Dear Livestock Exhibitor,

Please read through this document carefully. Each year, livestock exhibitors are required to complete a quality assurance program in order to show their livestock at the White County and Indiana State Fairs. This program is designed to educate producers (exhibitors) on the care of their animals in order to provide a safe product for consumers. This training is for every 4-Her in grades 3 through 12 who is exhibiting beef, dairy, sheep, swine, goats, rabbits, or poultry at the White County Fair and/or Indiana State Fair. **This is a mandatory program. You must be certified in order to exhibit.**

If you are attending any non-4-H livestock show, check the requirements before you go.

If you are unable to attend one of the trainings listed, and you are unable to complete the online training, you may attend a training in a surrounding county. You will most likely need to call the county's extension office to see what you need to do to register and pay for the training. Once you have attended that training, the county educator should call our office to let me know and you will be marked complete in 4-H Online. If you have questions about this, call the White County Extension Office.

If you are not exhibiting any of the livestock listed above in 2025, please let us know so we can remove you from the list. If you have any questions about this process, feel free to contact the Extension Office at (219) 984-5115.
