

# 2019 Purdue Extension Quarterly Report

January – March 2019 (Q1)

## Learning Event Sessions

**3,161**

Structured educational programs offered to the public in person or via technology

## Learning Event Hours

**5,971**

## Direct Educational Contacts

**71,826**

Participants in Extension Learning Events

## External Funds for Extension

**\$1,835,183**

Funding not from any legislative budget allocations (e.g., grants)

## Top External Funding Sources

1. Public
2. Nonprofit
3. Private

## Social Media Statistics

**Engagements: 4,811**

**New Followers / Likes: 402**

Facebook and Twitter accounts

All statistics listed Q1 2019.

# PURDUE EXTENSION

## About Purdue Extension

Since 1914, Purdue Extension has helped Indiana build vibrant communities, strong families and profitable businesses on Main Streets and at farm gates. Campus specialists and educators in all 92 counties collaborate to empower millions with expert information and local educational programs.

Funded by a unique partnership of federal, state and county government, Purdue Extension addresses the following program areas:

- Agriculture & Natural Resources
- Community Development
- Health & Human Sciences
- Indiana 4-H Youth Development

## Mental Health Matters

CPR and first aid courses are commonplace, but guidance on how to help family, friends or colleagues experiencing anxiety, depression or substance abuse issues is in short supply. The eight-hour Mental Health First Aid course, offered by Purdue Extension Educators across Indiana, fills that void. Participants learn to identify signs of crisis, what they should and shouldn't say, and where to point someone for help.

Linda Hiatt, who took the course, lives on a farm near Muncie with her husband. Her father was a farmer. She knows the profession's pressures and learned what questions to ask. "Be a good listener," she says. "Don't tell someone you know how they feel. Sympathize, tell them help is available and there is hope."
