Looking for 4-H Spark Club Volunteers!

Do you have a passion, skill, or special interest that you would like to share with the youth in White County? We are currently looking for volunteers to start a few Spark Clubs! Spark Clubs are special interest 4-H Clubs that match your skills and talents with youth who are interested in the same topics. Spark Clubs are open to both current 4-H youth and youth who are not involved in 4-H. Spark Clubs meet on a schedule that is convenient for the volunteers, but must meet for at least six (6) hours.

We would like to see more new Spark Clubs in 2022-2023!

If you are interested in starting a Spark Club or have ideas that you would like to share, please let us know! We would be more than happy to help you in any way we can. Please help us to encourage our youth to learn by doing and share your skills, talents, and interests!

Junior Leader Info

What: Junior Leader Callout Meeting

When: September 12, 6:30 PM

Where: 4-H Building in Reynolds

All White County 4-H members in grades 7-12 are invited to join the White County 4-H Junior Leaders for an evening of fun, while they find out what the White County 4-H Junior Leaders is all about! If you have questions about Junior Leaders, this is a great time to get some answers!

What is Junior Leaders?

Junior Leaders is a group of White County 4-H members currently enrolled in grades 7-12 that meet once a month and have lots of fun! Past activities have included: Game Nights, Community Service, Indiana Beach/Madam Carroll day, Leadership training with other counties, cook out, and much more!

We focus on community service and building relationships with other 4-H members, while providing opportunities to develop leadership skills. This is a great chance to make new friends and become a leader in White County 4-H.

Volunteer Information

Anyone who wishes to work with the White County 4-H program needs to be an approved and enrolled White County 4-H Volunteer. All new volunteers will need to contact the White County Extension Office for information on how to complete the volunteer approval process.

All returning 4-H volunteers will need to re-enroll annually using the 4HOnline system. **Beginning October 1st, volunteers should log into 4HOnline using the login email and password that was used when enrolled in 4HOnline last year @ v2.4honline.com.**

Thank you for volunteering with the White County 4-H Program. Without all of you, our program would not be nearly as successful!

Please contact the White County Extension Office at (219) 984-5115 with any questions or concerns.

All 4-H Committees Meeting Reminder

All White County 4-H Committees will meet on **Wednesday, September 7th at 6:00 p.m.** at the 4-H Building in Reynolds. Each committee will need to work on finalizing their plans for the 2022-2023 4-H year. All committees will have to have their changes submitted by **September 16th**. Committee members are encouraged to look over all of the project rules and have suggestions and ideas ready to discuss. Committees should also come prepared with suggestions for judges for the 2023 Fair.

Individuals who have changes or additions to suggest are encouraged to submit them in writing to the Extension Office or the respective committee prior to the meeting.

Remember to Say “Thank you!”

Attention 4-H members!

Did you receive a trophy, trip, or special award this year, or did you sell an animal in the 4-H Livestock Auction? Did someone help you with your 4-H project this year? This may include parents, siblings, 4-H Leaders, auction buyers, Ag Association members, other 4-Hers, or 4-H Volunteers.

If so, please remember to write your sponsor, donor, buyer, or helper a thank you - even if you thanked them at the time you received the award. Individuals and businesses donate to the 4-H program because they believe in you and in what 4-H offers. Without this support, our program would not be as successful. Let's show White County 4-H Supporters that we really do care about all of the things they do for us in the White County 4-H Program!

Please take time to show our supporters that we appreciate their help!

Get Experience in Mindfulness

Does the back to school season have you feeling stressed? You're not alone! Back to school anxiety is at an all time high in youth across the country. To help combat this, Molly and Sara (Assistant Health and Human Sciences Educator) are teaming up to host a GEM program in the fall. This program is open to anyone ages 10 and up. We will be teaching youth about stress management through goal setting, awareness, relaxation techniques, and communication. This is a 4-day after school program. We will be hosting this at Roosevelt Middle School from 4:30-6 p.m. on September 12,14,19, and 21. Participants will be encouraged to attend all 4-sessions to gain the full experience. To learn more and register, call the White County Extension Office.
