's Look at Rocks</i> is distributed the first year in the project. <u>Level 1: Geology 1; Grades 3-5</u> <u>Level 2: Geology 2; Grades 6-8</u> <u>Level 3: Geology 3; Grades 9-12</u>	Record Sheet Complete yearly.
• Complete 2 activities from the manual each year.	• If exhibiting a notebook/poster/educational display, see page 8 for requirements.

Description: Geology involves studying the earth's crust, its layers, and their history. Youth learn to identify Indiana rocks, minerals, and fossils.

State Fair Entries: 3 per county; one per level

Exhibit Guidelines: Specimens may also be displayed in a 24"x 18"x 3" collection box, displayed horizontally. You may purchase your specimens and may display rocks, fossils, and minerals. If you purchase a specimen, indicate when and where you purchased it and the location where you would expect to find the specimen. If you collect a specimen, indicate the county and township where you found it. Posters and display boxes will be exhibited "standing up" at the fair. Therefore, you need to mount your specimens securely. Subject matter experts suggest the following methods: soaking ½ cotton ball in Elmer's glue, hot glue, or clear tub sealant. Place the cotton ball in your box and put your rock (or fossil or mineral) on the cotton ball and let sit. It will take 1-2 weeks for Elmer's glue to fully harden. Specimens mounted with Elmer's glue can be removed by soaking the cotton ball in water. Glue remaining on the rock may be brushed off with an old, damp toothbrush. When exhibiting rocks show a fresh surface (recently cracked or broken surface) to help judges identify the rock. Labels - Include the specific geographical location where you would expect to find any specimens as well as where you actually acquired it (found, purchased, etc.). Do not identify your specimens any further than phylum and class. There is one exception to this for fossils which are identified to phylum OR class. Class should only be used for fossils of mollusks, backboned animals, and arthropods.

Exhibit Class Guidelines:

Beginner (Grades 3-5): Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate.

Intermediate (Grades 6-8): Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or collection of 8-16 minerals and/or fossils.

Advanced (Grades 9-12): Create an educational poster, notebook or display about any manual activity or on any geology topic of choice that is age/grade appropriate, or collection of 15-25 minerals and/or fossils and/or jewel stones. Youth can also design and complete an independent study activity.

HEALTH

Project Leader: Josi Cripe 260-578-8872

Division and Project Manual <u>Level 1: First Aid in Action; Grades 3-5</u> <u>Level 2: Staying Healthy; Grades 6-8</u> <u>Level 3: Keeping Fit; Grades 9-12</u>	Record Sheet Complete yearly.
• Level 1 completes 2 activities while Levels 2 & 3 complete 3 activities in the manual yearly.	• One State Fair entry per level for a total of 3.

Description: The 4-H Health project is designed for youth interested in basic first aid and healthy well-being, as well as those interested in pursuing a medical profession career.

State Fair Entries: 3 exhibits per county; one per level.

Exhibit Class Guidelines:

Beginner (Grades 3-5): Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a family first aid kit, emergency kit, an emergency kit to take on a hiking, biking, skiing or similar trip, or another similar kit.

Intermediate (Grades 6-8): Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create a personal nutrition kit to use when doing physical activity like chores, working out at the gym, hiking, biking, skiing, or another similar kit.

Advanced (Grades 9-12): Create an educational poster, notebook or display about any manual activity or on any health topic of choice that is age/grade appropriate. Another option is to create an activity or guide to help yourself or others become more aware of financial wellness, mental health, disease prevention, or other similar topic that promotes healthy habits. Youth can also design and complete an independent study activity.

HOME ENVIRONMENT

Project Leaders: Jaime Rose 260-578-1316 & Clarissa Walther 260-306-1571

Division and Project Manual (Levels 2 and 3 will use the same project manual for all years.) <u>Level 1: Color, Texture, Line & Shape</u> Grades 3-5 <u>Level 2: Design Decisions;</u> Grades 6-8 <u>Level 3: Design Decisions;</u> Grades 9-12	Record Sheet Complete yearly
<ul style="list-style-type: none"> • Complete 2 activities each year. • See page 8 for poster/notebook/display requirements. 	<ul style="list-style-type: none"> • All exhibits must include the Home Environment Exhibit Card, 4-H-1011-D-W. • There will be two State Fair Entries per level each year for a total of six entries.

Description: Youth will apply the principles of design to home design and decoration as well as learn about care of home furnishings.

State Fair Entries: 6 per county; two per level.

Exhibit Class Guidelines:

Beginner (Grades 3-5): Choose one of the following options:

- Furniture Item and Notebook – create a wall hanging, storage organizer, a set of 3-5 accessory items or something similar for the home or similar activity.
- Design Board and Notebook – color a line drawing from your manual and create three color schemes, color a line drawing from your manual and demonstrate dominant and supportive color, or display a line drawing showing where furniture would be placed in the room or similar activity.
- Portfolio – Collect different color schemes, magazines showing different furniture designs, or magazines/photographs of formal vs informal balance, dominant and supportive colors, etc. or similar activity.

Intermediate (Grades 6-8): Choose one of the following options:

- Furniture Item and Notebook – refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook – create a line drawing for a room in your home showing furniture layout, accessory items and fixtures or similar activity.
- Portfolio – display a sample of three different types of wall treatment with explanation of each, three different floor treatments with explanation of each, an energy plan for your home, or similar activity.

