

Wildlife (State Fair Entry)

- Enroll in 4-H, pay annual program fee, and enter project in V2.4honline.com by May 15
- Enter exhibit(s) in FairEntry by last business day in June, which is June 30, 2021. See page 7 Rule #23.
- Exhibits checked-in Saturday, July 24 from 9am-12 noon, judging starts at 12:30 pm

An Allen County 4-H General Record Sheet must be completed, signed and turned in at the beginning of check-in for All Exhibit Building Projects.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author when using outside sources, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

Choose one of the topics listed below, appropriate for your grade in school, and use that topic for your exhibit title, so the judges know exactly which activity you completed. You can use a creative sub title if you wish.

Note: Youth must choose a different activity each year except for the Level D wildlife management plan, which may be expanded upon in subsequent years. List sources for images and information.
