

CREATING YOUR DIGITAL SHOWCASE PROJECT UPLOADS

Video Documents

PROJECTS

Dog, Fashion Review, Performing Arts, Rabbit (Breeds specific), Verbal Communications, Tractor, Beef, Dairy, Goats, Horse & Pony, Sheep, & Swine

POWERPOINT

Practice what you will say and how you will stand or move before filming.

Stick to your point and respect the time limit for your projects video presentations.

Cell phone, iPad, GoPro and the like devices work great for filming and are easy to upload.

GUIDELINES

Film in a well lit area, free of excess noise. Speak loudly, clearly, and with confidence. Stabilize the recording device as much as possible.

ADDITIONAL TIPS

Include your name in your project download, ex:
bsmithbeefstartercalves

Ask a friend or grownup to proof your project before submitting.