Advanced (Grades 9-12): Choose one of the following options:

- Furniture Item and Notebook – refinish or repurpose a piece or set of furniture, storage unit, or display a collection of 3-5 similar home accessory items, or similar activity.
- Design Board and Notebook – display a floor plan for any room of your house or the whole house or apartment, or similar activity.
- Portfolio –display a sample of three different lighting or window treatments with an explanation of each, interview an interior designer and prepare a report, a home energy saving proposal plan, or similar activity.

Exhibit Categories:

Furniture Item and Notebook: An actual piece of furniture accompanied by a standard notebook (3-ring binder) explaining the who, what, when, where, why, and how of the chosen project. We suggest including pictures showing where the item will be used. Also, we encourage 4-H members to include pictures of themselves doing the project, but this is not required. Always place your identification information in the notebook and on the furniture.

Design Board and Notebook: Standard 22" x 28" poster, displayed horizontally with a firm backing. Design boards must be covered with plastic to protect and help hold items in place. An identification name tag must be attached in the lower right corner. The notebook is to help explain the who, what, when, where, why, and how of the chosen design. This can be a "before and after project" or "plan in the future" project.

Portfolio: Standard notebook (3-ring binder). If 4-H members choose to do this option more than one year, we suggest that they keep the previous year's materials in the notebook. Place materials for the current year in the front, with the previous year's materials clearly marked or labeled at the back. Always place your identification information in the notebook.

SEWING: 4-H FASHION REVUE

Project Leader: Julie Echard – 260-571-5500

Judging AND PUBLIC FASHION REVUE Thursday, July 13 Time and Location TBA;

(For Senior and Junior Division category descriptions, please refer to the sewing project.)

Fashion Revue Scripts due JUNE 24 to Extension Office

- Return an outfit description form at judging check-in. Forms are available on the Purdue Extension Wabash County Website.
- A Jr. Division Champion will be selected in each Fashion Revue Category for grades 3-7.
- Senior Division; grades 8-12 - The judges may name one Champion and one Reserve Champion in each of the six categories: informal or casual Wear, dress-up, free choice, suit or coat, separates, and formal wear.
- Senior Fashion Revue contestants may exhibit 1 outfit in each of the 6 categories. (NOTE: only 1 sewing wearable construction entry is permitted.) If you have opted to participate in more than one fashion revue category, you must indicate your preferred state fair entry upon check-in at county fashion revue judging.
- To be announced as winner/alternate, the 4-H'er must participate in the public revue at the fair. The exception would be in case of extreme emergency.
- All 4-H'ers participating in the public fashion revue will receive special blue fashion revue ribbons.
- ALL fashion revue exhibits will remain after judging, **Tuesday, July 12**, in order to be displayed at the fairgrounds.
- Each piece of clothing must be tagged with exhibitor's name before leaving the Honeywell Center.
- Garments modeled must have been made by contestants since the last Wabash County 4-H Fair.
- Costumes to be worn in the State 4-H Fashion Revue cannot be exhibited in the State Fair 4-H Clothing Exhibit.

Description: This project teaches youth skills to present themselves in a professional manner by providing an opportunity for youth to model the outfit constructed in the 4-H sewing project.

State Fair Entries: 6 senior exhibits per county with no more than two exhibits per category. Note – State fair fashion revue grand champion will be selected from the six senior sewing category champions modeling their sewn garment or outfit plus the advanced consumer clothing champion modeling their purchased outfit.

Exhibit Guidelines: All garments and outfits modeled in Fashion Revue, except consumer clothing entries, must have been constructed by the 4-H member modeling that same garment or outfit. Youth qualifying to exhibit the same garment or outfit in Indiana State Fair Sewing and Fashion Revue must choose which project they wish to participate as one cannot exhibit the same garment or outfit in both projects at state fair.

DEFINITION OF AN OUTFIT: An outfit is a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.

Exhibit Class Guidelines:

Junior (Grades 3-7): Model the garment or outfit constructed for the sewing project. Accessories may be purchased or selected from what you currently have.

Senior Categories (Grades 8-12):

Informal or Casual Wear: A complete outfit of 1 or 2 pieces suitable for school, weekend, or casual, informal activities. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt.

Dress Up: This is suitable for special, church, or social occasions that are not considered to be formal. It may be an outfit of one or more pieces with or without its own costume coat or jacket (lined or unlined). This is not an outfit that would be worn to school, weekend, or casual, informal activities.

Continued

Free Choice: A complete outfit comprised of garments that do not fit in the other classifications. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt. Individual garment examples include: tennis wear, swim wear, athletic or sportswear, lounge wear, riding habits, historic, dance, theatrical, or international costumes, capes, and unlined coats.

Suit or Coat: The suit consists of two pieces including a skirt or pants and its own lined jacket. It is not a dress with jacket as in "dress up wear". The coat is a separate lined coat. It will be judged separately as a coat with its own accessories.

Separates: Consists of three garments that must be worn as a coordinated complete outfit. A complete outfit is defined as a garment or garments that when put together make a complete look - such as one- or two-piece dress, or one- or two-piece pant suit, or a three-piece combination, such as pants, vest, and blouse or shirt. Each piece should be versatile enough to be worn with other garments.

Formal Wear: This outfit may be one or more pieces suitable for any formal occasion, such as proms, weddings, and formal evening functions.

<ul style="list-style-type: none"> • Complete 2 activities from the manual each year 	<ul style="list-style-type: none"> • Sewing skill card must be attached to exhibit. 	

Description: The sewing project teaches fabric selection, pattern selection and sewing machine use to construct items used around the home or other purposes.

State Fair Entries: *Non wearable* 10 exhibits per county; one per grade level. *Wearable* - 5 junior exhibits per county; one per grade level & 6 senior exhibits per county; one per category.

