## IEEA Committee Descriptions

**Advancement** | The IEEA is uniquely positioned to identify barriers and opportunities to advance Extension as a profession. The goal of the Advancement Committee is to advocate for the professional well-being of the IEEA membership.

**Conference** | The Conference Committee, in consultation with IEEA Executive Committee, develops the plans, organization, and evaluation of the IEEA Spring Conference.

**Connections & Wellbeing** | Connections and Wellbeing Committee is dedicated to providing a supportive work culture for extension professionals throughout their career.

**Emerging Opportunities** | The Emerging Opportunities Committee works with Extension IT Specialists on current issues related to the technology needs of Extension such as office equipment, educational and AV equipment, software and programs and other technologies.

**Marketing** | The Marketing Committee works to promote Extension and the collective impact in the State of Indiana by assessing the needs of the IEEA membership in terms of marketing impact.

**Professional Improvement** | Awards IEEA grants for professional improvement and the annual Janet Allen Memorial Award.

**Recognition** | The Recognition Committee selects and recognizes IEEA members with awards endorsed by IEEA.

**Resources** | The Resources Committee assists the IEEA Treasurer with development of the annual budget for IEEA. The committee also oversees the auditing of the IEEA Treasurer's books, as well as coordinate fundraising activities.

### MISSION

The mission of the Indiana Extension Educators Association is to unite its members in the pursuit of excellence in leadership, professional and personal development in partnership with the Purdue Extension Leadership and our national affiliates.

### VISION

IEEA is a mission driven organization that strives to provide the best professional, personal and leadership development opportunities for its members. IEEA works to be a trusted, thoughtful and constructive channel between IEEA members and Purdue Extension Leadership.
