Complete 3 activities in your project book each year.		

JUDGING TIME: Saturday, July 17 at 9:00 a.m. Check-in time is 7:30 – 8:45 a.m. at Fairgrounds.

PROJECT DESCRIPTION: This project stresses the importance of care and safety. In the first year of the project, members become acquainted with the tractor and safety precautions. As the members advance in their skills, they learn more techniques regarding tractor care and maintenance. In the more advanced divisions, youth learn tractor care and trouble shooting methods for all types of machinery. Winners of the County Lawn & Garden Tractor Driving Contest will compete in Area competition.

GENERAL INSTRUCTIONS: Members should make every effort to attend 4-H lawn & garden / tractor meetings. Project Leaders are in charge of the county contest. Any disputes about the driving contest must be discussed with Project Leaders and area chairpersons immediately following county and area contest.

EXHIBIT: All divisions in Lawn & Garden Tractor are to:

1. Complete activities in project manual and record sheet.
2. Participate in the county driving contest. NOTE: You **must** be enrolled by June 1st in order to participate in that lawn & garden course at the fair. For more information, visit the state 4-H Tractor website: <https://extension.purdue.edu/4h/Pages/project.aspx?proj=28>
