WHO CAN BE A JUNIOR LEADER?

- Any 4-H member enrolled in grade 7 or higher in 2021.

PURPOSE OF JUNIOR LEADERS

The purpose of joining Junior Leaders is not to just add another club to your list of activities, or give you something to do on Thursdays. It is to become a part of a group of youth who strive to be better through serving those around them, committing themselves to learning, and holding themselves to a standard of behavior centered around the values of the 4-H pledge. Also, to have a lot of fun while we do it!

Junior Leaders:

- * Become involved in community service projects.
- * Promote education.
- * Assist 4-H leaders in planning and conducting 4-H clubs.
- * Become acquainted with other 4-H'ers.
- * Participate in county 4-H activities.
- * Encourage younger members to assume leadership roles.
- * Assist with 4-H projects and activities.
- * Provide opportunities to accept responsibility.

Leadership Characteristics

Leadership is the art of influencing and directing people in such a way as to obtain their willing confidence, respect and loyal cooperation to accomplish a task. A leader is not selfish or boastful; rather, a leader is cooperative, poised, and seeks to **serve others first. By setting a positive example, a leader is someone whom others follow.** A leader uses creativity and determination to make a dream become a reality. The leader does not always seek to control others, but knows that with the help of others, the group will reach its goals.

Leadership requires a person to have the following characteristics:

1. **Have self-confidence.** If you believe in yourself and your goals, you will be more successful.
2. **Demonstrate responsibility.** If you say that you will do something, follow through, and do it to the best of your ability. After all, if you do not have the time to do it right the first time, where will you find the time to do it all over again?
3. **Build up others.** By building up others' self-esteem through public and private compliments and praises, you will build your own self-concept.
4. **Use imagination.** Without creativity, the other characteristics make a boring leader who simply repeats the ideas of others.
5. **Listen to others.** Listen to adults, peers and other 4-H members to hear their perspectives on an issue.
6. **Solve problems.** Work diligently on the problem until it no longer exists.
7. **Take risks.** A leader is not afraid to try something different, such as talking in front of large groups, or leading a new activity.

You do not need to hold an office to be a leader. You do not have to be a snob, an athlete, a totally organized person, a nerd, or an "unknown" to be a leader. You can be whoever you want to be and still be a leader as long as you understand what a leader does.

As a leader you use your skills and techniques to:

1. Provide an opportunity for every member to participate.
2. Set clear expectations for the members.
3. Involve others in activities that are of interest to them.
4. Guide members through their work.
5. Recognize individuals for the contributions that they have made to the group.
6. Provide helpful, constructive criticism as needed to help the members improve themselves.
7. Hold meetings that maintain the interest of the members.
8. Provide new experiences for the members.
9. Set an example for others through your words and actions.

Words of Leaders

"The first responsibility of a leader is to define reality. The last is to say thank you. In between, the leader is a servant." -Max DePree

"Never doubt that a small group of thoughtful committed citizens can change the world. Indeed, it is the only thing that ever has." -- Margaret Mead

"Leadership is not an affair of the head. Leadership is an affair of the heart." -James Kouzes and Barry Posner

"It is our choices that show what we truly are, far more than our abilities." -- J.K Rowling

"We make a living by what we get. We make a life by what we give." -Winston Churchill

"Life's most urgent question is, 'What are you doing for others?'" -Martin Luther King Jr.

Why Join Junior Leaders?

Serving as a 4-H Junior Leader is an honor, an opportunity and a responsibility. 4-H Clubs are most successful when your enthusiasm, energy and ideas are combined with the experience of your Adult 4-H Leader, Junior Leader Advisors and your 4-H Youth Extension Educator. Junior Leadership is a project, which requires careful planning. Your adult leaders will supervise your work and be a source of help when you have questions or problems. However, these adults cannot make you a leader...you must put forth the effort yourself to be an effective leader.

There are several reasons why you would want to be a 4-H Jr. Leader:

1. You can help mentor younger 4-H members and enable them to experience and succeed in the same opportunities that you have had in 4-H program.
2. You can help to develop a local and county 4-H Club program, learn more about the 4-H program in general, and open up the door to a number of scholarship, award, and trip opportunities for your future.
3. You can develop your ability to work with others, make new friends, and become a leader in your community.
4. You can develop your abilities to plan, to organize and to reason, build your skillset as a leader, and become a better person and member of your community.

“Are you on this planet to do something, or are you here just for something to do? If you’re on this planet to do something, then what is it? What difference will you make? What will be your legacy?”

— James Kouzes and Barry Posner

4-H Junior Leader Expectations

As a 4-H Jr. Leader you will be expected to:

1. Set a good example by your own club and project work.
2. Help other 4-H members.
3. Cooperatively work with your Extension Educator, Adult Leaders, Junior Leader Advisors, 4-H parents and other 4-H members in carrying out the 4-H Club program.
4. Plan your work and then work your plan.
5. Stay with the job until it is done.
6. Be friendly, honest and unselfish. **Be an advocate for and ally to ALL other youth- in and out of the 4-H program.**
7. Use good judgment, practice courtesy and respect others' opinions.
8. Play fair, lose without complaining, and win without boasting.
9. Never ask someone to do anything you are not willing to do yourself.

Service Leadership Activities

To better understand how to lead, we must be willing to serve others. To understand that service, we must be willing to reflect on the activities we have participated in. This next section will hopefully help you to begin the process of reflecting on the learning you do while learning how to lead through service.

Beginning in November and continuing through July, you are expected to participate in 3 Service Leadership Activities. A Service Leadership Activity is something you do for the betterment of other people. It allows you to build leadership skills while serving the needs of a community that you are a part of. We are providing a minimum of four Junior Leader organized activities that you can participate in. We also feel that many of you have opportunities to lead through service in other areas of your life. Some of these areas may be school, extracurricular activities, sports, church, or other civic organizations. The following section will need to be filled out about each activity. You are required to complete 3 for Junior Leaders. Make sure that you record your activities as you go along and contact any other the advisors if you have a question about whether and activity counts as a Service Leadership Activity. **If this section is not completed, there is a chance you may not complete. This section is important and needs to be filled out completely.**