Exhibit Guidelines: Older youth enrolled in the 4-H sewing project for the first time may not feel comfortable demonstrating their assigned grade level skills. In this instance the county 4-H youth development educator may, at the request of the 4-H member and parent, assign the member to a lower level grade level to develop fundamental skills. Provide a completed sewing skills card, 4-H 925c-W, with the exhibit. Skills sheets are for judging purposes only and will not be returned to the exhibitor.

Indiana 4-H Sewing Skills and Techniques: Youth and their mentor/volunteer leader/instructor should use this chart as a guide when deciding appropriate skills to incorporate in a sewing wearable or non-wearable article, garment or outfit for exhibit. While this list is a guide, it is not meant to be an all-inclusive list and youth should demonstrate skills they are most comfortable mastering. For example, some youth in a 4th grader might feel comfortable attempting 6th grade level skills, but it is unlikely a 4th grade level exhibitor will be able to successfully master the 10th grade level skills. Exhibited items must demonstrate the minimum skill techniques from their given grade level but may also include higher/lower-level techniques that have been mastered. Any higher/lower-level techniques will not be counted as part of the minimum skills, but nevertheless will be evaluated for quality. Youth are encouraged to utilize a number of resources such as web sites, print material, social media, and television shows when learning sewing skills and techniques. Skills learned from these types of resources may be demonstrated provided they are age/grade appropriate. *Seam finishes are recommended on all exposed seams (except knits). Interfacing, under stitching and trimming should be used when appropriate.*

Division and Project Manual (Manuals will be distributed by leader at Shooting Sports Club meetings.)			Record Sheet
<u>Level 1:</u> Grades 3-5	<u>Level 2:</u> Grades 6-8	<u>Level 3:</u> Grades 9-12	Shooting Sports leaders will specify what record sheets need completed.
<ul style="list-style-type: none"> • All members may participate in 1 Discipline only. • If exhibiting notebook/poster/educational display, see requirements on page 8. 		<ul style="list-style-type: none"> • Create an exhibit that shows the public what you learned in shooting sports education this year. 	

Description: The 4-H shooting sports project teaches safe operation of firearms and archery equipment.

State Fair Entries: 3 per county; one per level

Exhibit Guidelines: Live ammunition is not allowed to be exhibited (no powder or primer). Firearms or ready to shoot bows are not allowed to be exhibited. Unstrung bows are permissible. An arrow with its arrowhead attached must be displayed in a secure case. An arrowhead without the arrow attached must be displayed in a secure case. An arrow may be displayed unsecured if its arrowhead is removed. Modern broadhead arrows are not allowed to be exhibited. Displays involving firearms or bows may be exhibited as a photographic display on a poster or in a notebook following grade level guidelines. Handmade items must include information explaining how the item was made and its intended use. Photos are encouraged. Our 4-H programs offer in-person shooting instruction. In-person instruction in any of these disciplines must be led by a 4-H certified instructor.

Exhibit Class Guidelines:

Beginner (Grades 3-5): Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate.

Intermediate (Grades 6-8): Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate. Another option is to create an item to be used when developing shooting sports skills.

Advanced (Grades 9-12): Create an educational poster, notebook or display about a shooting sports topic of choice that is age/grade appropriate. Another option is to create an item for use when developing shooting sports skills. Youth can also design & complete an independent study activity.

SMALL PETS / ANIMALS County only project

Division and Project Manual	Record Sheet
<u>Level 1: Beginner; Grades 3-5</u> <u>Level 2: Intermediate; Grades 6-8</u> <u>Level 3: Advanced; Grades 9-12</u>	Complete yearly.

This project includes animals that are raised at home as a pet such as, but not limited to: gerbil, rat, mouse, guinea pig, exotic bird, turtle, non-venomous reptile, potbellied pig, ferret, hamster, fish, cat, dog, & rabbit (If NOT already entered as Dog or Rabbit project). It does not include any wild animal or animal that is controlled or illegal to possess. Care for your pet. Keep record of cost, food, and care. Complete record book. Develop a poster using information from care books, internet sites, veterinarian, pet store and pamphlets. (See Poster Requirements on page 8.)

Beginner

Grade 3: Basic Pet Needs and Grooming of Your Pet

Grade 4: Animal Body Parts – Describe your pet’s body parts. Do any of these parts serve a purpose or function? i.e., turtle shell (protection), wings (to fly), feathers (to maintain body temperature), etc.

Grade 5: Diet – Explain your animal’s diet, nutritional needs and what you feed your animal.

Intermediate

Grade 6: Handling Your Pet – Since you carry & hold small pets frequently, it is important to know how. Explain proper handling procedures for your pet. Explain improper handling & why this can have negative effects for your pet.

Grade 7: Shopping for Pets – Show cost comparison for your pet’s supplies. You could include items such as: bedding (shavings), food, cage/aquariums, toys, food & water dishes, housing, etc. You could get information from pet stores, books, magazines, etc.

Grade 8: The Digestive System – Describe your animal’s digestive system by showing and explaining the parts.

Advanced

Grade 9: Diseases – Explore diseases your animal is susceptible to & preventative measures to be taken &/or treatments.

Grade 10: Taxonomy – Are there different breeds or varieties of your kind of pet? Describe the characteristics and traits for your kind of animal. Describe any animals that are similar to yours and share the differences.

Grade 11: Health care for animals/Dealing with loss – Explore health care options for your animal, look at yearly vet visits and/or how people emotionally deal with the death of an animal/pet.

