large-flowered trillium

New to forest land ownership?
Not sure where to start?
Where can you get help?
Maybe you have had the land for a while but want to learn more and improve it.
Thinking of selling timber?
Want to improve wildlife habitat?

Then join the thousands of forest landowners who have taken this class held annually in Indiana since 1981.

This class covers a full range of topics related to forestland ownership and stewardship and is taught by foresters, wildlife biologists and natural resource professionals.

Forest Management for the Private Woodland Owner

View from Hickory Ridge Fire Tower, Monroe Co.

About the Course . . .

Forest Management for the Private Woodland Owner is a Purdue University short course providing knowledge and resources to help landowners make informed decisions in the care and management of their forests. The workshop will run eight (8) Tuesday evenings, February 14 through April 4, according to the course schedule. Class size is limited to **40** registrants on a first-come, first-serve basis.

When and Where . . .

February 14 to April 4, 2023

Washington County Government Building Meeting Room (lower level), 806 Martinsburg Rd., Salem, IN 47167
The workshop will run from 6:00 p.m. to 9:00 p.m. (EST) each scheduled week (except a Saturday morning field tour, running 9 am to noon)

For more program information, contact Dave Osborne at 812-689-6511 or by email at osbornda@purdue.edu

Instruction will be provided by Purdue Extension staff, and state and private sector foresters.
