Scan with your phone's camera to learn more about Mini 4-H!

Mini 4-H is for youth in Kindergarten – 2nd grade and is a great opportunity for youth who are too young to join 4-H to see what the 4-H program is all about. In White County, Mini 4-H members join and participate in a Township 4-H Club, but also will have the chance to participate in some fun Mini 4-H workshops throughout the year. Mini 4-H members can also choose to exhibit projects at the White County 4-H Fair.

A Mini edition of the newsletter was sent out in April and it can also be found on our website.

Mini 4-H project options include: Animal Poster, Cake Decorating, Collections, Crafts, Creepy Crawlies, Flowers, Foods, Models, Nature, Sewing, Space. Mini 4-H members can also participate in Mini 4-H Animal Showmanship classes for Sheep, Goats, Dairy, Beef, Poultry, Rabbits, Swine, and Horses during the Fair. Be sure to review the White County 4-H Handbook for guidelines on exhibits. Enroll in White County Mini 4-H online at <https://v2.4honline.com>

We are looking for a dedicated volunteer to help lead this project. You would work with Molly to create fun, educational events for Mini 4-H members along with answering questions and helping at the pre-fair judging. If you are interested in this, please contact Molly.

Volunteer Information

Anyone who wishes to work with the White County 4-H program must be an approved 4-H Volunteer. All new volunteers will need to contact the White County Extension Office for information on how to complete the volunteer approval process.

All returning 4-H volunteers will need to re-enroll annually using 4HOnline. Volunteers should log into 4HOnline using the login email and password that was used when enrolled in 4HOnline last year. If you have forgotten your email or password or enrolled using a paper form last year, please contact the Extension Office.

REMINDER: All volunteers are required to complete an online Youth Safety and Reporting Child Abuse training course called Operating Procedures for Programs Involving Minors. The training can either be completed in 4HOnline or by coming into the Extension Office, and takes about 45 minutes to complete.

Please be sure to enroll as a 4-H Volunteer before you begin working with 4-H youth. This is for the safety of the youth and volunteers alike, and is required. Please contact the White County Extension Office at (219) 984-5115 with any questions or concerns. Thank you for volunteering with the White County 4-H Program. Animal Identification

All Livestock Animals (Beef, Dairy Beef, Dairy, Goats, Horses, Llamas, Sheep, and Swine) that will be exhibited at either the 2023 White County 4-H Fair or the 2023 Indiana State Fair need to be identified in 4HOnline by **May 15th, 2023**

Information has been sent to all Livestock project members with instructions on completing this process. Please enter your animals online as soon as possible and contact the Extension Office with any questions or concerns.

Animals may be shared between members of the same family (as long as they are enrolled under the same 4HOnline family profile). These animals must be entered under at least one member.

Scan with your phone's camera for more information

Attention Swine Members

Please note the following information in regards to the White County 4-H Swine Project:

- State Fair Exhibitors: If you have unused RFID tags from previous years, please use them first and/or share with other exhibitors if you have extra. **You must have an 840-RFID tag in place by the May 15th deadline.** You will need this tag number for the Animal Identification process. You must enter this number along with the ear notch for each hog identified in 4hOnline.
- A **DNA Sample** is required for all State Fair hogs. Collection envelopes need to be picked up at the Extension Office and returned to the Office by Monday, May 15th.
- If you plan to put boards at the bottom of your swine pen at the County Fair, they can not be taller than 12 inches.
- The Mini 4-H Swine Lead class will be open to all White County Mini 4-H members.
- We will have a buyer for the hogs after the fair this year.

Premise ID- Don't Wait!

Do you have your livestock premises registered? Indiana State Law requires premise identification for all sites associated with the purchase, sale, or exhibition of livestock in the State of Indiana. This includes cattle, swine, sheep, and goats. To obtain a Premise ID#, please see the information listed on the Indiana State Board of Animal Health website at: <http://www.in.gov/boah/2328.htm>. You may also contact BOAH at animalid@boah.in.gov or (317) 544-2400. Be sure to leave enough time to receive your Premise ID # before the May 15th Animal ID deadlines.

Indiana 4-H Quality Livestock Care Program (Formerly YQCA)

Each year, livestock exhibitors are required to complete a quality assurance program in order to show their livestock at the White County and Indiana State Fairs. This program is designed to educate producers (exhibitors) on the care of their animals in order to provide a safe product for consumers. This training is for every 4-Her in grades 3 through 12 who is exhibiting beef, dairy, sheep, swine, goats, rabbits, or poultry at the White County Fair and/or Indiana State Fair. **This is a mandatory program. You must be certified in order to exhibit.**

2023 Update: Purdue Extension and Indiana 4-H have designed a new Indiana 4-H Quality Livestock Care Program (quality assurance program specifically for Indiana 4-H members). This program will be offered in-person only. It is our hope that this new program will be more interactive and informative for 4-H livestock exhibitors. Thanks to a generous donation from the White County Ag Association, the \$3 in-person program fee has been waived for all White County 4-H Members. However, the option to complete the online YQCA training is still available for \$12 per exhibitor. One reason you may want to complete the online training may be that you are attending an open livestock show may still require the YQCA training. If you are attending any non-4-H livestock show, check the requirements before you go.

(In-Person) Indiana 4-H Quality Livestock Care Program

1. Register for the event via 4-H Online (v2.4honline.com). Instructions are enclosed. You may only sign up for ONE training event. If you need to change your sign up, call the extension office.
2. Show up to the training, sign in, and stay for the entire length of the training.
3. Receive your training certificate from Molly. This will come within 2 weeks of completion. This certificate will be your proof of completion, more information on this will come during the training event. **Please make sure your email address in 4-H Online is correct.*
4. By July 1st, check your 4-H online profile under the “trainings” tab to make sure your training has been marked complete. If it is not marked complete, call the extension office.

The following in-person trainings will be available at the White County 4-H Building in Reynolds.

- May 18th 6:30-7:30 p.m.
- June 2nd 2:00-3:00 p.m.
- June 15th 10:00 a.m.-11:00 a.m.

Instructions for the online YQCA option were detailed in the letter sent to all livestock exhibitors via mail and email. If you missed this letter, it is available on the White County 4-H Website. <https://purdue.link/whiteco4h> This letter also included registration instructions for the in-person offering. Answers to frequently asked questions regarding this program can also be found on the website.