Grade 12: Vital Signs – Explain normal temperature, pulse rate, & respiratory rates (or ranges) for your pet. Other ideas to include on your poster are: take the body temperature, pulse rate, & respiration rate of your pet one time each week for 8 weeks; graph the results. Select a disease that would affect your pet’s vital signs. Write a brief summary about the disease & how to prevent it.

SMALL ENGINE REPAIR

Division and Project Manual	Record Sheet – In Book

LIVESTOCK PROJECTS – STATE REQUIREMENTS FOR ALL LIVESTOCK

All deadlines will be enforced! (For specifics, see each specie's description in the 4-H Handbook)

STATE FAIR

- Entry deadlines for State Fair: **May 15, 2022** - Beef, Dairy, Sheep, Swine, Horse and Pony, Dogs, Goats, Poultry, and Rabbits
- All livestock going to State Fair, must complete a State Fair 4-H Animal Affidavit & have it notarized.
- Refer to the Indiana State Fair Website or the Purdue Extension office for more specific information. www.indianastatefair.com

- All animals exhibited at the 4-H Fair must meet Board of Animal Health (BOAH) requirements. Requirements are updated annually.
- General animal health requirements may be found below with specie specific information found within the rules pertaining to that specie.

ANIMAL HEALTH REQUIREMENTS FOR EXHIBITION OF DOMESTIC ANIMALS IN INDIANA 2017 GENERAL REQUIREMENTS FOR ALL SPECIES - BOAH

The following describes the Indiana State animal health requirements for all animal exhibitions in the state. HOWEVER, exhibition organizers may impose additional animal health requirements as a condition of entry. BOAH recommends contacting exhibition organizers for information about requirements for each event. Call **Indiana State Board of Animal Health at 1-877-747-3038** with questions concerning animal health requirements.

A. Limitations on Exhibition: This section describes limitations on exhibiting animals in Indiana. There may be other exhibition limitations that are described in the specific species requirements.

1. Failure to meet all animal health requirements will result in removal of animals from the exhibition premise.
2. The following animals are not eligible for exhibition in Indiana:
 - a. Animals that originate from a herd that is under quarantine.
 - b. Any animal classified as a brucellosis "suspect".
 - c. Animals showing symptoms of any infectious or communicable disease or that are a health hazard to persons or other animals.
 - d. Any animal that does not meet state animal health requirements.
1. Any animal developing/showing signs of infectious/communicable disease during exhibition must be removed from the premise and surrounding exhibition grounds. Owners disputing exclusion of their animal from exhibition may not exhibit the animal in question pending appeal.

The State Veterinarian is authorized to make the final determination as to an animal's eligibility for exhibition. The state veterinarian may order removal of any animal from exhibition ground. Exhibition organizers may impose health requirements in addition to those prescribed by BOAH. Added requirements may not contradict requirements imposed by BOAH. Exhibition organizers may have a licensed and accredited veterinarian review animals and animal health documentation during the exhibition.

B. Certificates of Veterinary Inspection (CVI)

1. **For animals that originate in Indiana**, contact the exhibition organizer to determine the CVI requirement, if any.
2. **For animals that originate outside the State of Indiana**, the exhibitor must have a properly completed CVI (commonly known as "health papers") for the animal. This CVI requirement applies to the following types of animals:
 - a. All animals of the family Bovidae, (cattle, sheep, goats, and buffalo)
 - b. All animals of the family Equidae, (horses and donkeys)
 - c. All animals of the family Suidae, (domestic and feral swine)
 - d. All animals of the family Cervidae, (deer and elk)
 - e. All animals of the family Camelidae, (camels, llamas, and alpacas)

A CVI on any animal coming from outside Indiana for exhibition in Indiana is valid for 30 days from the date it is issued.

3. CVIs accompanying animals for exhibition must be completed by a licensed & accredited veterinarian who has personally inspected the animals & Must clearly include a description of each animal including the age, sex, and breed of the animal, and the official identification for each animal.
4. Certificates of Veterinary Inspection for all out-of-state swine & cattle going to the Indiana State Fair must have the import permit number for the 2020 Indiana State Fair, "INSF", written on the certificate.
5. A copy of the official CVI for each animal exhibited must be on file at the state veterinarian's office prior to the opening day of the exhibition.

C. Identification: All exhibition animals must be permanently and individually identified by an acceptable method. Please refer to specie rules.

D. Testing: All tests required for exhibition must be conducted at the Animal Disease Diagnostic Laboratory (ADDL) at Purdue University, a laboratory approved by the Indiana Board of Animal Health or a state-federal-approved laboratory.

