PURDUE EXTENSION

About Purdue Extension

Since 1914, Purdue Extension has helped Indiana build vibrant communities, strong families and profitable businesses on Main Streets and at farm gates. Campus specialists and educators in all 92 counties collaborate to empower millions with expert information and local educational programs.

Funded by a unique partnership of federal, state and county government, Purdue Extension addresses the following program areas:

- Agriculture & Natural Resources
- Community Development
- Health & Human Sciences
- Indiana 4-H Youth Development

Building Tomorrow's Entrepreneurs

A key component to Indiana's economy is fostering strong small businesses that start, and stay, here. Sponsored by Purdue Extension and its Indiana 4-H Youth Development Program, the Indiana 4-H Entrepreneurship Academy inspires high school students like Ludvin Cambara to think strategically about entrepreneurship, networking and collaborating.

"The Indiana 4-H Entrepreneurship Academy showed me that here in America, as long as you're determined and work on your craft, you can achieve anything you set your mind to," Cambara says.
