CREATING YOUR FAIR ENTRY PROJECT UPLOADS

Photographs & Digital Documents

PHOTOGRAPHS

Take the photo in a well-lit area.
Reduce glare by propping posters against a wall, rather than laying flat.
Make sure the entire project is in the photo.

POWERPOINT

Communicate your vision by organizing your images, chats, and text.
Use easy to read fonts and simple backgrounds.
Stick to your point and limit the presentation to 3-5 slides and 1 document.

PDF, EXCEL, & MICROSOFT WORD

Use easy to read fonts.
Upload a single document.
Organize graphics clearly.
If scanning items, make sure they are clear and include all required pages.

ADDITIONAL TIPS

Include your name in your project download, ex: bsmithbeefstartercalves
Ask a friend or grownup to proof your project before submitting.