Indiana 4-H Guidelines for Animal Exhibits

1. 4-H animals are expected to be in the possession and regular care of the 4-H member who owns/leases them from the animal ID deadline until the conclusion of the county and/or state fair.
2. For 4-H breeding animals: family corporations and/or partnerships of 4-H members with one or more parents, siblings, grandparents, aunts, uncles, or legal guardians are acceptable.
3. For 4-H dairy cattle: family corporations and/or partnerships of the 4-H member with unrelated persons or dairy operations are also acceptable.
4. Dairy heifers, horses, ponies, and llamas may be leased subject to approval of both the county 4-H dairy, horse and pony, or llama committee and the respective County Extension Educator.
5. 4-H animals exhibited after the animal ID deadline (April 1 for market steers and May 16 for all other animals) at any show by anyone other than the person whose 4-H enrollment record is connected to the ID of the animal in Indiana 4HOnline will not be eligible to be shown in the 4-H show at the Indiana State Fair. This term/condition does not apply to siblings and parents, who may show each other's animals at any show during the year without jeopardizing State Fair eligibility. This policy applies to all 4-H animal projects. For animal projects without ID deadlines, the person who enters them in the Indiana State Fair 4-H show is the equivalent of the owner of the animals.
6. 4-H animals purchased, sold or offered for sale after the ID deadline and prior to the Indiana State Fair (including animals that have gone through a "Premium Only Auction"), shall not be eligible to show in the 4-H show at the Indiana State Fair. Sale of products of animals (milk, cheese, wool, etc.) in lieu of the animal, are considered equivalent to a "Premium Only Auction."
7. To exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry and rabbits, 4-H members must be certified through the Youth for the Quality Care of Animals program. This is an annual program that can be completed via online modules or in-person trainings. For more information about in- person trainings in your county, please contact your County Extension Office.

Wabash County General Livestock Requirements

Exhibitors who do not cooperate with State and/or Wabash County Livestock Rules may be barred from showing by the 4-H Council.

PLEASE NOTE: WHILE THE 4-H ENROLLMENT DEADLINE FOR ALL PROJECTS IS JANUARY 15, 2021. ADDITIONAL ANIMAL IDENTIFICATION REQUIREMENTS MUST BE MET FOR EACH LIVESTOCK SPECIES. ANIMAL ID MUST BE COMPLETED BY DATES INDICATED. SEE INDIVIDUAL SPECIES INFORMATION FOR DETAILS. Penalty: Failure to complete animal identification in 4HOnline and YQCA certification will result in 4-H member's ineligibility to show that specie at county fair and state fair. A visit by the Extension Educator accompanied by an approved 4-H volunteer may be scheduled to verify your project is under your daily care. A follow-up visit may occur prior to the fair.

While on the fairgrounds the superintendent and/or committee members and/or 4-H Council, and/or 4-H Extension Educator reserve the right to interpret and enforce any rules or violation of rules and determine penalties for rules infractions in accordance the Wabash County Rules and Policy Enforcement Section in this handbook.

COMPLETE PRIOR TO FAIR

1. Turn in a completed 4-H livestock worksheet for each specie you're enrolled in by **June 23**. 4-H families receive 1 resource book per family the first year a member is in enrolled in a specie. Use resource books to help answer worksheet questions.
2. Members in ALL species will register all exhibits at wabashcounty.fairentry.com by **June 23**.
3. Complete YQCA (Youth for the Quality Care of Animals) Certification Program by **June 23**.

FAIR SET-UP/CHECK-IN

4. Any 4-H member interested in a tent spot will sign up for a spot beginning at 8:00a.m. on **Saturday, July 9**. A single line will form for tent spots and extra swine pen sales. No one is permitted to go on the fairgrounds before 5:00a.m. to form this line. **EACH PERSON IN LINE MAY REPRESENT ONLY ONE 4-H FAMILY. (FAMILY IS DEFINED AS ANYONE WITHIN A SINGLE-FAMILY PROFILE IN 4-HONLINE.)** When it is your turn, you will be asked if you want to purchase an extra swine pen, reserve a tent spot, or both. A single family is NOT eligible to reserve greater than a 20-foot span of tent space. If you do not attend on **July 8**, any available tent spaces may still be reserved beginning **July 16 at 5:00 p.m.** No boxes, bedding, supplies, tents etc. are permitted to be set-up on the grounds until **5:00 p.m. Saturday, July 15**. **Permanent tents may be erected along the west and south fences of the livestock barns from 5 p.m. on Saturday, July 15. You must be present at 5:00 p.m. to get your tent space.** 4-H members arriving on grounds prior to **5:00 p.m.** will stay north of the fairground's creek (AKA: ditch) until **5:00 p.m. During tent set-up**, there will be no unloading of any items from outside of the fence off Gillen Ave. on the south side of the fairgrounds.
5. Trailers should remain north of the ditch unless loading or unloading. All livestock trucks and trailers must be removed from fairgrounds by 11:00 p.m.0 each night.
6. 4-H animals will be physically inspected prior to entering the barn and may be rejected or removed for health issues at any time during the fair.

BARN EXPECTATIONS

7. **PER FIRE MARSHALL – ONLY 12 GAUGE EXTENSION CORDS CAN BE USED IN THE BARN. ANY EXTENSION CORDS THAT ARE NOT 12 GAUGE WILL BE REMOVED BY THE FAIR BOARD IN ORDER TO BE IN COMPLIANCE WITH FIRE CODES.**
8. A 4-H'er must put manure in places designated for that purpose.
9. 4-Hers must keep aisles clean and clear. Unreasonable size boxes and equipment and number of bales of hay or straw will not be allowed. Fair boxes in the hog aisles can be no larger than 4 feet by 2 feet.

12. Self-supporting tents i.e., no ropes or stakes, may be erected between livestock barns the morning of the show and must be taken down within one hour after the show.
13. 4-H exhibitors are asked to be mindful of other livestock shows going on during the week of the fair and be courteous of livestock and exhibitors when it comes to using the wash racks while other species are showing.

