Thoughts from the Educator

We have exciting news to share!

Please join us by giving a warm welcome to Gary Jones, our newest Allen County Extension team member and 4-H Educator.

Gary brings several years' experience working with children, families and communities. While living in the Fort Wayne area, Gary has served as the Division Manager for DCS. Earlier in his career he served as school superintendent, principal, and a professional position with the Boys & Girls Club.

Gary is married with two children and five grandchildren. He really enjoys spending time with his family and watching sports in his free time.

He has a strong passion for working with children and families in our community and helping them to become well rounded and caring members of our community, or "Making the Best Better."

We are excited for him to bring his valuable experience and genuine passion for making a difference to Allen County 4-H. Welcome Gary!

Allen County 4-H Fair
June 23-28, 2026

* Volunteer Opportunities *

There are many ways you can contribute to the 4-H program and help give our youth a positive educational experience.

Do you have a special talent or hobby? We are always looking for volunteers to help lead educational programs with youth. Special interest lessons, or SPARK Clubs, are a way for youth to learn new skills or complete projects. Reach out if you are interested in leading a program for youth.

Want to help during the fair? We are looking for judging assistants to help with project judging on June 20. We also need volunteers to sign up to assist in the Food booth. If you are interested in either of these, please call the office at 260-481-6440.

Looking to add leadership to your resume? In addition to 4-H Board, our office is in need of volunteers on Extension Board and Purdue Council for Agriculture Research, Extension, and Teaching who want to help support and shape Purdue Extension. Extension Board members have a 3-year term, meet once every other month, provide guidance to the Extension office, and advocate for Extension with local government. Purdue CARET members meet twice per year in the area, once at the Purdue, and once at a legislative event in Indianapolis. They help advocate with elected officials and promote Extension statewide. Terms are served as you are willing. Contact James Wolff for information at jmwolff@purdue.edu or 260-481-6434.
