CLOVER GAZETTE NOV/DEC 2025

Fall is Here; so is 4-H Enrollment...It seems impossible that October has come and is almost gone! We welcome the fall season, which includes the crisp air, beautiful colored leaves, pumpkins, farmers busy in the fields and for some, a very busy fall schedule of sports, school and family fun.

Fall and Winter for the 4-H Program...The fall and winter months always seem so busy with rule changes and gearing up for new things for the following year. This year is no different at all, you will want to stay in the know by checking out the Warrick County Purdue Extension website at extension.purdue.edu/warrick. Here you will be able to view the Clover Gazette Newsletter at your fingertips and be made aware of all the opportunities and changes for the new programming year. Also, be sure to follow us on Facebook at Warrick County 4-H.

Get Enrolled for 2026...I encourage you to invite a friend to give 4-H a try for the year; maybe you have a common interest in Foods, Aerospace or Americana projects. Whatever the case may be, think about how much fun you have in 4-H and how much fun it would be if your non-4-H friends joined along with you!!!

Enrollment Deadline Enrollment is officially open: October 1, 2025, Add/Drop Project Deadline: May 15, 2026

Updates, Information and Available Opportunities for YOU

Seeking Adult Volunteers...

While many volunteers stay with us for years, when a volunteer signs on, they are only making a one-year commitment that needs to be renewed each year. We always have need for volunteers to help on projects, 4-H grounds, 4-H Fair, etc. Please consider donating your time and talents!

Please contact Carla Kidwell @ kidwellc@purdue.edu or call the Extension Office if you are interested in being a 4-H Volunteer.

Yearly Volunteer Commitment

Volunteers must recommit volunteer efforts annually to continue serving in a volunteer role with the Warrick County 4-H Program. You may simply log into your [v2.4online](#) account to complete this process.

Enrollment opened October 1st. Please make re-enrolling a priority and complete by December 1st or ASAP. There are re-enrollment

instructions on the website at extension.purdue.edu/warrick. Once page is open, scroll down to Warrick County 4-H. Click on Learn About Our 4-H Program. Click on 4-H How Do I Join? Scroll down to instructions.

Volunteer recommitment includes updating contact information, selecting volunteer role and viewing the required training videos. Once these steps are complete on your end you will enter "Awaiting Review". We will then review your enrollment, confirm everything required is complete and accept volunteer recommitment as needed for all available positions.

THANK YOU!