ANIMAL CARE

14. Grooming of all livestock on the fairgrounds is limited to currently enrolled **Indiana 4-H members**, their immediate family members and approved Wabash County 4-H adult volunteers. Immediate family is defined as those family members included as sibling, parents, guardians in the member's 4HOnline Family Profile. When completing Fair Entry, members must submit the names and the current Indiana County of 4-H enrollment of 4-H members who will be providing grooming assistance at the Wabash 4-H Fair. If rule is broken, the penalty is that the animal will not show. Grooming does not include holding halter, controlling animal and keeping animal, 4-Her and/or public safe.
15. All animals must meet all health requirements listed in the 4-H Handbook. (Refer to BOAH section on previous page and with each specie)
16. No sick livestock will be allowed to quarter on the show grounds.
17. 4-Hers must keep their own stalls or pens clean and will furnish feed and bedding for their own livestock.
18. Tie outs for calves will be permitted from 9:00 PM - 7:30 AM. Animals may be exercised in the horse arena between **9:00 PM and 10:30 PM**.
19. Indoor show arena will not be used for exercising of animals before or after shows at any time, unless authorized by Department Superintendent.
20. No oral or nasal medications or injections will be allowed to be given on the fairgrounds unless administered by a registered veterinarian. A livestock committee member and 4-H council member must also be present when medications are administered.
21. If for the safety and wellbeing of the animal, a drenching tool may be used to administer medication after the approval of 4-H council member AND livestock committee member. Premanufactured tube of paste are allowed.

LIVESTOCK SHOWS

22. RIBBONS-Livestock 4-H exhibits will be judged in first through fifth placings. Only Blue-Ribbon animals or exhibits may compete for champion.
23. An animal may be exhibited by only one 4-H member (except Horse and Pony).
24. **4-Her must be in appropriate clothing with closed toed shoes on. The 4-Her may not show a farm name on their attire while in the ring.**

REMOVAL OF LIVESTOCK EQUIPMENT/ANIMAL CHECK-OUT

24. No livestock is to leave the grounds outside of the time allowed in 4-H Handbook **unless deemed necessary by the livestock superintendent or the 4-H Extension Educator.**

Continued on next page

25. Animal Release times – ALL Species are free to release at any of the following times:

Wednesday – STATE FAIR LIVESTOCK RELEASE (swine, beef, & sheep only) – 8 pm to 11:00 pm (pending completion of horse show).
State Fair Livestock ONLY may release with proof of State Fair Enrollment (e-mail receipt either printed or on phone is acceptable). You may only take home the specie/s you have registered for state fair. Livestock and equipment load out will all occur at the west end of the Show Arena.

Thursday – ALL Livestock – 8 pm to 11:00 pm (Livestock & equipment loadout will all occur at west end of Show Arena.)

26. Vehicles are allowed south of the horse and pony make-up arena for removal of livestock equipment from 5-7 am and 10-11 pm.

27. 4-H members must put manure in one of the three designated places around the buildings. When livestock is released, the 4-Her must completely clean own stall or pen and dispose of manure properly.

Showmanship Rules

1. Showmanship divisions are determined by grade: Rookie – grade 3; Juniors - grades 4, 5, 6; Intermediates - grades 7, 8, 9; Seniors - grade 10 & up
**Exceptions Rabbit Ambassador and Horse & Pony follow State Fair guidelines.
*A 4-Her may win showmanship only once in each division; not including Supreme Showmanship. Winners must advance to the next division the following year or wait for their specific grade division. The exceptions are Horse & Pony and Rabbits which follow State Fair Guidelines.
2. Prior Round Robin winners may compete in their appropriate grade level of species in which they did not qualify for Round Robin, but are ineligible to compete in the Round Robin competition if named the winner
3. In all species, the animal used in the showmanship class **must be identified within the 4-H member's family profile in 4HOnline.**
Supreme Showmanship
4. Exhibitors include Rookie, Junior, Intermediate, & Senior division winners plus past Senior and Supreme winners.
5. Past Supreme winners may only compete in the Supreme division for that species in future years.
6. *In the event that the winner of Supreme Showmanship either opts out, or is ineligible, of the Round Robin competition the Round Robin t-shirt will be awarded to the Round Robin competitor. The trophy will remain with the winner of the class.

Round Robin Showmanship

Superintendent: Gwen Mize

Committee Members: Livestock Superintendents of All Species

1. Judging: Thursday, **5:00 p.m.** Round Robin Participants are to report to the Show Arena at **4:45 p.m.**
2. Seven Supreme Showmen: Beef, Dairy, Dairy or Pygmy Goats, Boer Goats, Horse & Pony, Sheep, Swine. One participant per specie.
3. Participants will be Supreme Showman or Alternate Supreme Showman of each specie. If a participant wins more than one specie, he/she will choose which specie he/she will represent. The alternate will then be allowed to represent the other species.
4. ALL past winners of the Round Robin competition will be ineligible to compete again in the Round Robin competition for the remainder of their 4-H eligibility in Wabash County.
5. Animals used in the Round Robin classes will be chosen by the superintendent of each specie. All necessary show equipment will be provided. Participants' animals or their family's animals (brother, sister, stepbrother, and/or stepsister) will not be used.
6. Horses will be available 1 hour prior to the contest.
7. Each participant will be required to show all seven species. There will be a random draw for each participant's animal.
8. Participants will remain in the show arena at all times during the contest; upon entering the show arena participants are not allowed to speak to anyone except the judge.
9. If any problems arise, the 4-H Council's decision will be final.

NEW 2023 Auction Rules

At the conclusion of the fair, you have three choices as to what to do with your animal.

Take it home

Market Truck available for goats, sheep, beef or swine. You will receive only the market price for the animal.

Live auction (you must declare your auction status on Fair Entry as well as declare your intentions at the barn office no later than one hour after the conclusion of your show. If you fail to declare your animal will go home.)

