

HHS Goals & Expectations

Health and Human Sciences Program Goals for 2020-2021

- Equip individuals, families, and communities to maximize their psychological, social, physical, and emotional well-being
- Provide guidance on food choices and meal preparation to improve lives through healthy eating
- Improve quality of life through the prevention of chronic disease
- Build a foundation for healthy communities and a productive society by addressing issues across the lifespan
- Equip individuals and families to make smart choices that maximize their finances and household resources

HHS Educator Expectations

- Deliver and evaluate at least four (4) HHS signature programs (with at least 2 being different) between June 1 and May 31
- Maintain and utilize an active HHS Extension Advisory Committee to help identify and prioritize county-based HHS Extension programming
- Revised Working with Extension Boards and Committees Manual
- Purdue Extension Hub → Learn → CED Resources → Extension Board Resources
- Use the Survey Builder tool on hhseducators.org (at least 3x's) to collect knowledge and intended behavior outcomes for programs that do not include an approved IRB evaluation tool

Here are the HHS Signature Programs that count

- Be Heart Smart
- Captain Cash
- Where Does Your Money Go?
- Dining with Diabetes
- ServSafe
- I am Moving, I am Learning
- Strengthening Families Program: For Parents and Youth 10-14
- Co-Parenting for Successful Kids
- Enhancing the Value of Public Spaces: Creating Healthy Communities
- Mental Health First Aid (as a certified facilitator only)
