The non-winning entries may also be produced.

How: Please complete the entry form. Follow the instructions above with your design on a sheet of paper no larger than 8.5" x 11".

T-Shirt Design: Designs should include an official 4-H Clover logo and "Marion County, IN". Design may or may not include the word "Volunteer". Avoid use of common catch phrases.

Proper Use of the Clover: The 4-H logo sends a message. It tells everyone that you are involved in the 4-H Youth Development program. Because the 4-H 'brand' is very valuable – to us and to you – we are very cautious about the way that the clover is used. In fact, the clover is protected by law. This is not meant to be a deterrent; we want you to use it on your entry! Basic policies for the 4-H Clover include the following:

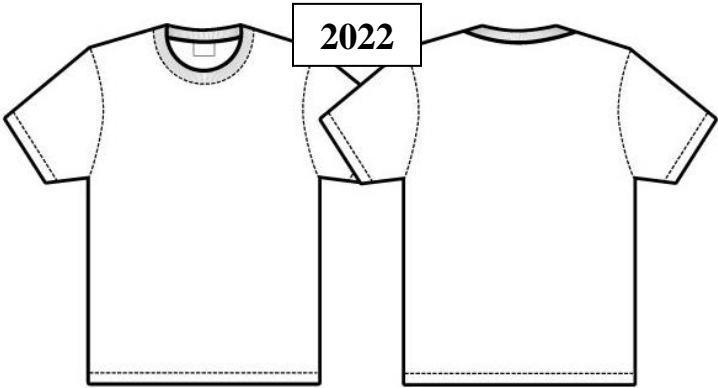

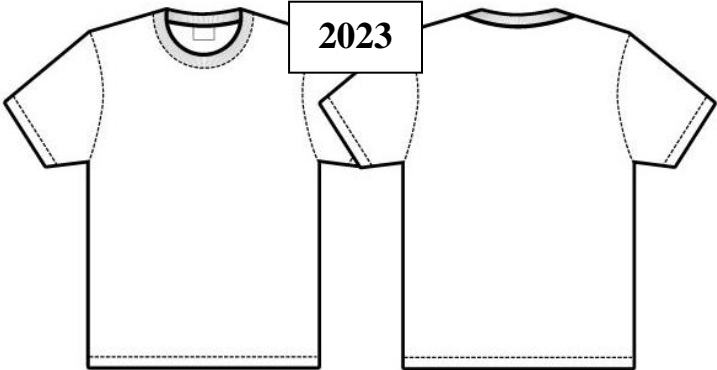

- Only use an official 4-H Clover emblem graphic from:

<https://nifa.usda.gov/sites/default/files/asset/document/4-H%20Name%20and%20Emblem%20User%20Guide%202014.pdf>

- You need to maintain the proper height and width proportions of the image.
- Text or graphics should never cross or be superimposed on top of the 4-H Clover emblem. The 4-H Clover may not be a watermark. You also may not use another clover (representing 4-H) as a graphic...needs to be the real thing.
- The 4-H Clover should not be rotated turned on its side or cropped in any way.
- The 4-H Emblem should never be screened, shaded, gradated, or appear in a multicolored hue. The official and preferred color of the 4-H Emblem is 100 percent PMS 347 green, (The H's reversed out to the color of the paper/cloth on which the emblem is printed). The clover can also be white, black, or metallic gold. The H's on the clover can be white, metallic gold (only on a green clover), green (only on a white clover), or black. The clover can be outlined in green (for white clover) or white (for green clover) to add prominence to the image and make the emblem stand out from the background.