There are 2 auction options for the 4-Hers. You may only participate in ONE auction and you cannot switch auction opportunities after the Fair Entry deadline

Declaring your intentions at the fair must be done up to 1 hour after the conclusion of your species show. When declaring, if your animal is not a meat market appropriate type such as a light weight or older dairy female please make a notation on that declaration paper if it is going on the truck or participating in the live auction.

Swine cannot go through the auction or on the market truck if they weigh 209 lbs or less.

If auction checks are lost by the 4-Her or family there will be a fee to cancel and rewrite the check.

Review all Wabash County 4-H Fair Rules, General Livestock Rules, Showmanship Rules and Auction Rules

While on the fairgrounds the superintendent and/or committee members and/or 4-H Council, and/or 4-H Extension Educator reserve the right to interpret and enforce any rules or violation of rules and determine penalties for rules infractions in accordance the Wabash County Rules and Policy Enforcement Section in this handbook.

COMPLETE PRIOR TO FAIR

1. ALL beef must be in possession and under the daily care of the 4-H Member by the Identification Deadlines specified above
2. All animals must be properly dehorned, to be exhibited at the fair, except when required to register. This excludes BEEF feeder calves.
3. All male calves must be castrated or clamped by ID Day for Market Steers and by Fair for Feeder Calves.
4. There will be a beef project meeting prior to the Wabash County 4-H Fair. 4-H members who attend the meeting in its entirety will be able to select their stall space for the Wabash County 4-H Fair and receive a waiver for their beef worksheet. Information and date about the workshop will be sent prior to the event date.
5. All breeding females will be born after September 1, 2021 to stay in compliance with Indiana State Fair guidelines.

FAIR CHECK-IN: Entry and Weighing* **Sunday, July 17, 12:00-3:00 PM** for ALL beef.

* Please note Minimum weight for Market Animals is 701lbs.

* Please note maximum feeder calf weight is 700 lbs.

1. Type of bedding will be 4-H Member's choice. Often a base layer of mulch is donated by generous sponsors. Communication about sponsored bedding will come prior to the fair.
2. There is no limit on the total number of steers or heifers that may be shown at the county fair.
3. Registration papers, electronic or paper copies, should accompany the animal when entering the scales at the 4-H fair. Registered Market Animals & Breeding Heifers must have registration papers meeting Indiana State Fair breed purity requirements. If your animal is not registered they will show as a commercial heifer or crossbred market animal.
 - Breed changes at the fair can be made one hour after classes are posted on Sunday. Cattle may switch to another breed they are registered in (must have valid registration papers) as or as a crossbred/commercial as long as they have corresponding registration papers. If an animal has registration papers and would like to move from crossbred to a breed that is also acceptable. Some examples below:
 1. 4-H member has a heifer that is registered and has registration papers as a shorthorn plus, a mainetainer and can also be shown as a commercial. At county fair check in 4-H members decides to exhibit as a shorthorn plus. Classes are posted and 4-Her sees there are no commercial heifers and would like to exhibit as a commercial heifer instead. 4-Her has one hour after classes are posted to present registration papers and make that switch.
 2. 4-H member has a market animal that is registered and has registration papers as a maine anjou, a chianina and can also be shown as a crossbred. At county fair check in 4-H members decides to exhibit as a crossbred. Classes are posted and 4-Her sees there are no Maine Anjou market animals and would like to exhibit as a Maine Anjou market animal instead. 4-Her has one hour after classes are posted to present registration papers and make that switch.
 3. These are just 2 of the many examples. If you have questions, please ask a beef committee member. We would like to see as many 4-H members represented in the champion drives as possible.

FAIR JUDGING (BEEF SHOW) Judging: Tuesday, July 18 at 8:00 AM

1. Animals must meet all Health requirements listed in the 4-H Handbook.
2. Animals may show as a dairy OR beef feeder, a market animal OR a breeding heifer. If a member wishes to exhibit their beef feeder heifer ALSO in the breeding heifer class they may do that.
3. Feeder cattle will show by weight only, no breeds.
4. Market Animals will show by breed and weight.
5. Breeding Heifers will show by breed and age.
6. Acceptable breed types include all breeds shown at the Indiana State Fair 4-H show including market heifers. Market Heifers will be a breed and show in the market animal show.

GENERAL EXPECTATIONS FOR MEMBERS SHOWING BEEF DURING FAIR

COMPLETE PRIOR TO FAIR

1. All 4-H swine are required to be ear notched for the Wabash County 4-H Fair.
2. Ear notches entered during online animal ID must match with pigs that come to the fair. Typed ear notches will be used as the primary identifier for all swine exhibited at the Wabash County 4-H Fair. Notches should be typed as Pig's Right Ear – Pig's Left Ear (Example: 21 – 9)
 - a. When identifying swine in 4HOnline, members will have the option of uploading images of the ear notches for each swine.
 - b. The photo will be used in the event there is a discrepancy between what is typed into the ear notch field and the actual notches as read by volunteers at county fair check-in. (Images will only be used at county fair...not the Indiana State Fair.)
 - c. Instruction on obtaining correct angles and views of the ears will be distributed with animal identification instructions in March.
 - d. Fair exhibitors with incorrect swine ear notches who have chosen NOT to upload images or have uploaded images in a manner that does not follow the instructions distributed in the March ID letter will not be eligible to exhibit at the Wabash County 4-H Fair.

