

Sampler

Edition 2 | January 2025 | Editor: Lori Taylor

Hi Ladies, I hope all of you have been well and have been able to stay warm during this blast of cold, snow, and ice. Hopefully, we will be able to put this behind us and look forward to spring and sunshine. If you saved your last sampler and marked your calendar, you will see that it is time for our first event since our reorganization.

*Homemakers Building News...

- ✚ The chair rack has been hung, which has really opened the area near the closet. Sliding chairs have been a concern for years.
- ✚ Also, our Center Board Representative, Bev Turnock, has reported that we will have a new keypad lock on the Homemakers Building door. It will be so nice not to need to stop by the Extension Office to pick up a key.
- ✚ Thank you, Center Board! We appreciate your efforts!

We have noticed that there has been a sewing machine in the building for quite some time. I'm afraid that it has been left behind and forgotten. If you know any information about this, please call the Extension Office at 812-897-6100.

***Gift Lift News...**

AS you all should know, it was decided at our reorganization meeting in the fall that each club would take care of their own “gift lift” shopping this year. It was just too hard to know exactly where club members wanted items sent and how many different facilities scattered across the county. In the first Sampler was a small form, which was to be returned to Lori Taylor by January 1, 2025. At this time, only two clubs responded:

- | | | |
|------------------------|-----------|--|
| ✚ Country Friends: | 45 items | Cypress Grove/Newburgh
Transcendant Health Care/Boonville |
| ✚ Southern Comforters: | 7 items | Brickyard/Newburgh |
| | 118 items | Gateway Pediatrics |

Many of you might not know this, but the county spokesperson prepares a report which goes to both our district representative and state president. These numbers are combined and reported to show just how caring and active Indiana Homemakers are so **please send in your report today!**

***Healthful Hint...**

Pineapple Cough Recipe

- ✓ Pineapple juice
- ✓ Honey
- ✓ Fresh crushed pineapple
- ✓ Pinch of sea salt
- **Blend & sip on the refreshing juice all day!**
- **Pineapple contains bromelain, an enzyme that helps thin mucus and reduce inflammation.**
- **Soothes sore throats, reduces congestion, boosts the immune system.**
