You MUST enter your rabbits by May 15 on 4-H Online and in Fair Entry by June 4 in order to show at the county fair. Members must list on this Rabbit Identification Guide the breed, variety, class, sex, and tattoos of all potential rabbits to be exhibited at the County Fair. Exhibitors can pre-enter up to 20 rabbits on the Rabbit online Fair Entry and exhibit up to 20. Exhibitors may show two animals per class and may exhibit up to 3 breeds of rabbits, but more than 3 breeds can be listed. Write the tattoo down for the rabbit you intend to show. Only the tattoo can be changed at check in. The breed, variety, class, and sex will all stay the same. Enter Class according to rabbits age at fair online entry. If breed shows according to weight, rabbits can be moved up at check in, but not down. Meat Classes do not count as a breed. Meat Classes are listed separately from breeds on the second page. 4-H members can exhibit any or all of the four meat classes. Meat Pens and Single Fryers must get an assigned letter from the leader listed on this form. The assigned letter MUST appear on this ID form. All new rabbits in your rabbitry need to be purchased by March 10. This includes the doe used for your meat pen. Refer to Rule Book for more information. Only rabbits listed on this rabbit identification form may be exhibited. Remember to enter your rabbits on this form for the Breeders Class, because the Breeders Class it is not on the online entry.
