

Beginning Farmer Online Workshops

Get Your Farm Off to a Great Start!

Interested in starting a farm but unsure of how to get started or where you can find help? Are you already a farmer but eager to enhance and improve your management practices?

Purdue Extension's Beginning Farmer Workshop can help put you on a path to success!

- Address the realities of starting a farm
- Assess your farming assets
- Define realistic goals
- Create feasible plans to achieve your goals

The workshop includes eight sessions, with individual work to complete between sessions.

You'll emerge with a clear perspective on planning farm projects and moving forward with confidence!

Details for your online Beginning Farmer Workshop – and how to register – are below:

*Thanks to the support of the Indiana Office of the Lieutenant Governor and the Office of Community Affairs, funds from the Rural Road to Recovery Initiative are being targeted to support the participation of individuals for free. Please contact athompson@purdue.edu for registration information or call 812-369-3243. Priority for the fee waiver is being given to historically under-served audiences (people of color, limited economic resources, and/or military veterans). A limited number of fee waivers are available, so register as soon as possible to take advantage of this great opportunity.

Purdue University is an equal opportunity/equal access/affirmative action institution.