 - d. Fair exhibitors with incorrect swine ear notches who have chosen NOT to upload images or have uploaded images in a manner that does not follow the instructions distributed in the March ID letter will not be eligible to exhibit at the Wabash County 4-H Fair

FOR WABASH COUNTY 4-H FAIR

3. Animal tag numbers must be identified when completing online animal ID at in.4honline.com by May 15 to be eligible for fair participation. 4-H members will complete the following steps to be eligible for Wabash County 4-H Fair competition.
 - a. 4-H Members will be responsible for tagging their own swine prior to county fair. (Taggers may be checked out for a \$50 deposit.)
 - b. Pick up tags at the Extension Office prior to May 15 in order to correctly ID your swine in 4-H Online.
 - c. ONLY County RFID Tags will be accepted and must be applied to the swine BEFORE entering the fairgrounds.
 - d. If assistance is needed in tagging swine, contact any swine committee member prior to June 15 to schedule an appointment.
4. All purebred gilts and barrows must be registered in the 4-Hers name, family name, or farm name by the breed registry. A hard copy of the breed registration certificate from the breed registry must be presented at fair check-in. No photocopies or e-mails to the 4-H educator from the breed registry will be accepted, Originals only, or they will be shown as crossbred.
5. 4-H members may not knowingly exhibit swine with male characteristics including but not limited to testicular tissue, boar smelling urine, foaming at the mouth, etc.
 - a. It is recommended that swine are castrated at 1-2 weeks of age; however, if purchasing a boar, you may castrate up until the May 16 animal identification deadline. (Please follow these practices to optimize your chance of a healthy swine project.)

FAIR CHECK-IN: SUNDAY, JULY 16, 5:00 PM – 8:30 PM

6. 4-Her will need at entry:
 - a. Registration papers for all Purebred Barrows and Gilts.
 - b. Entry card with the correct animal information for the animals in the trailer. Please pick-up the entry card from the check-in tent when you pull in line. If the animals in your trailer do not match the notecards provided, return to the tent so corrections can be made. Entry cards are printed immediately following Fair Entry closing on **June 24**. Please make any known changes or adjustments in your Fair Entry account prior to **June 24**.
 - c. No hogs, with their hair clipped less than 1/2" will be allowed to sell in the group sale. Hair will be measured at swine check-in.

GENERAL EXPECTATIONS FOR SWINE MEMBERS DURING FAIR

7. **One pen for every 2 pigs will be assigned per 4-H member. ALL pen assignments are final.**
 - a. **4-H members must keep their pigs in (1) the originally assigned pen, (2) the purchased pen of the 4-H member, (3) the assigned pen of an immediate family member (defined by rule 2 in the State 4-H Guidelines on pg. 38 or (4) the purchased pen of an immediate family member.**
 - b. If additional pen space is available, they will be sold on a 1st come basis. One pen per 4-H member at a cost of \$25.00 each starting at **8 a.m.** at the barn office **on Saturday, July 8**. If there are other pens still available, after the conclusion of the first group, any 4-H member that purchased a pen can also purchase one more additional pen.
 - c. Each 4-H member will be limited to a total of **4 pens**.
 - d. All pigs **being sold** must be returned to the 4-H member's originally assigned **pen(s)** by Thursday at 11:00pm or they will be fined a \$50 fee to be deducted from the group truck check.

CHECK OUT: All pens must be cleaned out immediately following livestock release on Thursday.

8. Fair Boxes are to be no larger than 4' long x 2' deep. Larger boxes do not allow for flow of traffic and are a safety hazard. Boxes should be placed on top of the pens on shelf provided, if possible.
9. No trimming or clipping of hogs will be allowed after check in at the fairgrounds.
 10. Each member must furnish bedding of sawdust or shavings. No straw permitted

4-H Achievement Award Application

Wabash County 4-H utilizes an Achievement Award program based upon The Recognition Model established by the National 4-H Council, rewards positive learning behaviors in youth and is based on the youth's involvement, participation and/or efforts. In addition to being rewarded for peer competition, focusing on the following three parts of the recognition model allows a 4-H member to broaden their experiences.

Participation: The achievement process emphasizes the importance of acknowledging young people who participated in 4-H educational experiences. Some examples of these experiences include Purdue Round-up, Science Workshops, Youth Congress, etc.

Cooperation: Learning and working together promotes high achievement. Cooperation may take advantage of all the skills represented in the group, as well as the process by which the group approaches the learning task/goal. Achievement in the area of cooperation may include serving as an officer, committee member, service learning participation, etc.

Progress Toward Goals: Progress toward goals, no matter how small, is an important part of recognition & achievement. Youth are encouraged to find projects or educational areas of interest that they can stick with on a long-term basis. The achievement process recognizes those who stick with projects over a period of time. Members will monitor goals through completion of an Achievement Award Application.

A 4-H member may complete this application for Wabash County 4-H Achievement Awards following completion of the fifth year in a project. Each award may be received once per project and will be awarded in the order presented below. (For example: A project pin cannot be received if the member has not yet received a certificate.) **Awards will be given to all 4-H members who have met eligibility requirements.**

AWARD	REQUIREMENT
Certificate – C	Completion of fifth year in a given project plus requirements outlined in sections 2-3.
Project Pin– PP	Completion of sixth year in a given project plus requirements outlined in sections 2-3.
Clover Patch – CP	Completion of seventh year in a given project plus requirements outlined in sections 2-3.
Plaque – P	Completion of eighth year in a given project plus requirements outlined in sections 2-3.

SECTION 1

- Next to each project, use the abbreviation above to indicate the award(s) for which you are applying.
- Remember, awards are based upon years completed in a project, NOT total years in 4-H.
- Use one application for ALL awards for which you are applying.
