

White County 4-H
Sheep Educational Activities – Grade 8

Project Year _____

4-H'er Name _____ Club _____

Activity #1

Please answer the following questions related to Chapter 8, "Showing & Selling" from the Ohio State Sheep Resource Handbook

- | | | |
|------|-------|--|
| True | False | 1. When entering the show ring you should move quickly and at multiple speeds. |
| True | False | 2. When showing your sheep leave plenty of room between you and the next exhibitor and move into position and set your sheep up. |
| True | False | 3. Each leg may be set where ever you want. The hind legs should be slightly narrower than the front legs |
| True | False | 4. Be sure to keep the animal between you and the judge at all times. Do not block the judge's view of your sheep. |
| True | False | 5. Concentrate on who is standing along ringside or who is sitting in the stands rather than the judge. |
| True | False | 6. When the judge moves in the rear or in front of your animal, slowly and deliberately move from one side to the other |
| True | False | 7. One way to "brace" your sheep is to put a little pressure under the jaw and at the same time, pull the head down slightly. |
| True | False | 8. During the show, you should keep all four of the sheep's feet on ground. |
| True | False | 9. Courtesy in the show ring is not very important and you should always be overly aggressive while showing your sheep |
| True | False | 10. Concentrate on your animal's position and watch the judge. You should have a calm, confident manner in the show ring. |
