Dear member of the 4-H Food Project,

Important 4-H Food Project Information

If you would like to sell a Foods project in the Foods Auction on Monday night, July 13 7:30 p.m. you need to read this!

Due to the changes in the new 4-H Foods Exhibits - we are asking members to bring a SEPARATE foods item for the auction to check-in/judging on Monday morning, July 13 from 8 - 8:30 a.m.

See the rules for complete details. This is just a summary. You must have a recipe card for your project.

All plates should be disposable. You will NOT get them back.

If you have questions - please ask!!!

Also remember to sign up to attend a workshop on either June 18 or June 24. Call or email the Extension Office.

If you cannot attend a workshop - you need to ask for a record sheet. The record sheet will be completed to exhibit. You can bring one of your practice exhibits to the workshop and we will "judge" it. Remember to bring the recipe. We will give you ideas and suggestions on your exhibit.

Remember you do not have to participate in the 4-H Foods Auction - but if you want to - you will have to bring a separate item for the auction. Place your NAME and GRADE in School (as of January 1, 2015) on your auction entry.

We will have an exhibit card for your food - if you entered in Fair Entry.

Best of luck with your project!

Sincerely,

Rae Ann O'Neill
