

4-H Volunteers Needed ... Could this be you?!?

The White County 4-H Program includes many volunteers who are all committed to making a positive difference in the lives of young people. We couldn't run such a successful program without our volunteers parent helpers. Would you want to volunteer? Could you help out in some way? If so, please complete the form below. Please note: We provide the tools necessary for our volunteers and parent helpers to thrive. We make sure they are equipped to provide the best educational experience possible for the children with whom we work. Thank you in advance for giving of your time, talents, and treasures.

Here are some areas where you may want to get involved (please check all interests):

Monthly opportunities

- _____ Mini 4-H Workshops (Typically one per month Jan.-July)
- _____ Chaperone for Junior Leader activities (multiple times throughout the year)
- _____ Leading a Community or Project-focused Club (multiple times throughout the year)
- _____ Being a Project Advisor (questions asked of you prior to fair)
- _____ Board Member (meet multiple times throughout the year)

Short-term opportunities

- _____ Teaching a SPARK Club (single or multiple time(s) throughout the year)
- _____ Sharing your expertise/Presenting an info session (single time)

Opportunities related to the fair

If you would like to be an **approved volunteer** for the White County 4-H Program, please see additional information below.

To become an **approved volunteer** for the White County 4-H Program, please visit v2.4honline.com and register yourself as an adult member of your family. Please contact Molly Childers, 4-H Extension Educator, for step-by-step instructions (219-984-5115 or childer9@purdue.edu). We ask that you complete a 4-H Volunteer application, which includes providing the names of three unrelated references. Please complete these and return them to the extension office at your earliest convenience, so they can be processed. Volunteer applicants are subject to background checks, as the safety of children is our number one concern. You will also be required to take an online training, as well as agree to the university's vehicle use policy and liability waiver. After your background checks and training are successfully completed, Molly will be able to consider your application for approval.

Thank you again for giving to the youth of White County!

Sincerely,
